*Blacky, Four of Us* Mateusz Skutnik,2015-12 Blacky might seem to be just a regular guy but there is something very special about the way he looks at the world. Seen through his eyes, daily routines and things that tend to go unnoticed in a busy everyday life serve as triggers for reflection. It is a funny and thought-provoking collection of bittersweet observations on living in a big city, growing older and being a parent. Read it, but be warned -- you will never look at a mug of cold coffee in the same way again.

**Daymare and Other Tales from the Pulps** Fredric Brown,2007-10-01 Mystery and science fiction writer Fredric Brown (1906-1972) remains best-known for his short fiction. His story *Arena* (in this volume) became the basis for a *Star Trek* episode of the same title. *Arena* was also voted by the membership of the Science Fiction Writers of America as one of the twenty finest SF stories of all time. In addition to *Arena*, this volume contains five more of Brown's classic tales: *Daymare*, *The Little Lamb*, *The Geezenstacks*, *The Hat Trick*, and *Don't Look Behind You*.

**Un om care scrie** Mircea Cartarescu,2018-04-17 „Jurnalul meu este pielea mea de rezervă. E un înveliș magic, scriptural. Din când în când pielea adevărată mă apasă ca un costum greoi de scafandru. Atunci mi-o scot și îmbrac acest tatuaj de cuvinte. În el respir liber, în el pot atinge, în fine, cerul cu palma.”

A Daymare of Violence Brenda Moore,2023-08-10 In my story, I cover my idyllic childhood at home, protected under my mother's wing, where I simply existed in a state of bliss. This was before the age of six. At six years of age, I attended primary school and my whole world changed. I woke up to a world of fear, anxiety and trepidation. My daymares began and remained with me throughout my primary school days. Corporal punishment was allowed at our primary school and my teacher took full advantage. I was just a short time at school when I was beaten for the first time. I went into shock and I clammed up. I retreated into myself and I became a very sad and quiet little girl. I could not understand mental arithmetic and because of this and, instead of being patient and teaching me, my teacher beat me. This was a regular occurrence. I never spoke up about this at home. School was school and home was home, they lived side by side but they never merged. The poor treatment I received during my primary school years and the impact this abuse had on me affected my self-esteem and confidence for a very long time. I spent most of my life building myself up and making myself into the strong person that I am today.

**A Small Town Girl to Don** Amanda Perkins,2013-06-14 Waking to a nightmare is the story of a girls journey to become the Don of the largest crime syndicate in the Milky Way Galaxy. Twenty-year-old Keirah Darisk learns a lot of hidden truths and fights to figure this strange world out before it destroys her or, worse yet, she destroys it! Whichever comes first, all the while trying to

cope and heal from the murder of her father. Will it ever just be okay?

*Daystar* Darcy Town, 2012-05-01 With renewed energy and bolstered powers, the Fallen prepare to square off against the invading hosts of Heaven. Unlikely alliances and new weapons will change the tide of the realm-spanning battle as Lucifer and Dahlia attempt to reclaim the powers they lost and the roles they were destined to fulfill. Humanity will be brought to the brink of extinction. Monsters and angels will be born. Brother will fight brother. Friends will die, and vengeance will be paid in blood. Hell and darkness will descend onto Earth as the Heavenly conflict unravels the foundation of our universe and snuffs out every star in the sky. ...But I swear it's a happy ending.

**Daymare** Thomas Hinde, 1980 This is the story of two days in the life of the village of Kingsleap, set high up on the Berkshire Downs. The time is the present. Strikes and riots have spread throughout the United Kingdom but so far they have not affected life in the village much--until, very early in the morning of the first day, the BBC goes off the air. Clearly the national crisis has reached a point where even Kingsleap must take note--Jacket flap.

**The Town That Time Forgot** Sherrie Dolby, 2020-08-30

Humboldt Emily Brady, 2013-06-18 In the vein of Susan Orlean's *The Orchid Thief* and Deborah Feldman's *Unorthodox*, journalist Emily Brady journeys into a secretive subculture--one that marijuana built. *Humboldt: Life on America's Marijuana Frontier* Say the words Humboldt County to a stranger and you might

receive a knowing grin. The name is infamous, and yet the place, and its inhabitants, have been nearly impenetrable. Until now. Humboldt is a narrative exploration of an insular community in Northern California, which for nearly 40 years has existed primarily on the cultivation and sale of marijuana. It's a place where business is done with thick wads of cash and savings are buried in the backyard. In Humboldt County, marijuana supports everything from fire departments to schools, but it comes with a heavy price. As legalization looms, the community stands at a crossroads and its inhabitants are deeply divided on the issue--some want to claim their rightful heritage as master growers and have their livelihood legitimized, others want to continue reaping the inflated profits of the black market. Emily Brady spent a year living with the highly secretive residents of Humboldt County, and her cast of eccentric, intimately drawn characters take us into a fascinating, alternate universe. It's the story of a small town that became dependent on a forbidden plant, and of how everything is changing as marijuana goes mainstream.

**Small-Town Secrets** Margaret Watson, 2019-07-31 Although she doesn't realize it, Kendall is drowning in secrets. About her husband Carter, who died in a car crash. About Gabe, who was driving the night Carter died. About her brother George's girlfriend. Gabe's return to Sturgeon Falls brings the secrets bubbling to the surface. Since Carter's death, Kendall's been too busy running a B&B, managing a cherry orchard and raising two girls to think

about Gabe. But when he shows up at her B&B, memories come rushing back – including the crush she'd had on him. Can Kendall and Gabe face the past and find forgiveness? Or will the secrets bury them?

*Little Town of Secrets* Marcella Schlote, 2016-11-13 Vydia Trake has just moved to the quiet city of Thymburg with her high-spirited parents and annoying brother, Connor. Upon arriving to town, Vydia explores her new surroundings, only to find her neighbors act stranger than her family. When Vydia suspects serious problems among the citizens, Connor is hesitant to agree with her wild accusations - but when the truth is revealed, Vydia and Connor get thrown into a world of magic and mystery, while also accidentally casting a curse that could bring an end to their new hometown. With the help of unlikely allies, Vydia and Connor must find a way to break the curse and stop a vengeful foe from bringing destruction to Thymburg - but how can they, when they don't even know what they're up against?

Morningstar Darcy Marie Town, 2011-12-24 When she meets Belial, Dahlia can't wish for a better distraction from life. But a fun night of drinking turns bizarre when Belial introduces Dahlia to Lucien and the rest of her friends, men who are exceedingly rich, in short supply of morals, overflowing with violent tendencies, and interested in everything about her. Dahlia is charmed by her new friends, but something about them seems strangely familiar and it should. Lucien is Lucifer Morningstar, his friends are fallen angels, and

Dahlia is no ordinary woman; she is the very reason they were tossed out of Heaven. She is the reincarnated spirit of Lucifer's equal and former lover, the imprisoned Primangel Ladriam. Within her, lies the power to restart and win the war against Heaven, but first she needs to survive dating the devil.

**Mr Big** Ed Vere,2019-01-03 Mr Big is strong, Mr Big is tough, Mr Big is . . . well . . . BIG! He has just one small problem - because of the way he looks he just can't get people to stick around. How can he show them that although he may look a little scary, he is just a great big softy inside? With his trademark bold colour and masterful graphic simplicity, Ed Vere sensitively and humorously tackles the universal and current subject of inclusion, reminding the reader that to get to know someone you need to look beyond

their exterior. This is the third picture book from an exciting new talent, whose previous titles *The Getaway* and *Banana* have received great critical acclaim.

*Heroes of the Frontier* Dave Eggers, 2016-07-26 A captivating, often hilarious novel of family, loss, wilderness, and the curse of a violent America, Dave Eggers's *Heroes of the Frontier* is a powerful examination of our contemporary life and a rousing story of adventure. Josie and her children's father have split up, she's been sued by a former patient and lost her dental practice, and she's grieving the death of a young man senselessly killed. When her ex asks to take the children to meet his new fiancée's family, Josie makes a run for it, figuring Alaska is about as far as she can get without a passport. Josie and her kids, Paul and Ana, rent a rattling old RV named the Chateau, and at first their trip feels like a vacation: They see bears and bison, they eat hot dogs cooked on a bonfire, and they spend nights parked along icy cold rivers in dark forests. But as they drive, pushed north by the ubiquitous wildfires, Josie is chased by enemies both real and imagined, past mistakes pursuing her tiny family, even to the very edge of civilization. A tremendous new novel from the bestselling author of *The Circle*, *Heroes of the Frontier* is the darkly comic story of a mother and her two young children on a journey through an Alaskan wilderness plagued by wildfires and a uniquely American madness.

*Little Town On The Prairie* Laura Ingalls Wilder, 1979
