Polarized Beam Dynamics and Instrumentation in Particle Accelerators François Méot, Haixin Huang, Vadim Ptitsyn, Fanglei Lin, 2023-03-21 This Open Access book is drawn from lectures dispensed at the U.S. Particle Accelerator School (USPAS) Summer 2021 Spin Class, by experts in the field. The Struggle for Equality Orville Vernon Burton,Jerald Podair,Jennifer L. Weber,2011-12-15 This collection of essays, organized around the theme of the struggle for equality in the United States during the nineteenth and twentieth centuries, also serves to honor the renowned Civil War historian James McPherson. Complete with a brief interview with the celebrated scholar, this volume reflects the best aspects of McPherson's work, while casting new light on the struggle that has served as the animating force of his lifetime of scholarship. With a chronological span from the 1830s to the 1960s, the contributions bear witness to the continuing vigor of the argument over equality.

Barricades Tom Carhart,2020-04-23 It was not until well into the 20th Century that West Point became fully integrated, and the backstory of how this came about is the subject of this compelling work. It is a story that is both

shameful and praiseworthy, a tale of young African-Americans finding themselves up against challenges that some were simply not prepared to take on, while others succeeded only after enduring the most harrowing physical trials. What especially distinguishes this account of these young men's experiences at West Point is the author's placing the events in the contemporaneous history of the decades—quoting the surprising number of newspaper accounts of the goings-on at West Point as well as memoirs by the individuals themselves. Most Americans were all too ready to ignore these events, but several of these pioneers persisted against all odds, and it is their stories that make this both a sobering yet inspiring book.

Sarah Lowndes,2016-04-20 This book considers the history of Do It Yourself art, music and publishing, demonstrating how DIY strategies have transitioned from being marginal, to emergent, to embedded.
