Death Match Lincoln Child, 2006-10-31 A cautionary tale about artificial intelligence (Washington Post) that is almost too frighteningly believable not to be real—from the internationally acclaimed #1 New York Times bestselling thriller writer Lewis and Lindsay Thorpe were the perfect couple: young, attractive, and ideally matched. But the veil of perfection can mask many blemishes. When the Thorpes are found dead in their tasteful Flagstaff living

room (having committed double suicide), alarms go off in the towering Manhattan offices of Eden Incorporated, the high-tech matchmaking company whose spectacular success, and legendary secrecy, has inspired awe around the world. The Thorpes, few people knew, were more than the quintessential happy couple—they were Eden's first perfect match. A short time later, Christopher Lash, a gifted former FBI forensic psychologist, receives an urgent plea from Eden to perform a quick—and quiet—investigation into the deaths. Lash's psychological autopsy reveals nothing suspicious, but inadvertently dredges up the memories of a searing personal tragedy he has kept at bay for years. The situation changes suddenly when a second Eden couple is found dead—by all appearances, another double suicide. Now Eden—particularly Richard Silver, the company's brilliant and reclusive founder—has no choice but to grant Lash unprecedented access to its most guarded secrets if he is to have any chance of determining what is going wrong. The hidden world he discovers is a stunning labyrinth of artificial intelligence, creative genius, and a melding of technology that does indeed, to Lash's surprise, deliver on Eden's promise to its clients: the guarantee of a perfect, lifelong mate. But Lash's involvement in the investigation becomes more personal and dangerous than he could have imagined, nearly as soon as it begins. Infused with relentless suspense and tremendous imagination and skill, *Death Match* is master thriller writer Lincoln Child at his best. Don't miss Lincoln Child's new thriller, *Chrysalis*!

Death Match Matt Forbeck, 2006 Book 3 (of 3) in the riotous Blood Bowl series. In a fantasy kingdom where violence is a way of life, the number one sport is Blood Bowl - gridiron football where anything goes. Dirk 'Dunk' Hoffnung and the rest of the Bad Bay Hackers

thought they'd taken everything the game of Blood Bowl could throw at them, but now they literally have to play the game of their lives to prevent the destruction of their kingdom.

America's Last Great Newspaper War Mike Jaccarino, 2020-03-03
NAMED A BEST BOOK OF THE WEEK BY THE NEW YORK POST ALSO AVAILABLE AS AN AUDIOBOOK A from-the-trenches view of New York Daily News and New York Post runners and photographers as they stop at nothing to break the story and squash their tabloid arch-rivals. When author Mike Jaccarino was offered a job at the Daily News in 2006, he was asked a single question: “Kid, what are you going to do to help us beat the Post?” That was the year things went sideways at the News, when the New York Post surpassed its nemesis in circulation for the first time in the history of both papers. Tasked with one job—crush the Post—Jaccarino here provides the behind-the-scenes story of how the runners and shooters on both sides would do anything and everything to get the scoop before their opponents. The New York Daily News and the New York Post have long been the Hatfields and McCoys of American media: two warring tabloids in a town big enough for only one of them. As digital news rendered print journalism obsolete, the fight to survive in NYC became an epic, Darwinian battle. In *America's Last Great Newspaper War*, Jaccarino exposes the untold story of this tabloid death match of such ferocity and obsession its like has not occurred since Pulitzer– Hearst. Told through the eyes of hungry “runners” (field reporters) and “shooters” (photographers) who would employ phony police lights to overcome traffic, Mike Jaccarino’s memoir unmask the do-whatever-it-takes era of

reporting—where the ends justified the means and nothing was off-limits. His no-holds-barred account describes sneaking into hospitals, months-long stakeouts, infiltrating John Gotti’s crypt, bidding wars for scoops, high-speed car chases with Hillary Clinton, O.J. Simpson, and the baby mama of a philandering congressman—all to get that coveted front-page story. Today, few runners and shooters remain on the street. Their age and exploits are as bygone as the News-Post war and American newspapers, generally. Where armies once battled, often no one is covering the story at all. Funding for this book was provided by: Furthermore: a program of the J. M. Kaplan Fund

Internet Drama and Mystery Television Series, 1996–2014

Vincent Terrace, 2014-12-16 Created around the world and available only on the Web, internet “television” series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through online crowdfunding, they are produced with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The second in a first-ever set of books cataloging Internet television series, this volume covers in depth the drama and mystery genres, with detailed entries on 405 shows from 1996 through July 2014. In addition to casts, credits and story lines, each entry provides a website, commentary and episode descriptions. Index of performers and personnel are included.

Wrestling Babylon Irv Muchnick, 2010-11-16 Irvin Muchnick ' a widely published writer and nephew of the late, legendary St. Louis wrestling promoter Sam Muchnick ' has produced a book unlike any other on the astonishing growth of professional wrestling and its profound impact on mainstream sports and society. In Wrestling Babylon, he traces the demise of wrestling's old Mafia-like territories and the rise of a national marketing base thanks to cable television, deregulation and a culture-wide nervous breakdown. Naturally, the figure of WWE's Vince McMahon lurks throughout, but equally evident is the public's late-empire lust for bread, circuses, and blood. As this book demonstrates, the more cartoonishly unreal wrestling got, the more chillingly real it became. What truly distinguishes Wrestling Babylon, however, is Muchnick's ability to show how professional wrestling has become the ur-carnival for a culture that feeds on escapist displays of humiliation, revenge, fantasy characters, and sex. His *People* magazine article on Hulk Hogan blew the lid off the drug abuse of the sport's signature superstar. His award-winning *Penthouse* profile of the ill-starred Von Erich clan was the first to connect the dots between wrestling, televangelism, and MTV-style production values. His never-before-published investigation of the death of Jimmy Superfly Snuka's girlfriend suggests the cover-up of a murder. The book's appendix ' a comprehensive listing of the dozens of wrestlers who died prematurely over the last generation, with little or no attention ' is both a valuable resource for wrestling historians and a shocking document of the ruthless way sports entertainment eats its own.
