As the first comprehensive post-processing platform to be created by astro-imagers for astro-imagers, it has for many, replaced the generic graphics editors as the software of choice. With clear instructions from Keller, astrophotographers can get the most from its tools to create amazing images. Capable of complex post-processing routines, PixInsight is also an advanced pre-processing software, through which astrophotographers calibrate and stack their exposures into completed master files. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. BREATHE FIRE. Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, rivalry against the Riki clan. Her life is brutal but simple: fight and survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago. Faced with her brother's betrayal, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family. She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and family while daring to put her faith in the people she's spent her life hating.

Metamorphosis Franz Kafka, 2021-03-19 Franz Kafka, the author has very nicely narrated the story of Gregor Samsa who wakes up one day to discover that he has metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many

important stories, including "The Judgement", and much of his novels "Amerika", "The Castle", "The Hunger Artist". Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka's works were published and translated instantly becoming landmarks of twentieth-century literature. Ironically, the story ends on an optimistic note, as the family puts itself back together. The style of the book epitomizes Kafka's writing. Kafka very interestingly, used to present an impossible situation, such as a man's transformation into an insect, and develop the story from there with perfect realism and intense attention to detail. The Metamorphosis is an autobiographical piece of writing, and we find that parts of the story reflect Kafka's own life.

I Love Russia Elena Kostyuchenko,2023-10-17 Elena Kostyuchenko is an important guide to the 21st century. –Timothy Snyder, author of The Road to Unfreedom A fascinating, frightening, compulsively readable chronicle of life in Putin's Russia. –Carol Off, author of All We Leave Behind To be a journalist is to tell the truth. I Love Russia is Elena Kostyuchenko's

fearless attempt to document Putin's Russia as experienced by those it systematically and brutally erases: village girls recruited into sex work, queer people in the outer provinces; patients and doctors in a Ukrainian maternity ward; and reporters like herself, at risk not only because of her work but because she lived openly as a queer woman and LGBTQ activist in a deeply homophobic state. It takes us to places that non-Russians have never seen and brings us voices we have never heard. At once uncompromising and deeply humane, her book stitches together reportage and personal essays into a kaleidoscopic, often otherworldly journey. Here is Russia as it is, not as we imagine it. *I Love Russia* may be the last work from her homeland Kostyuchenko will publish for a long time—perhaps ever. She writes as she does, because she is driven by the conviction that the greatest form of love and patriotism is criticism. And because the threat of Putin's Russia extends beyond herself, beyond Crimea and beyond Ukraine.
