Holiday Magic at the Disney Parks Graham Allan, Rebecca Cline, Charles Price, 2020-08-25 The autumn and winter holidays are more than individual, celebrated feasts; they are an exceptional concoction of feelings, dreams, hopes, reawakened memories, and (perhaps more than at any other time of year) a renewal of traditions. Sounds a bit like the Disney theme park experience already, doesn't it? Disney magic and holiday enchantment blend smoothly, and the result has delighted guests for decades. This spectacular oversized coffee table book offers visual storytelling at its best. More than 1,800 photographs (more than half of them taken just for this book) showcase Disney's key locations filled with special holiday menu offerings, the big biggest parade and stage productions and nighttime spectacles, the tiniest decorating details from amazing artists and designers, and of course the most significant historical holiday events. A harmonic trio of researchers, writers, and photographers logged more than 150,000 miles in visiting every Disney park and resort across the globe, personally documenting the holiday installations through fifty-five thousand photographs and, wherever possible, meeting the talented and endlessly passionate artisans behind it all. With twelve theme parks and dozens of resorts, plus numerous cruise ships, dining and shopping districts, and more than six decades of holiday experiences, there're a lot of pumpkin treatments and ornate trees to reflect upon. (The smallest holiday tree at a Disney property is just four inches high, while very tallest ever put up was seventy feet.) Every parade or show requires dozens (sometimes hundreds) of creative magicians both onstage and off. And each decoration is chosen carefully to fit within a story and is placed on its tree or garland by craftspeople backstage. The decor is installed onstage, maintained, and, ultimately, de-installed and disassembled by small armies of technicians before it is once again cleaned, prepared, and stored in vast warehouses for the next year's use. The stories and contributions from so many unsung employees (usually working hard at hours of the night when so many people are asleep) fill these pages, along with the joys of Halloween, Christmas, Hanukkah, and New Year celebrations. Time to join the party!
