

Deluge 135

Frances Sally Caulfeild

The Deluge Henryk Sienkiewicz, 1898 A historical novel by the Polish author Henryk Sienkiewicz, published in 1886. It is the second volume of a three-volume series known to Poles as The Trilogy, having been preceded by With Fire and Sword (Ogniem i mieczem, 1884) and followed by Fire in the Steppe (Pan Wołodyjowski, 1888). The novel tells a story of a fictional Polish-Lithuanian Commonwealth soldier and noble Andrzej Kmicic and shows a panorama of the Commonwealth during its historical period of the Deluge, which was a part of the Northern Wars.

The Second Deluge Garrett Putman

Serviss, 2005-05-20 What is here set down is the fruit of long and careful research among disjointed records left by survivors of the terrible events described. The writer wishes frankly to say that, in some instances, he has followed the course which all historians are compelled to take by using his imagination to round out the picture. But he is able conscientiously to declare that in the substance of his narrative, as well as in every detail which is specifically described, he has followed faithfully the accounts of eyewitnesses, or of those who were in a position to know the truth of what they related.

Deluge Luther Butler,2000-10-13 DELUGE is a continuation of the two part Biblical series following DEATH RODE A WHITE HORSE. Noah, the descendent of Adam and Eve, has built the Ark. A user of alcoholic drinks, the sinful citizens of Ur fail to take his message seriously. The

trickster, Lucifer, wants to make Creator angry enough to make him destroy his own people. Ham, third son of Noah, saves Jezebel from the flood. When the two have a son, Canaan, Noah puts a curse on the lad. Also saved from drowning are the descendents of ben-Able who are high in the Kargos Mountains with their animals. The current ben-Able risks the wrath of his people by forcing them to go higher up the mountain than the people and animals can safely go. Eventually ben-Able and his people join up with Hams family and head for Canaan to plant Creators people near the holy city of Jerusalem. DELUGE brings the Biblical characters into sometime hilarious situations when Lucifer and Creator and their followers pit their wits against each other. Lucifer not only destroys Creators people, but the flood reaches to Canaan and destroys Lucifers people. Lucifer is forced to save Ham in order to have people descending from Jezebel. While Lucifer takes the bodies of fish, fowl, and animals to save Ham and Jezebel, Creator and Gabriel soar above the flood in their chariot. This version of the Bible has a science fiction affect mixed with comedy, tragedy, and some very serious moments.

Why?: Explaining the Holocaust Peter Hayes, 2017-01-17 Featured in the PBS documentary, The US and the Holocaust by Ken Burns, Lynn Novick and Sarah Botstein Superbly written and researched, synthesizing the classics while

digging deep into a vast repository of primary sources. —Josef Joffe, Wall Street Journal Why? explores one of the most tragic events in human history by addressing eight of the most commonly asked questions about the Holocaust: Why the Jews? Why the Germans? Why murder? Why this swift and sweeping? Why didn't more Jews fight back more often? Why did survival rates diverge? Why such limited help from outside? What legacies, what lessons? An internationally acclaimed scholar, Peter Hayes brings a wealth of research and experience to bear on conventional views of the Holocaust, dispelling many misconceptions and challenging some of the most prominent recent interpretations.
