Was a person responsible for the tree or was it a cultural phenomena that grew. I am going to ask you to think back to your first memory of Christmas. It probably includes a memory of a decorated and brightly lit tree surrounded by colorfully wrapped presents. A smile always can be seen on even the most selfish and bitter person when viewing a well designed Christmas tree.

He's just a scrub pine. He's so little and scrawny that no family would ever pick him for their tree. Although King, the crow, assures him that he has his own special purpose, Scrubby can't block out the jeers of the other trees. Maybe they're right. Maybe he is useless. But Scrubby's friends-Kels, the ladybug, and Hunter, the farmer's son-see that he is special after all. In this holiday story, the two show Scrubby that he doesn't have to be like all the other trees to be special. It's his unique qualities that will make people take notice.
