They think that they are chasing a serial killer, but in fact the demon is leading them to their very own graves. The demon is leaving clues that take the brothers from the Lizzy Borden House to The Joshua Ward House and through numerous crime scenes. The brothers have to put the pieces of this puzzle together to solve the case before the killer strikes again. But how do you fight a 16th century demon in a 20th century world. My Big Fat Demon Slayer Wedding Angie Fox,2013-06-29

What's your favorite way to get revenge? Mine is ordering poofy bridesmaid dresses for biker witches. Yes, my studly Greek griffin has popped the question. And, no, I'm not a small, simple-wedding type of girl. Sorry, not sorry. Oh, look—a big ass mansion for rent! Too bad being a demon slayer makes everything more complicated. For starters, the vengeful Earl of Hell is on my tail and trying to crash the party. And now it seems one of the guests at

the eccentric, seaside mansion is possessed and trying to kill me. Maybe I should just elope. My studly groom vows to protect me at all costs. Yet even he's acting strange. And minions of the devil are popping up everywhere. As the wedding draws closer, I have to learn who is behind the attacks—and fast—or risk losing everyone I love.

Beverly Hills Demon Slayer Angie Fox,2014-06-10 I'm not exactly a diamonds and champagne type of girl. Did the fact that I'm a demon-slaying biker witch give it away? But when an ancient cult becomes the "in" thing in Beverly Hills, I can't let it slide. Something is off, and as a demon slayer, I've learned to always trust my instincts. They say it's all youth potions, parties, and priceless Egyptian artifacts, but there's a demon involved...and I'm not welcome. It's not the first time I've been kicked out of a place. I go in undercover, along with my sexy Greek shape-shifter husband, my biker witch buddies, and a dog that is way too fond of free appetizers and the red-carpet lifestyle. Between dodging detection and uncovering ancient secrets, I have my hands full. And when the demon manages to hook his claws into my eternal soul, I realize I may be stepping out for my final event.

The Demon Slayer Knight: Battle Cry 2nd Edition Marjorie McKee,2019-03-24 Christian Thomas Blake, an All-American Teenager loves to play classic 70's guitar riffs and investigate the paranormal with his forever-young father, Tom. They cross paths

with the elderly Mary Daniels, who time forgot and society ignores. When she staggers into a roadside diner nearly dead, they come to her aid. But Mary is hiding a deadly secret. In her house. On her hill. And in her town...Mary has accidentally used the Law of Invitation, thus giving evil permission to access what has lain dormant for over a century. The Demon Slayer of Ashburn M.W. Layne, 2023-12-14 Even Demons Know Fear... David is new to his job as Ashburn's supernatural enforcer. He's also new at being a demon. He

struggles to preserve what's left of his human soul, while doing his best to get the hang of his new role. The stranger may look like a regular man, but David's succubus girlfriend recognizes him for what he really is—a Demon Slayer. Most demons think that Slayers are only a myth. But, as David discovers, they're deadly real, and one of them is on the hunt in Ashburn with a mission to kill all the supernatural creatures he can find. And he will. Unless David can stop him. Oyler, 2006-01-01 Investigates some historically important political and social issues raised by the Genpei War (1180-1185). This epic civil conflict, which ushered in Japan's age of the warriors, is famously articulated in the monumental narrative *Heike monogatari* (The Tale of the Heike).

The Accidental Demon Slayer Angie Fox, 2016-05-27 A New York Times bestselling, breakout novel! My name is Lizzie Brown, and demon slayer wasn't my first career choice. It didn't even

crack the list. I had a good thing going as a preschool teacher until my long-lost Granny blew into my life riding a Harley and raving about a demon on my toilet. Why did she have to be right? He was from the seventh layer of hell, and I killed his ass faster than you can say flush. Now Grandma insists I'm a demon slayer, destined to ride with her geriatric gang of biker witches. Do I even own a leather jacket? Crazier still, this new job comes with my own personal protector: Dimitri Kallinikos, a devastatingly hot shape-shifting griffin with beautiful eyes and a not-so-secret plan to seduce me. I could get on board with that. But I can't get too involved because Dimitri needs me to take care of some hellish personal business for him, and I'm not about to let a guy I barely know take me anywhere near the underworld. At least not on the first date. But there's a bigger danger brewing than either of us can imagine—and if I can't stop the rise of Hell on Earth, no one can.
