**The Doomsday Shroud** R. L. Gemmill,2015-12-29 Trouble continues for Kelly and Travis Bishop. Their older brother, Jon, runs away to New York City, the nation embraces Majik Juice, and the American Security Administration makes house calls at two in the morning. The good news? An assassin thinks he can save humanity from injustice. The bad news? Demons have discovered the perfect lure to get Kelly back into Pandora Cave. The Doomsday Shroud. Reminder: The Demon Conspiracy Series is still the only teen novel series required by the American Security Administration to post a warning about potential negative psychological effects on the reader. READ WITH CAUTION.

**Doomsday** R. L. Gemmill,2022-02-04 ORPHANED. HUNTED. ON THE MENU. After seven years apart, Jon, Kelly, and Travis Bishop move in together with a foster family, and it seems their lives may finally be normal again. But while exploring little known Pandora's Cave, a freak earthquake traps them deep underground. In the cave they witness an alliance between a mysterious businessman and a group of terrifying demons that promises to plunge our world into darkness and death. The good news? The kids have video proof of the entire event. The bad news? The video may still be in the demon-infested cave, and nobody believes their story. READ WITH CAUTION!

**The Demon Hunt** Kris Greene,2010-08-03 Soul-sucking demons. Half-human killers. Doomsday prophesies. No, this isn't a late-night movie on cable TV. This is Gabriel's life—or least, what's left of it—ever since he discovered his true destiny as a warrior knight in the battle against darkness. Once an ordinary college kid studying lost legends in books, Gabriel now finds himself face to face with actual demons. As a warrior, he has no choice but to fight them. And if he screws it up, the world is toast... A dimensional rift has opened between worlds. Which means more demons—and more death—than you could shake a proverbial stick at. Luckily, Gabriel has just the stick for the job, an ancient trident that gives him awesome demon-bashing powers. To watch his back he has the butt kicking half Demon De Mona and several unlikely heroes who he's picked up along the way. To make matters more complicated two of Gabriel's college buddies wind up dead and he finds that the demons aren't the only ones who want a piece of his hide. The cops want him too—for murder... The Demon Hunt is the second book in Kris Greene's fantasy series Dark Storm.

**Demon Apocalypse** Darren Shan,2008-05-01 One boy's life ripped to shreds before his eyes... One wrathful demon master hell-bent on revenge... An army of grisly Demonata on the rampage... It's the end of the world as we know it. The sixth novel in the chilling Demonata series by Darren Shan, author of the New York Times bestselling Cirque Du Freak series, will terrify readers long after the last page.

Doomsday at the North Dike: The Invasion of the Demons Gertjan Kooiman,2016-05-04 In his palace in Walhalla Odin learns that the demons are finishing their terrible ship of death called Naglfar. This means that the doomsday had broken and that the world will soon change in a pandemonium. The god Heimdall is summoned and he tells Odin, that at the end of the world, at the Northdike, where according to the predictions the invasion of the demons would take place, the

disaster is already beginning. The two wise dwarfs Liudger and Werenfried, they are being sent out over to try to prevent the approaching disaster. Will they be able to do the job?

It Happened One Doomsday Laurence MacNaughton, 2016-07-12 Light on angst and heavy on banter in a world where the four horsemen of the apocalypse drive muscle cars, this fresh urban fantasy plays with genre tropes with a heroine more likely to consult a book than swing a sword--

Cataclysm MJ DelConte, 2021-05-25 I assume you are unaware of the impending Apocalypse, Lucifer's minions hunting people, or the ticking clock while the world lives in ignorance. Are you ready to face your demons? Humanity invoked an ancient apocalyptic pact four centuries ago. Since then, demon attacks, known as the Test of Mettle, occur - always at 11:34 at night - targeting random people ranging from simple peasants to former president Theodore Roosevelt, and they happen all over the world, even in the infamous Amityville House. The Executive leads a dedicated group on a quest to save humanity by gathering clues. He discovers a mysterious box containing evidence about the Apocalypse, and unknowingly sends his team into an ambush to retrieve it. They lose the owner of the box, one of their prized agents, and nearly the Executive himself. The attack reveals a sinister threat lurking in the shadows, one that wants to see the world end. When they open the strange box, it exposes proof of a heavenly host on Earth - the very same immortal being who invoked the Apocalypse.

The Demon Code Adam Blake, 2012-08-16 Three years ago, Heather Kennedy left the Metropolitan police under a shadow that has followed her ever since. Now she has been called in to advise on a supposed burglary in the now-defunct British Museum reading room. Kennedy soon establishes that rather than steal anything, someone has broken into the stacks in order to photograph pages from books about Johann Toller, a crazed prophet of 17th century Europe. Toller

believed that the end of days was at hand, and he made a number of prophecies relating to the Apocalypse and the events that would precede it. None of them came true. Until now. One after another, the grotesque signs and wonders Toller predicted come to pass, no matter how unlikely they seem. The river Rhine runs bright red, the towers of London bow to kiss the ground, and an angel with a fiery sword is seen over Jerusalem. With the help of a nineteen-year-old girl from a secretive tribe and ex-mercenary Leo Tillman, Kennedy must work to stop the next prophecy coming true - the destruction of an unnamed city...

*Apocalypse Happens* Lori Handeland, 2009-11-03 Elizabeth Phoenix is one of a select few with the power to battle those who have escaped from the darkest level of hell—demons bent on destroying humanity and reclaiming earth once and for all. Liz is determined to stop yet another Doomsday. But this time, it's going to be more difficult than ever because someone she thought was dead isn't dead anymore...and is bound and determined to destroy Liz and everyone she loves in the upcoming Apocalypse. Liz has arrived in Los Angeles to ferret out a nest of varcolacs: half human, half dragon creatures who crave the destruction of the sun and moon. But before she can prevent the kind of eclipse that would bring the world to an end, Liz must mine the depths of her own heart. She and her former lover Jimmy Sanducci have some personal demons to battle—and there's always her mentor, the Navajo shaman Sawyer. Is he on their side or isn't he? In the end, the three of them must find a way to fight together...or perish alone.

**Doomsday Can Wait** Lori Handeland, 2015-01-06 Werewolves? Vampires? Demons? Oh, my! Liz Phoenix here. Just a psychic ex-cop who managed to thwart Doomsday. But the army of demons intent on bringing about the Apocalypse ain't done yet. Neither am I. I may have lost three quarters of my troops in the last battle, but with the backing of a half-vampire, a fairy and a Navajo skin-

walker, three of the most powerful beings on earth, I'm in good shape. Or so I thought until the Naye'i showed up. They call her The Woman of Smoke and she's one scary demon. The Naye'i wants me dead. But lately, who doesn't?

*The Box of Demons* Daniel Whelan, 2016-01-28 Ben Robson can't remember a time before he had the box, with its three mischief-making demon occupants: smelly, cantankerous Orf, manically destructive Kartoffel and fat, slobbering greedy-guts Djinn. When Ben was a kid it was fun, and he enjoyed their company. Now that he's 12, they're nothing but trouble. Then one day Ben has an angelic visitor who tells him that he can be rid of the box forever if he sends it back to hell. There's only one catch--the box has other plans.

**The Delilah Archives** R. Cox, 2019-11-07 Angelic envoy Delilah must track down the killer of a protected human who fled to the demonic realm, the Archfiend Zone. While chasing the powerful foe, she must confront a shameful past that taunts her every waking moment. In millennia past, treachery turned a large remnant of angels into conspirators, who stormed Heaven and were cast down as demons. During the horrible onslaught, something precious was taken from Delilah, her mind. Bits of her intellect was taken in the form of enodes and transformed into jewels to be dispersed among her demonic rivals. Her memory is forever scarred as she suffers from loss of identity in times of crisis. It is her personal mission to recover what was taken from her from one of the most powerful demons in the Archfiend. During her investigation, she discovers a plot for Lucifer to take over the throne of God. It is up to her and her squad to stop them to prevent the End of Days, better known to humanity as the apocalypse.

**Demons** John Shirley, 2002-05-07 "An allegory for our time, full of creepy splendor and excitement . . . Demons is a brave and smart book. Read it if you dare."—San Francisco Bay

Guardian “Demons is funny, outrageous, and frightening, and, as a metaphor for our times, it works frighteningly well.”—Rocky Mountain News In a future uncomfortably close to the present day, the apocalypse has surpassed all expectations. Hideous demons roam the streets in an orgy of terror, drawing pleasure from torturing humans as sadistically as possible. Ira, a young San Francisco artist, becomes involved with a strange group of scientists and philosophers desperately trying to end the bloody siege. But the most shocking revelation is yet to come. . . . Praise for Demons “Barely street-legal, Shirley’s Bosch-like visions mark him out as perhaps the closest thing contemporary American fantasy has to a genuine ‘outsider artist.’”—William Gibson “John Shirley is an adventurer, returning from dark and troubled regions with visionary tales to tell. I heartily recommend a journey with John Shirley at your side.”—Clive Barker “John Shirley writes like a runaway train. . . . Intensely suspenseful, visionary, surreal, and every bit as gritty and immediate and believable as a police report, this book will scare you, dazzle you, and delight you.”—Tim Powers

**Doomsday Can Wait** Lori Handeland, 2015-01-06 In this second installment of The Phoenix Chronicles, psychic ex-cop, Liz Phoenix has managed to thwart Doomsday once, but the army of demons intent on bringing about the Apocalypse isn't done yet. Neither is Liz. Having lost three quarters of her troops, Liz must rely on the help of a half-vampire, a fairy and a Navajo skinwalker to keep the end at bay. She believes she's making progress until she meets the Naye'i, or woman of smoke, a powerful demon who is also the mother of the shaman, Sawyer. The Naye'i wants Liz dead. But lately, who doesn't? Along the way to an epic battle, Liz fights creatures unimaginable. However, if she doesn't discover a way to kill a woman made of smoke, it may be the end of the world as we know it.
