

# Depths Of Peril

**Cole Steele**

*Peril in the Shallows* Addison Fox,2024-02-20 A murder on the water... Leads to love between two partners. Police diver Kerrigan Doyle has the opportunity to prove herself as a cop by partnering with celebrated detective Arlo Prescott. A grisly discovery on a shipwreck in the middle of a storm points to a new crime syndicate in the city. Kerrigan's plan to pose as Arlo's girlfriend gets the two of them closer to solving the mystery, but their unexpected chemistry starts to bring them together in a more physical way. Can Kerrigan navigate the investigation while keeping her feelings for Arlo at bay? Or will their attraction prove to be too perilous? From Harlequin Romantic Suspense: Danger. Passion. Drama. Feel the excitement in these uplifting romances, part of the New York Harbor Patrol series: Book 1: Danger in the Depths Book 2: Peril in the Shallows Book 3: Threats in the Deep

**Dangerous Depths** Colleen Coble,2014-11-25

Sometimes life's most precious treasure lies at Dangerous Depths. Leia ditched a promising medical career to settle on a secluded island of Hawaii. She ditched Bane, too, and he's come to the island to find out why. He's also in search of a fortune rumored to lie offshore. But an act of sabotage that pushes Bane closer to Leia plunges them both into a tangle of emotion—just as a series of threatening events grip the island. Theft, a friend's death, a bizarre intruder, hints of a second treasure . . . and even murder—how can they sort it all out when everyone on the island has something to hide?

**Peril In The Teacher** Daisy Starling,2023-07-16 In a quaint little town, nestled between rolling hills and lush forests, stood a school that seemed ordinary to the outside world. Children roamed its corridors, laughter filled the air, and teachers imparted knowledge with dedication. Yet, behind this facade of normalcy, an enigmatic presence

loomed, shrouded in mystery and peril. Among the educators, there was one who stood out from the rest - a new teacher with an air of secrecy about him. Mr. Alexander Hartwood arrived one gloomy autumn morning, his penetrating eyes betraying glimpses of a past hidden in the shadows. Rumors whispered in hushed tones swept through the student body like wildfire, painting him as a figure straight out of a chilling tale. As the days passed, peculiar occurrences unfurled in the school. Books flew off shelves on their own accord, mysterious symbols appeared on classroom walls, and strange whispers echoed in the empty hallways after dusk. The once joyous and carefree atmosphere turned tense and apprehensive, and students exchanged furtive glances, unsure whom to trust. Amidst the mounting unease, a brave and inquisitive student, Emily, found herself drawn to the enigma of Mr. Hartwood. Fascinated by the enigmatic teacher and armed with a thirst for knowledge, she began to delve into his past, determined to uncover the truth behind his cryptic demeanor. Little did she know that her journey of discovery would lead her down a perilous path, one where reality and fantasy blurred, and the very fabric of time seemed to waver. As Emily and her newfound allies started unraveling the secrets hidden within the walls of their school, they soon realized that their actions had set off a chain reaction. Forces beyond their understanding were at play, and they found themselves entangled in a web of ancient riddles, long-lost artifacts, and a destiny entwined with that of Mr. Hartwood. The journey ahead was fraught with danger, requiring courage, intellect, and unwavering determination. Friendships would be tested, fears confronted, and beliefs challenged. For within the heart of this mesmerizing tale lay a choice that could change everything - a choice between succumbing to the perils that lurked within the teacher or

embracing the power of knowledge and empathy to illuminate the darkness that surrounded them. Join us as we venture into the unknown, where every page turned reveals a new layer of intrigue and enchantment. Dare to explore the depths of *Peril In The Teacher: A Story*, a tale that will keep you on the edge of your seat until the final chapter unfolds, and all secrets are laid bare.

**Peril** Cole Steele,2020-10-22 Aurora Jeffries has been murdered. Her seemingly perfect marriage to a United States Ambassador might expose a double life she surely intended to keep secret. The details of which could possibly alter an already fragile geopolitical landscape inside Tanzania. If Hannah Darby hadn't skipped school, there wouldn't have been a witness to the crime. The hired assassin along with members of the Guild want her eliminated. Willow Darby must protect her daughter Hannah at every dangerous turn, from their quiet neighborhood, all the way into the depths of Washington DC in a quest for answers.

*Peril* Bob Woodward,Robert Costa,2023-01-03 The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened. Intimate scenes are supplemented with never-

before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making Peril an unparalleled history. It is also the first inside look at Biden's presidency as he began his presidency facing the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president.

The Crushing Depths (Coastal Guardians Book #2) Dani Pettrey, 2020-06-30 When an accident claims the life of an oil-rig worker on the first drilling platform off the North Carolina coast, Coast Guard investigators Rissi Dawson and Mason Rogers are sent to take the case. Tensions surrounding the oil rig are high and the death has everyone on edge. Environmental activists are threatening to do whatever it takes to stop the structure from being completed, while rumors are being whispered about ancient curses surrounding this part of the ocean. Mounting evidence shows the death may not have been an accident at all. Was he killed by one of the activists or, perhaps more frighteningly, a member of his own crew? Rissi and Mason have to sort through not only a plethora of suspects, but also their own past and attraction to each other. Just as the case seems like it'll break open, worse news arrives. A tropical storm has turned their way and soon they're cut off from any rescue--and right where the killer wants them. It's a race to discover his identity before he eliminates the threat they pose.

A Guide to Peril Strait and Wrangell Narrows, Alaska William Morgan Hopkins, 2020-04-15 Learning how to pilot a ship through Wrangell Narrows and Peril Strait is not an easy matter for a vessel operator new to the area, or even

for those with experience. It takes time, patience, and a certain appetite for risk. The older generation of captains knew the channels in great detail, but they did not write anything down to leave for the next generation coming up through the ranks. Recognizing the wealth of the knowledge these navigators possessed in their memories, William Hopkins decided to document their charts and methods as he himself learned to maneuver ships through these important and narrow southeastern Alaska channels. A now retired captain who logged many voyages, Hopkins delineates the navigable courses for passing these treacherous waterways in this essential guide.

Allegories for Psychotherapy, Teaching, and Supervision

Mark A. Kunkel, 2018-09-28 This book explores the practice of psychotherapy, teaching, and supervision via allegory, metaphor, and myth. Based upon the author's own extensive teaching and practice, Mark Kunkel takes the reader through a series of vignettes that are windows not only into reality, but also into the soul. The author's approach reflects his vocational commitment to an integration of conceptualization, affective involvement, and application. These allegories, parables, and myths serve to clarify and open important issues in teaching, psychotherapeutic, and clinical supervisory settings, and are intended to be allies in individual study and group discussion alike.

*The Depths* Nicole Lesperance, 2023-09-12 A tropical island full of secrets. Two Victorian ghosts, trapped for eternity. And a seventeen-year-old girl determined not to be next. Eulalie Island should be a paradise, but to Addie Spencer, it's more like a prison. Forced to tag along to the remote island on her mother's honeymoon, Addie isn't thrilled about being trapped there for two weeks. The island is stunning, with its secluded beaches and forests full of

white flowers. But there's something eerie and unsettling about the place. After Addie meets an enigmatic boy on the beach, all the flowers start turning pink. The island loves you, he tells her. But she can't stop sleepwalking at night, the birds keep calling her name, and there's a strange little girl in the woods who wants to play hide-and-seek. When Addie learns about two sisters who died on the island centuries ago, she wonders if there's more to this place, things only she can see. Beneath its gorgeous surface, Eulalie Island is hiding dark, tangled secrets. And if Addie doesn't unravel them soon, the island might never let her go.

*Peril in Paradise* Mark S. Whorton, 2005-10-25 A charge to people who believe that you must believe in a young earth to be a Christian.

*The Last Human* Raphael Ogbu, 2023-09-06 In a world marred by the shadows of its own ambitions, where power has mutated into a dangerous force and humanity teeters on the brink of extinction, emerges a tale that will send shivers down your spine and ignite your imagination. Welcome to the heart-pounding universe of *The Last Human: A Post-Apocalyptic Thriller*. Amidst the ruins of civilization, a clandestine meeting among shadowy figures unveils a global conspiracy that threatens to unleash deadly biological weapons upon a fractured world. The stage is set for an intense power struggle, a malevolent puppeteer orchestrating chaos from the shadows. But who is this enigmatic puppeteer, and what sinister motives drive their machinations? As the plot unfolds, you will be thrust into a relentless cat-and-mouse game that spans continents and dimensions. A fearless journalist stumbles upon corruption at the highest echelons of power, unwittingly plunging herself into a whirlwind of danger as she chases the truth behind a deadly plot. Amid the chaos, a brilliant scientist

receives an encrypted message, unraveling a web of deception that threatens everything he holds dear. His voice becomes a beacon of resistance, rallying citizens to rise against oppressors who have turned the world into a dystopian nightmare. The call for justice ignites a revolution that reverberates across borders, sending governments into a frenzy of desperation. With tensions mounting and allies emerging from unexpected corners, the stage is set for a cataclysmic confrontation that could rewrite the course of history. Amidst the turmoil, a journey unfolds beneath the waves, leading our protagonist into uncharted depths where peril and secrets lurk. As he navigates treacherous underwater landscapes, he stumbles upon evidence linking the puppeteer to an unspeakable act of sabotage. The world holds its breath as the revolutionaries' last stand approaches, orchestrated by the puppeteer's manipulative strings. In a shocking twist, the weapon is unleashed, its catastrophic aftermath painting a harrowing portrait of unchecked power. Amidst the chaos, survivors scramble for safety, while one man emerges from the depths of the sea, poised to confront a world forever transformed. As survivors band together to rebuild, Emmanuel's legacy becomes the guiding light that inspires a society rooted in unity, empathy, and the shared memory of their darkest days. But as new alliances form and the scars of history are etched into the landscape, the world grapples with the fragility of power and the strength of the human spirit. The Last Human: A Post-Apocalyptic Thriller weaves a spellbinding narrative of intrigue, betrayal, and redemption. With every turn of the page, you will be drawn into a world that mirrors your own uncertainties, urging us to contemplate the potential for both darkness and hope that resides within us all. Prepare to embark on a pulse-pounding journey that will keep you on the edge of your seat until the final,

breathhtaking climax.

*Peril at Somner House* Joanna Challis, 2010-10-26 After her adventures in *Murder on the Cliffs*, young Daphne du Maurier travels to a remote island off the coast of Cornwall to visit the estate of Lord and Lady Trevalyan. Somner House, enchanting amidst lush exotic wilderness and only a moment's walk to the sea, beguiles Daphne, but just as looming winter storms begin to envelop the island, the Lord is found murdered while the Lady is found in the arms of a lover. Even Daphne with her torrid imagination could not have dreamed that she would become ensnared in the vile, villainous schemes being hatched within the walls of Somner House—or that a handsome stranger would inspire her to plumb the depths of a great mystery.

**Captain's Peril** John Peel, William Shatner, Judith Reeves-Stevens, 2002-10-30 The Dominion War is over. The Federation is at peace. What better time for two legendary starship captains to set aside the demands of duty and simply take some well-deserved time off? But when James T. Kirk and Jean-Luc Picard arrive on Bajor to dive among the ruins of an ancient sunken city, conditions are far from what they had planned. The small group of scientists the captains have joined suddenly find their equipment sabotaged -- isolating them from Deep Space Nine™ and any hope of rescue -- as one by one, a murderer stalks them. Cut off from the people and technology on which they have always depended, Kirk and Picard must rely more than ever on their own skills and abilities, and their growing friendship, to solve the mysterious deaths and protect one of Bajor's greatest living treasures. At the same time, Kirk finds the events he and Picard struggle with are similar to one of the first challenges he faced as the new captain of the Starship Enterprise™, less than six months into his first five-year mission. Now, with time running out for a dying

child trapped in the scientists' camp, and Picard missing after a diving disaster, Kirk must search his memories of the past to relive one of his earliest adventures, propelling him into a harrowing personal journey that reveals the beginning of his path from young Starfleet officer to renowned legend, and the existence of a new and completely unsuspected threat to the existence of all life in the universe. From the breathtaking shores of Bajor's Inland Sea to the welcoming arms of a seductive and deadly alien commander intent on making Kirk her own, *Star Trek®*, *Captain's Peril* is the exciting new novel that spans space and time to present Captain Kirk's most personal, and most extreme, adventure yet.

**Queen of the Depths** Richard Lee Byers, 2012-11-20

The *Priests* series makes a great entry point for readers new to the *Forgotten Realms* setting. This book in the *Priests* series deals with a valiant shalarin priestess who is trying to save her home and avenge her mother's death. This series is designed to bring new readers into the world of the *Forgotten Realms*. The books can be read in any order.

**Skullsworn** Brian Staveley, 2017-04-25 Brian Staveley's

new standalone, *Skullsworn*, returns to the critically acclaimed *Chronicle of the Unhewn Throne* universe, following a priestess-assassin for the God of Death. "Brilliant." —V. E. Schwab, New York Times bestselling author From the award-winning epic fantasy world of *The Emperor's Blades...* Pyrre Lakatur is not, to her mind, an assassin, not a murderer—she is a priestess. At least, she will be once she passes her final trial. The problem isn't the killing. The problem, rather, is love. For to complete her trial, Pyrre has ten days to kill the seven people enumerated in an ancient song, including "the one who made your mind and body sing with love / who will not come again." Pyrre isn't sure she's ever been in love. And if

she fails to find someone who can draw such passion from her, or fails to kill that someone, her order will give her to their god, the God of Death. Pyrre's not afraid to die, but she hates to fail, and so, as her trial is set to begin, she returns to the city of her birth in the hope of finding love . . . and ending it on the edge of her sword. A complex and richly detailed world filled with elite soldier-assassins, mystic warrior monks, serpentine politics, and ancient secrets. —Library Journal, starred review, on *The Emperor's Blades Chronicle of the Unhewn Throne* *The Emperor's Blades* *The Providence of Fire* *The Last Mortal Bond* Other books in the world of the Unhewn Throne *Skullsworn* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Wherefore Art Thou, Jane? Jean James, Mary James, 2013-04-09 In the lush, primeval wilds along the Choctawhatchee River, even the stillness has depth. Those who venture in might believe they are unseen, but nature has many eyes and all trespassers invite risk JANE PATE, raggle-taggle photographer, writer, and reptile collector, considers the remote areas of nature her personal stomping grounds. The risk fits her as comfortably as her garfish-and-guava-seeds existence. It is only after she meets REGINALD FAIRCLOTH, her inquisitive, interfering, English-gentleman publisher, that the word risk takes on new meaning. When complications of lethal magnitude further invade her life, she bungles further and further into the depths of peril--deep into a creeping, slithering world where it is one strike and you are out.

*Peril at Sea* Jim Gibbs, 1986 Around the shores of the Pacific Ocean, along the western coastline of California, Oregon, Washington, British Columbia and Alaska, lie the remains of legions of vessels of every description and every flag. Some lie buried in the depths, never to be found.

Others lie as twisted remains along the beaches or entombed down in the sands. Still others have been completely eradicated by the forces of nature. A few carried treasure; some have been recovered but most never will be. Though the greatest treasure has been discovered along the Caribbean and eastern seaboard, most of it was originally lost there while much of the Pacific lay undiscovered. The Pacific rim may yet yield finds of fabulous value. These ideas and many others are explored in Jim Gibbs' most recent book, *Peril at Sea*. This is a fascinating work on peril at sea and the continuing battle of man against the elements. Each chapter is an accurate chronicle by location of the ships and their sailors who met fateful ends along the Pacific Coastline.

**Those in Peril** Wilbur Smith, 2018-01-01 THE FIRST IN THE GRIPPING ACTION-PACKED HECTOR CROSS SERIES, FROM WILBUR SMITH. PERFECT FOR FANS OF BOURNE AND LEE CHILD'S JACK REACHER SERIES. Some debts can only be paid in blood . . . When Hazel Bannock, billionaire oil tycoon, discovers her daughter has been kidnapped by Al Qaeda pirates just off the coast of Somalia, she uses all the power at her disposal to rescue her daughter - but politics and diplomacy fail her at every turn. Her only hope is Hector Cross, an expert in surveillance, infiltration and combat. For all Hazel's connections and wealth, Cross is the one man who is offering to find her daughter. Hazel and Cross must work together to bring Cayla home, but neither of them realises that the kidnappers are not merely interested in ransom - what they have planned is far, far worse . . . The first Hector Cross thriller. Book 2 in the series, *Vicious Circle*, is out now in paperback and ebook. REVIEWS 'Those in Peril has much to recommend it . . . if you like your action plain, graphic and simple yet never entirely predictable, Smith will satisfy' - Sunday Express

Yvala C. L. Moore, 2011-12-10 Northwest Smith gets a new client who draws him into the jungle and the web of Yvala...Excerpt Northwest Smith leaned against a pile of hemp-wrapped bales from the Martian drylands and stared with expressionless eyes, paler than pale steel, over the confusion of the Lakkdarol space-port before him. In the clear Martian day the tatters of his leather spaceman's garb were pitilessly plain, the ray-burns and the rents of a hundred casual brawls. It was evident at a glance that Smith had fallen upon evil days. One might have guessed by the shabbiness of his clothing that his pockets were empty, the charge in his ray gun low. Squatting on his heels beside the lounging Earthman, Yarol the Venusian bent his yellow head absently over the thin-bladed dagger which he was juggling in one of the queer, interminable Venusian games so pointless to outsiders. Upon him too the weight of ill fortune seemed to have pressed heavily. It was eloquent in his own shabby garments, his empty holster. But the insouciant face he lifted to Smith was as careless as ever, and no more of weariness and wisdom and pure cat-savagery looked out from his sidelong black eyes than Smith was accustomed to see there. Yard's face was the face of a seraph, as so many Venusian faces are likely to be, but the set of his mouth told a tale of dissoluteness and reckless violence which belied his features' racial good looks. Another half-hour and we eat, he grinned up at his tall companion. Smith glanced at the tri-time watch on his wrist. If you haven't been having another dope dream, he grunted. Luck's been against us so long I can't quite believe in a change now. By Pharol I swear it, smiled Yarol. The man came up to me in the New Chicago last night and told me in so many words how much money was waiting if we 'd meet him here at noon. Smith grunted again and deliberately took up another notch in the belt that circled his lean waist. Yarol

laughed softly, a murmur of true Venusian sweetness, as he bent again to the juggling of his knife. Above his bent blond head Smith looked out again across the busy port.
