Beneath the Black Palms Nolan Knight, 2022-09-26 Beneath the Black Palms lurks the other side of living. Los Angeles—the siren, the beast—is the central antagonist within these eleven masterful, stylistically-diverse short stories. Nolan Knight maneuvers the City to destroy with open arms, its warm torments ushered for lonesome dreamers, outcasts, squares, con men and have-nots. A couple on the run fouls-up by taking refuge in a Mid-City roach motel; a gambler scrambles to save his life through a gauntlet of loan sharks; a young gang member's dream of becoming a famous T.V. chef are dashed by turf warfare; these sordid tales and more await. Come for the sunshine, stay for the dread. No one is spared Beneath the Black Palms, the most unforgettable short story collection in recent years. Praise for Nolan Knight: "Knight's slangy prose is a perfect fit for characters whose dreams die slowly or explosively." —Publishers Weekly "The Neon Lights Are Veins is a dope-fueled gutter-punk odyssey through a gaudy nightmare version of Los Angeles. With echoes of James Ellroy and Nathanael West, Knight carves out his own bit of L.A. crime-writing turf in this impressive debut." —Richard Lange, author of Rovers, Dead Boys, This Wicked World, Angel Baby, Sweet Nothing and The Smack "Nolan Knight is at the forefront of Hard-Ass-Noir. He's the mad hatter of words and dark moody storytelling. He's a creative crime-pugilist!" —Frank Bill, author of Crimes in Southern Indiana, Donnybrook and The Savage "Nolan Knight has written a dark, dirty and entertaining sewer ride through the neon-lit streets of Los Angeles. Imagine Nathanael West and Darby Crash writing a twenty-first century noir and you've got The Neon Lights Are Veins. Highly recommended." —Jim Ruland, author of Corporate Rock Sucks: The Rise and Fall of SST Records, Forest of Fortune, My Damage: The Story of a Punk Rock Survivor and Do What You Want: The Story of Bad Religion "High action. Very fast paced. A great read. Highly Recommended." —S.W. Lauden, author of Bad Citizen Corporation, Grizzly Season and Hang Time "Nolan Knight's The Neon Lights Are Veins is unlike anything I've read before (and that's saying something!). The novel's story is a fast-paced mystery and caper, dragging the reader through the underbelly of the Los Angeles night, but most impressive is Knight's style: in your face and no-holds-barred." —Steph Post, author of A Tree Born Crooked, Lightwood, Holding Smoke and Miraculum "Hardboiled as all get out—no noir devotee will want to." —Barry Gifford "Nolan Knight is at the forefront of Hard-Ass-Noir. He's the mad hatter of words and dark moody storytelling. He's a creative crime-pugilist!" —Frank Bill, author of Crimes in Southern Indiana, Donnybrook and The Savage "Amazing, beautiful, heartbreaking work." —Allison Anders, writer/director of Gas Food Lodging, Border Radio, Mi Vida Loca and Grace of My Heart

Love Is For Young Girls Only Ting ZhuoYuDeXiLi, 2020-06-09 My name is Qiao Weiwei and I come from a small town. My family is quite poor, so studying in this big city is naturally very difficult. However, my figure is very good. With this hard condition, under the introduction of my dorm mate Du Xiaoxiao, I started to work part-time as a Taobao model. However, the boss was very lustful and often ate tofu. After witnessing the relationship between Du Xiaoxiao and the boss, when I was about to resign, I received a call from home. Dad was sick and needed a lot

of surgery fees. Du Xiaoxiao and I drew 30,000 yuan, but it was still far from enough. The next day, the boss tried to molest me while I was changing my clothes. I smashed him with an ashtray and escaped into the elevator, meeting the CEO of Tulip's Kiss, Chu Haocheng helped me settle the boss. I was brought back to the company by his bodyguard.

Understanding ADHD in Girls and Women Joanne Steer,2021-04-21 Written by expert professionals, this book provides comprehensive information about available support for women and girls with ADHD and tips for clinicians and professionals who work with them. The symptoms of ADHD are no less impairing in females than males, but can be missed or misunderstood. This book arms professionals, parents, and women themselves as it maps out where to go for information, who can help and how to understand ADHD better. It explains routes to assessment and diagnosis for girls and young women, how to access support in education, available treatments, and the impact of living with ADHD on overall mental health. It explores the benefits of ADHD coaching for girls to help develop their unique strengths and talents. There is also a focus on ADHD diagnosis for women in adulthood and specific advice about treatment and medication for later in life. Central to the book are the personal experiences of ADHD from women and girls from a variety of backgrounds. These tell of late diagnosis, missed opportunities, a lifetime of adaptations and the power of recognition and treatment and are powerful stories for professionals and individuals with ADHD alike.

7½ Cents Richard Bissell,1953 This is a rollicking romp about employees in the Sleep Tite Pajama Factory who are about to strike for a 7½ cent raise. Wisecracking dialogue and dry wit abound. 7½ Cents was adapted by Richard Bissell and George Abbott for the Broadway musical success The Pajama Game.

You Wouldn't Want to be a Victorian Schoolchild! John Malam,2021-02-01 You are a Victorian schoolchild. Growing up in Britain in the 1880s wasn't easy. For a young child in school the going is tough and the punishments are hard. This title in the best-selling children's history series, You Wouldn't Want To..., features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like as a Victorian schoolchild. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young

readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

Atlantic Warriors Georgina Hunter-Jones, 2002-10 When Carrie Nordsuitlaan's third husband dies, in a helicopter crash in the South African velt, she discovers he has sold their house to pay for his flying business. The only asset she has left in the world is a Piper Warrior aircraft, based in Florida. Carrie determines to learn to fly and go and fetch the plane, bringing it back to England where she is sure she will be able to sell it. However, as she soon discovers, while it is easy to learn to fly, it is not so easy to bring the single engine plane back across the Atlantic, so she hires a co-pilot, the notorious Irishman Kieran O'Toole, known for his dubious exploits. As the ill-matched pair travel up the Eastern Seaboard and into Greenland and Iceland in the small plane they discover that Captain Norduitlaan was not the man he seemed to his wife, that his business affairs were extremely dodgy and that she is in a lot more trouble than she realised. However, she also discovers a love of flying that changes her life.

Maxwell's Retirement M. J. Trow, 2014-06-19 For Peter 'Mad Max' Maxwell, the only mystery that has arisen so far this year at Leighford High is the question of how to use a computer. The 'dinosaur' Head of Sixth Form just cannot get to grips with technology, and doesn't see the need to know how to send a text or an email, when a simple note or phone call will suffice. However, it soon becomes vital that he learns when some of his female pupils begin to receive strange and threatening messages, with the anonymous sender claiming to know intimate details about the girls' personal lives. Then Max starts to receive messages too, and two of the girls go missing. When a body is found it seems that the prank has taken a sinister turn. And Mad Max may well be the next target. With his job under threat from the ambitious IT technician, Nicole, and the formidable Pansy Donaldson, as well as facing increasing pressure from his wife to retire, will Max manage to crack the case? Or is the chance of him reaching retirement looking more unlikely by the day?
