United States. Dept. of State

The Easter Parade Richard Yates,2014-07-29 In The Easter Parade, first published in 1976, we meet sisters Sarah and Emily Grimes when they are still the children of divorced parents. We observe the sisters over four decades, watching them grow into two very different women. Sarah is stable and stalwart, settling into an unhappy marriage. Emily is precocious and independent, struggling with one unsatisfactory love affair after another. Richard Yates's classic novel is about how both women struggle to overcome their tarnished family's past, and how both finally reach for some semblance of renewal.

**Wacky Waving Inflatable Tube Guy** Conor Riordan,2018-10-02 The very first of its kind, this miniature Wacky Waving Inflatable Tube Guy is the perfect desktop companion, tiny marketing tool, or hilarious gift! Finally, the joyous dancing tube man -- who's been featured everywhere from Ricky Martin's stage to Broad City -- is available in a tiny, desk-friendly size. This box includes: An 18-inch waving tube man with fan in base to make him dance, wiggle, and shake just like the real thing (batteries not included) A 32-page mini book exploring the larger than life (and utterly surprising!) origins of everyone's favorite flailing arm man PLEASE NOTE: This product can be powered by a 9-volt battery or by a specific AC adapter. (Battery nor AC adapter included with purchase.) Please read and follow the instructions included in the box to ensure optimal performance. If using a battery: A rechargeable Ni-MH battery is recommended for best performance and is a more cost-effective alternative to a common Alkaline (single-use) battery. If using an Alkaline battery, it must be NEW and preferably a PREMIUM brand. DO NOT use a Carbon-Zinc battery (often labeled Heavy-Duty). This type of battery cannot produce enough power to operate the motor. To get the most life out of the battery, use in intervals no greater than 5 to 10 minutes. Operating in this manner will yield approximately 45 minutes of use. If your tube guy begins to get stuck in a downward position, it is time to replace the battery or recharge if using a rechargeable battery. If using an AC adapter, it must follow the below specifications: Input: AC 100-240V (50-60 Hz) Output: DC 9V (1A or 2A)

The Mark Tim LaHaye,Jerry B. Jenkins,2011-03 An evil world leader proclaims himself the Antichrist, drawing up plans to mark all human beings, but the members of the Tribulation Force are determined to stop him.

**The Book of Nightmares** Galway Kinnell,1971 A book-length poem evokes the horror, anguish, and brutality of 20th century history.

**The Accomplice** Joseph Kanon,2020-08-04 Named “The Book of the Year” by Lee Child in The Guardian From “master of the genre” (The Washington Post) and author of Leaving Berlin, a heart-pounding and intelligent espionage novel about a Nazi war criminal who was supposed to be dead, the rogue CIA agent on his trail, and the beautiful woman connected to them both. Seventeen years after the fall of the Third Reich, Max Weill has never forgotten the atrocities he saw as a prisoner at Auschwitz—nor the face of Dr. Otto Schramm. He was the camp doctor who worked with Mengele on appalling experiments and who sent Max’s family to the gas chambers. As the war came to a close, Schramm was one of the many high-ranking former-Nazi officers who managed to escape Germany for new lives in South America, where leaders like Argentina’s Juan Perón gave them safe harbor and new identities. With his life nearing its end, Max asks his nephew Aaron Wiley—an American CIA desk analyst—to complete the task Max never could: to track down Otto in Argentina, capture him, and bring him back to Germany to stand trial. Unable to deny his uncle, Aaron travels to Buenos Aires and discovers a city where Nazis thrive in plain sight, mingling with Argentine high society. He ingratiates himself with Otto’s alluring but damaged daughter, whom he’s convinced is hiding her father. Enlisting the help of a German newspaper reporter, an Israeli agent, and the obliging CIA station chief in Buenos Aires, he hunts for Otto—a complicated monster, unexpectedly human but still capable of murder if cornered. Unable to distinguish allies from enemies, Aaron will ultimately have to discover just how far he is prepared to go to render justice. “With his remarkable emotional precision and mastery of tone” (Kirkus Reviews, starred review), Joseph Kanon crafts another “gripping and authentic” (The New York Times Book Review) thriller that you won’t be able to put down.

**After Disruption** Trevor Owens,2024-05-06 The digital age is burning out our most precious resources and the future of the past is at stake. In After Disruption: A Future for Cultural Memory, Trevor Owens warns that our institutions of cultural memory—libraries, archives, museums, humanities departments, research institutes, and more—have been “disrupted,” and largely not for the better. He calls for memory workers and memory institutions to take back control of envisioning the future of memory from management consultants and tech sector evangelists. After Disruption posits that we are no longer planning for a digital future, but instead living in a digital present. In this context, Owens asks how we plan for and develop a more just, sustainable, and healthy future for cultural memory. The first half of the book draws on critical scholarship on the history of technology and business to document and expose the sources of tech startup ideologies and their pernicious results, revealing that we need powerful and compelling counter frameworks and values to replace these ideologies. The second half of the book makes the case for the centrality of maintenance, care, and repair as interrelated frameworks to build a better future in which libraries, archives, and museums can thrive as sites of belonging and connection through collections.
