The Everything Guide to Remote Work Jill Duffy, 2022-02-08 Discover the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now, both employers and employees find that the remote work they were forced to adjust to may be, well, better—financially, sustainably, and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work/life balance, and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team, or dream of living a digital nomad lifestyle, The Everything Guide to Remote Work has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle.

Everyday Project Management Jeff Davidson, 2019-09-03 "Everyday Project Management is a practical guide for anyone new or needing to learn more about project management. Unlike many other books, it does not rely on arcane concepts and terms, and simply tells it like it is." –Todd C. Williams, President of eCameron, Inc., and author of Filling Execution Gaps and Rescue the Problem Project Everyday Project Management provides the direction you need to apply project management's time-tested tools for keeping things on time and under budget. It introduces the wide variety of tasks you will have to tackle, including assembling a team, mapping out a plan, monitoring progress, keeping your team motivated, and using appropriate planning tools, such as project management software

or wall charts. In addition, you'll gain a clearer picture of the project manager's role in the conception, planning, execution, control, and completion of a project. Each chapter offers essential bite-sized nuggets of wisdom that will help you succeed, outlining the kinds of challenges you'll encounter, the interpersonal issues that will arise, and ways to stay on time and on budget in pursuit of the desired quality outcome. You'll learn how Gantt charts can keep your project on schedule, how the critical path method can be used to conserve resources, and how to juggle multiple projects, bosses, and reporting structures. Whether you are managing one project or many, this quick and easy guide to the tasks, tools, and skills of project management will carry you from project launch to project completion. Most importantly, you will learn why having a work-life balance is vital to project managers who seek long and prosperous careers.
