The Very 1st Christmas Tree Stacey Schouest,2011-09-29 Timid and small, Little Scotch Pine never imagined the plans that God had for his little tree life. Admiring the big trees in the valley, Little Scotch Pine said a prayer: Dear God, please help me to grow up to be big and strong and to one day be an important tree. Amen. Travel with Little Scotch as his journey leads him to a surprising and unexpected event that will change his little tree life forever!

Shabby Chic Rachel Ashwell,2012-02-21 Valuable flea market finds... A peeling, antique vanity in muted sea green... An elegant, cracked chandelier... An enormous, slipcovered sofa with deep,

cushions... Comfort, the beauty of imperfections, the allure of time-worn objects, and the appeal of simple practical living: these are the cornerstones of what has come to be known as the Shabby Chic style. Like the cozy familiarity of a well-worn pair of faded jeans, the dilapidated elegance of an Italian villa, or the worn grandeur of faded velvets and mismatched floral china handed down from your grandmother's attic, the Shabby Chic style is a revived appreciation for what is used, well-loved, and worn. It is a respect for natural evolution and a regard for what is easy and sensible. The hundreds of lavish photographs in this book invite you inside the unique world of Shabby Chic. Rachel Ashwell, founder of the Shabby Chic home decor stores, for the first time provides her invaluable and much-sought-after advice on how to re-create Shabby Chic style in your own home. With engaging text and easy-to-follow instructions, Rachel details the Shabby Chic basics in a way that will put even the most apprehensive or novice decorators at ease. From flowers to fabrics to lighting, Rachel illuminates all of the elements essential to this unpretentious yet truly exquisite style. A behind-the-scenes look at a flea market lets readers in on Rachel's personal secrets of how to cull hidden treasures from flea market trash--an old trunk, its paint peeling around the edges, can be given new life as a coffee table, while a chipped white iron salvage piece becomes the perfect frame for a vintage mirror. This book tells you not only how to restore these pieces but how to find the perfect place for them in your home. Gorgeous color photographs and accompanying text reveal how this relaxed look works with a variety of different styles, from Victorian to Mediterranean to contemporary.

The Christmas Tree Jennifer Johnston, 2014-10-30 A perennial classic, THE CHRISTMAS TREE by Jennifer Johnston is the story of of love, legacy, and coming to terms with death. 'It is difficult to

convey the marvellous quality of this book' Daily Telegraph Constance Keating has lived a life of internal exile, alienated from her family and from Ireland. Now she has returned to her family home to die. While that painful, messy process takes place she replays, like a home movie, the fragments of her past. And, as the festooned Christmas tree awaits its day, so Constance also waits, hoping her child's father will come and that the final outcome will be on her terms.

Christmas at Highclere The Countess of Carnarvon, 2019-09-05 Highclere Castle, known as 'the real Downton Abbey' bustles with activity at the best of times, but it is never more alive than at Christmas. Christmas at Highclere is a look behind the scenes at the routines and rituals that make the castle the most magical place to be throughout the festive season. Lady Carnarvon will guide you through Advent, Christmas preparations and Christmas Eve all the way through to the day itself, and beyond. Learn how the castle and grounds are transformed by decorations, including the raising of a twenty-foot tree in the saloon, the gathering of holly and mistletoe from the grounds. All the intricacies of the perfect traditional Christmas are here: from crackers and carol singers. The festive feeling is carried through to Highclere's Boxing Day traditions, the restorative middle days and the New Year's Eve celebrations. This book also tells the story of historic Christmases at Highclere - of distinguished guests warming themselves by the fire after a long journey home through the snow, unexpected knocks on the door, and, always, the joy of bringing family - and staff - together after a busy year. As well as telling the stories of Highclere Christmases past and present, Lady Carnarvon provides recipes, tips and inspiration from her kitchen so that readers can bring a quintessentially British festive spirit to their own home. Lady Carnarvon divulges the secret to perfectly flakey mince pies, the proper way to wrap presents so that you and your guests are guaranteed a Christmas to remember. Lavish, celebratory and utterly enchanting, Christmas at Highclere is celebration of one of

the UK's most beloved historic houses and is the perfect gift for any Downton Abbey fan.
