Home in the Woods Eliza Wheeler, 2019-10-01 This stunningly beautiful picture book from New York Times bestselling author-illustrator Eliza Wheeler is based on her grandmother's childhood and pays homage to a family's fortitude as they discover the meaning of home. Eliza Wheeler's gorgeously illustrated book tells the story of what happens when six-year-old Marvel, her seven siblings, and their mom must start all over again after their father has died. Deep in the woods of Wisconsin they find a tar-paper shack. It doesn't seem like much of a home, but they soon start seeing what it could be. During their first year it's a struggle to maintain the shack and make sure they have enough to eat. But each season also brings its own delights and blessings--and the children always find a way to have fun. Most importantly, the family finds immense joy in being together, surrounded by nature. And slowly, their little shack starts feeling like a true home--warm, bright, and filled up with love.

*Global Trends 2040* National Intelligence Council, 2021-03 The ongoing COVID-19 pandemic marks the most significant, singular global disruption since World War II, with health, economic, political, and security implications that will ripple for years to come. -Global Trends 2040 (2021) *Global Trends 2040-A More Contested World* (2021), released by the US National Intelligence Council, is the latest report in its series of reports starting in 1997 about megatrends and

the world's future. This report, strongly influenced by the COVID-19 pandemic, paints a bleak picture of the future and describes a contested, fragmented and turbulent world. It specifically discusses the four main trends that will shape tomorrow's world: - Demographics-by 2040, 1.4 billion people will be added mostly in Africa and South Asia. - Economics-increased government debt and concentrated economic power will escalate problems for the poor and middleclass. - Climate-a hotter world will increase water, food, and health insecurity. - Technology-the emergence of new technologies could both solve and cause problems for human life. Students of trends, policymakers, entrepreneurs, academics, journalists and anyone eager for a glimpse into the next decades, will find this report, with colored graphs, essential reading.

**Rules We're Meant to Break** Natalie Williamson,2019-06-11 Honest and full of heart, this clever contemporary romance debut deftly combines utterly relatable family drama with all the sweetness and uncertainty that comes with falling in love. Rule #1: Don't get attached. Amber lives by strict rules to survive her mother's love life: Always keep your eyes on the horizon and never get close to anyone connected to Mom's boyfriends. But after they move in with Kevin, the latest of her mom's "soul mates," the rules become increasingly difficult to follow. Kevin's daughter, Cammie, keeps acting like Amber's friend, even though she's definitely not. And Jordan—star basketball player, hottest boy in school, and Cammie's best friend—keeps showing up at the most inconvenient moments. Amber has reasons for every one of her rules, and following them is the only way to protect her heart when her mom inevitably moves on. But as she spends more time with Kevin, his daughter, and especially Jordan, she starts to wonder if the rules might be worth breaking this time. Chosen by readers like you for Macmillan's young adult imprint Swoon Reads, *Rules We're Meant to Break* is a charming, heartachingly real story of family and young love by debut author Natalie Williamson. Praise for *Rules We're Meant to Break*: Vibrant and funny and completely relatable. ... The perfect read for anyone wanting to be swept away. —Danielle Stinson, author of *Before I Disappear* *Rules We're Meant to Break* is one of those young adult contemporaries that I truly resonated with... What an amazing debut! I cannot wait to see what Natalie Williamson writes next! —The Write Kind of Love

*The Art and Making of The Expanse* Titan Books,2019-11-26 Official companion book to the hugely successful TV series, showcasing spectacular concept art and candid behind-the-scenes photography, accompanied by quotes from the showrunners. *The Expanse* is a modern TV revelation. Adapted from the hugely popular novels by James S. A. Corey, this Hugo Award-winning story of conspiracy, adventure and intrigue in a galaxy tearing itself apart through civil war has captivated audiences worldwide with its high-concept vision of the future. *The Art and Making of The Expanse* goes behind the scenes of the first three seasons of the show, exploring how the bestselling books were turned into one of the most highly regarded science fiction TV series of the 21st century. Packed with stunning concept art and compelling photography, the cast, crew and creators reveal the ideas, processes, inspirations and obstacles behind the making of this massively popular series.

**The Reverse Coloring Book™** Kendra Norton,2021-08-31 Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in *The Reverse Coloring Book* has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that

the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. The Reverse Coloring Book includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

**Indistractable** Nir Eyal, 2019-09-10 Indistractable provides a framework that will deliver the focus you need to get results. —James Clear, author of Atomic Habits If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice. —Jonathan Haidt, author of The Righteous Mind National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in The Amazon Book Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become indistractable? International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing Hooked, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In Indistractable, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. Indistractable reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: • Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it • What really drives human behavior and why time management is pain management • Why your relationships (and your sex life) depend on you becoming indistractable • How to raise indistractable children in an increasingly distracting world Empowering and optimistic, Indistractable provides practical, novel techniques to control your time and attention—helping you live the life you really want.

*Risen Motherhood (Deluxe Edition)* Emily Jensen, Laura Wifler, 2022-10-25 THIS HIGHLY GIFTABLE DELUXE EDITION OF THE BESTSELLER INCLUDES THREE ALL-NEW CHAPTERS Motherhood is hard. In a world of five-step lists and silver-bullet solutions to become perfect parents, mothers are burdened with mixed messages about who they are and what choices they should make. If you feel pulled between high-fives and hard words, with culture's solutions only raising more questions, you're not alone. But there is hope. You might think that Scripture doesn't have much to say about the food you make for breakfast, how you view your postpartum body, or what school choice you make for your children, but a deeper look reveals that the Bible provides the framework for finding answers to your specific questions about modern motherhood. Emily Jensen and Laura Wifler help you understand and apply the gospel to common issues moms face so you can connect your Sunday morning faith to the Monday morning tantrum. Discover how closely the gospel connects with today's motherhood. Join Emily and Laura as they walk through the redemptive story and reveal how the gospel applies to your everyday life, bringing

hope, freedom, and joy in every area of motherhood.

**My Bright Abyss** Christian Wiman,2013-04-02 A poet and a man of strong Christian faith meditates on life, death and being an artist after being diagnosed with a rare form of cancer and describes how he dealt with the creeping doubts and the increasing pain. 40,000 first printing.

WHO Guidelines on Hand Hygiene in Health Care World Health Organization,2009 The WHO Guidelines on Hand Hygiene in Health Care provide health-care workers (HCWs), hospital administrators and health authorities with a thorough review of evidence on hand hygiene in health care and specific recommendations to improve practices and reduce transmission of pathogenic microorganisms to patients and HCWs. The present Guidelines are intended to be implemented in any situation in which health care is delivered either to a patient or to a specific group in a population. Therefore, this concept applies to all settings where health care is permanently or occasionally performed, such as home care by birth attendants. Definitions of health-care settings are proposed in Appendix 1. These Guidelines and the associated WHO Multimodal Hand Hygiene Improvement Strategy and an Implementation Toolkit (<http://www.who.int/gpsc/en/>) are designed to offer health-care facilities in Member States a conceptual framework and practical tools for the application of recommendations in practice at the bedside. While ensuring consistency with the Guidelines recommendations, individual adaptation according to local regulations, settings, needs, and resources is desirable. This extensive review includes in one document sufficient technical information to support training materials and help plan implementation strategies. The document comprises six parts.

**Walls** Florence De Dampierre,2011 Uses color photographs and text to showcase some of the best decorative wall designs from around the world.

**The Funny Little Woman** Arlene Mosel,1993-02-14 In this Caldecott Medal-winning tale set in Old Japan, a lively little woman who loves to laugh pursues her runaway dumpling—and must outwit the wicked three-eyed oni when she lands in their clutches. “The pictures are in perfect harmony with the humorous mood of the story. . . . It’s all done with a commendable amount of taste, imagination, and style.”—School Library Journal (starred review) “A beautifully convincing tale.”—The New York Times Book Review “Using elements of traditional Japanese art, the illustrator has made marvelously imaginative pictures.”—The Horn Book “Lent’s pictures are a lively blend of finely detailed, delicate drawings and rip-roaring good humor.”—The Boston Globe “A good read-aloud with lots of suspense.”—Learning Awards: ALA Notable Children’s Book Child Study Association Book of the Year The Horn Book Fanfare

**The Very Hungry Caterpillar** Eric Carle,2016-11-22 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle’s The Very Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

**Wintering** Katherine May,2020-11-10 A NEW YORK TIMES BESTSELLER! AS HEARD ON NPR MORNING EDITION AND ON BEING WITH KRISTA TIPPETT “Katherine May opens up exactly what I and so many need to hear but haven’t known how to name.” —Krista Tippett, On Being “Every bit as beautiful and healing as the season itself. . . . This is truly a beautiful book.” —Elizabeth Gilbert Proves that there is grace in letting go, stepping back and giving yourself time to repair in the dark...May is a clear-eyed observer and her language is steady, honest and accurate—capturing the sense, the beauty and

the latent power of our resting landscapes. —Wall Street Journal An intimate, revelatory book exploring the ways we can care for and repair ourselves when life knocks us down. Sometimes you slip through the cracks: unforeseen circumstances like an abrupt illness, the death of a loved one, a break up, or a job loss can derail a life. These periods of dislocation can be lonely and unexpected. For May, her husband fell ill, her son stopped attending school, and her own medical issues led her to leave a demanding job. *Wintering* explores how she not only endured this painful time, but embraced the singular opportunities it offered. A moving personal narrative shot through with lessons from literature, mythology, and the natural world, May's story offers instruction on the transformative power of rest and retreat. Illumination emerges from many sources: solstice celebrations and dormice hibernation, C.S. Lewis and Sylvia Plath, swimming in icy waters and sailing arctic seas. Ultimately *Wintering* invites us to change how we relate to our own fallow times. May models an active acceptance of sadness and finds nourishment in deep retreat, joy in the hushed beauty of winter, and encouragement in understanding life as cyclical, not linear. A secular mystic, May forms a guiding philosophy for transforming the hardships that arise before the ushering in of a new season.

**Goodnight Everyone** Chris Haughton,2021-07-06 From the creator of *Shh! We Have a Plan* comes a mesmerizing bedtime tale of a forest settling into slumber and one little bear trying to stay awake. The sun is setting, and everyone in the forest is getting sleepy. The mice, rabbits, and deer all give great big yawns as they snuggle up with their families for the night. But someone isn't sleepy just yet. Little Bear thinks he can stay awake a bit longer. Can he do it? Chris Haughton's bold and vibrant illustrations will captivate little ones eager to stay up just a teeny bit longer, while sweet depictions of animals cozying up in their beds for the night will soon have them yawning off to a dreamland of their own.

**Free Culture** Lawrence Lessig,2015-11-13 How big media uses technology and the law to lock down culture and control creativity. Free Culture is an entertaining and important look at the past and future of the cold war between the media industry and new technologies. - Marc Andreessen, cofounder of Netscape. Free Culture goes beyond illuminating the catastrophe to our culture of increasing regulation to show examples of how we can make a different future. These new-style heroes and examples are rooted in the traditions of the founding fathers in ways that seem obvious after reading this book. Recommended reading to those trying to unravel the shrill hype around 'intellectual property.' - Brewster Kahle, founder of the Internet Archive. The web site for the book is <http://free-culture.cc/>.
