Conversation Analytic Perspectives on English Language Learning, Teaching and Testing in Global Contexts Hanh thi Nguyen, Taiane Malabarba, 2019-02-26 This edited volume brings together 10 cutting-edge empirical studies on the realities of English language learning, teaching and testing in a wide range of global contexts where English is an additional language. It covers three themes: learners' development of interactional competence, the organization of teaching and testing practices, and sociocultural and ideological forces that may impact classroom interaction. With a decided focus on English-as-a-Foreign-Language contexts, the studies involve varied learner populations, from children to young adults to adults, in different learning environments around the world. The insights gained will be of interest to EFL professionals, as well as teacher trainers, policymakers and researchers.

The Poetry of Cao Zhi Robert Joe Cutter, 2021-03-22 This book provides a translation of the complete poems and fu of Cao Zhi (192–232), one of China's most famous poets. Cao Zhi lived during a tumultuous age, a time of intrepid

figures and of bold and violent acts that have captured the Chinese imagination across the centuries. His father Cao Cao (155–220) became the most powerful leader in a divided empire, and on his death, Cao Zhi's elder brother Cao Pi (187–226) engineered the abdication of the last Han emperor, establishing himself as the founding emperor of the Wei Dynasty (220–265). Although Cao Zhi wanted to play an active role in government and military matters, he was not allowed to do so, and he is remembered as a writer. The Poetry of Cao Zhi contains in its body one hundred twenty-eight pieces of poetry and fu. The extant editions of Cao Zhi's writings differ in the number of pieces they contain and present many textual variants. The translations in this volume are based on a valuable edition of Cao's works by Ding Yan (1794–1875), and are supplemented by robust annotations, a brief biography of Cao Zhi, and an introduction to the poetry by the translator.
