Joe Callihan

Further Adventures of "Dirty Joe" Callihan Joe Callihan, 2016-05-03 A self-made Crazy Irishman who was and is fearless on bringing bad guys to justice. Author Joe Callihan is a man who's placed a high value on his integrity, and when he will, and will not tolerate from jerks (such as thieves). Because this is true, and is a part of Joe's character flaws (possessing a demand for honesty); the kinds of adventures you will read about in this book really were encountered by the author during the course of his experiences in retail sales management, and in his personal life. The Adventures of Dirty Joe Callihan, along with Further Adventures, just as Adventures in Navyland, speak volumes of a well lived life. It is the author's hope, these adventures will not only excite, but also will stimulate within each reader, a sense of right and wrong; with the emphasis on what a joy it is doing what is right - fearlessly.

The Adventures of "Dirty Joe" Callihan Joe Callihan, 2011-06-18 This book relates true stories of adventures, both dangerous and humorous, which I encountered while working in the convenience store business. It also tells about some of the characters I have had to deal with in my retail sales career. Having received the nickname of Dirty Joe early on, I have tried to live up to the image it represents. Having said that, this book may surprise you as to what the word Dirty means. I am certain this book will provide an inexpensive and enjoyable reading experience for every reader.

Delphy Rose Tina Cathleen MacNaughton, 2023-05-28 Delphy Rose spent her student days gigging with local alternative band, The Thistles, in the fictional seaside town of Cowlington. A chance reunion with former bass player, Ben, hurls her back to the past.

The Lone Ranger and Tonto Fistfight in Heaven Sherman Alexie, 2013-10-15 Sherman Alexie's darkly humorous story collection weaves memory, fantasy, and stark reality to powerfully evoke life on the Spokane Indian Reservation. The twenty-four linked tales in Alexie's debut collection—an instant classic—paint an unforgettable portrait of life

on and around the Spokane Indian Reservation, a place where “Survival = Anger x Imagination,” where HUD houses and generations of privation intertwine with history, passion, and myth. We follow Thomas Builds-the-Fire, the longwinded storyteller no one really listens to; his half-hearted nemesis, Victor, the basketball star turned recovering alcoholic; and a wide cast of other vividly drawn characters on a haunting journey filled with humor and sorrow, resilience and resignation, dreams and reality. Alexie’s unadulterated honesty and boundless compassion come together in a poetic vision of a world in which the gaps between past and present are not really gaps after all. The basis for the acclaimed 1998 feature film *Smoke Signals*, the Chicago Tribune noted, “The Lone Ranger and Tonto Fistfight in Heaven . . . is for the American Indian what Richard Wright’s *Native Son* was for the black American in 1940.” The collection received a Special Citation for the PEN/Hemingway Award for Best First Fiction. This ebook edition features a new prologue from the author, as well as an illustrated biography and rare photos from Sherman Alexie’s personal collection.

Jon Mckay L. L. Layman, 2016-07-20 I heard again those savage screams I had heard in my delirious dreams. They were coming all of them. Arrows filled the air, whacking the wood walls of the cart. Load! I yelled to Miranda, handing her the spent pistol. I didn’t even know if she could. I leveled the Hawken and took another from his mount. I dropped it to Miranda,

who was still fumbling with the pistol. She kept to her task. The other long gun was a flint fowler. I cocked, aimed, and fired. The horrendous blast took a third along with his horse, and both went tumbling over each other. The kick of the weapon did damage to my healing shoulder. I had no idea what she had in that old piece, but it packed a wallop at both ends.

Behind the Gold Star Rick Stone, 2000-04 Seven days in the life of a Police Chief struggling against bureaucratic stupidity, personal conflicts, and his department's collection of screw-ups, nut cases, and weird happenings. Reflective of his big city experience, the Chief tries desperately to balance competing forces in the professional and political arena of a smaller agency. Full of surprising twists and turns, with enough sex and violence to be reflective of the front page of today's newspaper, *Behind the Gold Star* will keep you hanging on every page and in the end, the characters give real meaning to the phrase, "It's not over until the fat lady sings."

Une blessure béante ouvrait sa gorge d'une carotide à l'autre. Soudain le briquet éclaira un petit objet par terre. Golden Memories of My Life With Ruth & Sam Joe Callihan, 2015-02-28 *Golden Memories of My Life with Ruth and Sam* offers insight into the kind of training into manhood; which sadly today, due to liberalism, is lacking in many lives of the unfortunate. Both of my grandparents were of the old school, pioneer spirit. They taught me to have respect for those who earn my respect by their quality of character. Also to earn my own self respect, due to my placing value upon the qualities of character I desire to possess. Self reliance is missing in the lives of those voting with an attitude of give me; and self respect gets thrown out of the window by those lacking in character. Worse yet, many today vote for politicians which are characters, rather than demanding they HAVE character. As the result, many people in America have been ignorantly flushing America down the toilet of history's once great nations. How very blessed I was to have the upbringing I received. This book contains not only the story of two extraordinary people. It offers a very good guide for parents of today, who desire to see their children grow into respectable men and women.
