Rapid Excavation and Tunneling Conference 2021 Proceedings Jarrett E. Carlson,Gregg W. Davidson,2021-06-06 Every two years, industry leaders and practitioners from around the world gather at the Rapid Excavation and Tunneling Conference (RETC), the authoritative program for the tunneling profession, to learn about the most recent advances and breakthroughs in this unique field. The information presented helps professionals keep pace with the ever-changing and growing tunneling industry. This book includes the full text of 106 papers presented at the 2021 conference. Though the tunneling industry continues to develop both technically and contractually, one notable adaptation of the last two years has been the onset and management of COVID-19. The hallmarks of tunneling professionals include adaptability, resiliency, optimism, and management of change. These are traits that have been recently put to an entirely new challenge over the last year or so. We have truly witnessed why what we do is deemed “essential” infrastructure. The COVID-19 pandemic has impacted each of us, personally and professionally, and while times have been hard, we are fortunate to work in a field that is able to meet the challenge and thrive thereafter. Congratulations are in order to everyone in our industry for keeping the planning and development of projects moving forward and for maintaining safe and productive worksites in these challenging times.

Blowin' Up A Storm Ninie Hammon,2022-02-21 Family loyalties, deadly feuds, and international drug wars are brought to life in Ninie Hammon's new intergenerational tale inspired by the story of the Cornbread Mafia in rural Kentucky. Nobody knows what started the feud between the Hannackers and the McCluskys, but they've been enemies for generations. Now that the cash crop of choice for both is marijuana, the stakes have risen - and Riley Hannacker joins other Vietnam vets from Callison County to form a marijuana-growing co-op called the Cornbread Mafia. But Jackson McClusky harbors a dark secret from the war. It was he, and not the Cong, who fired that rocket into a bunker, killing and maiming his buddies. When Riley begins to remember what happened, Jackson sets out to kill them all. It's not just Jackson plotting their deaths. They outsmarted Kentucky State Police Detective Booth Graham — now he is out for blood. And a competing Colombian drug cartel is sending a hit squad to wipe out the whole Cornbread Mafia in a hail of gunfire. Will the death plots by the McCluskys and the law succeed? Can they survive the cartel's attack? And can

they pull off an elaborate ruse to prevent future bloodshed by convincing all the South Americans that a handful of former soldiers is really an army of ruthless, blood-thirsty hillbillies? Will the other drug cartels buy the hoax? Will they believe the Cornbread Mafia really is the meanest dog in the junkyard? *Blowin' Up A Storm* is the second book in Ninie Hammon's new Cornbread Mafia series, a fictional story inspired by the real Cornbread Mafia that sprang up in picturesque Marion County, Kentucky, and grew into the largest illegal marijuana-growing operation in U.S. history.
