Helen Hall, Randy Hall

Devine Intervention Martha Brockenbrough, 2012-09-01 There is a great legend of the guardian angel who traveled across time and space for the human girl he loved, slaying those who would threaten her with a gleaming sword made of heavenly light. This is not that story. Jerome Hancock is Heidi Devine's guardian angel. Sort of. He's more of an angel trainee, in heaven's soul-rehabilitation program for wayward teens. And he's just about to get kicked out for having too many absences and for violating too many of the Ten Commandments for the Dead. Heidi, meanwhile, is a high school junior who dreams of being an artist, but has been drafted onto her basketball team because she's taller than many a grown man. For as long as she can remember, she's heard a voice in her head - one that sings Lynyrd Skynyrd, offers up bad advice, and yet is company during those hours she feels most alone. When the unthinkable happens, these two lost souls must figure out where they went wrong and whether they can make things right before Heidi's time is up and her soul is lost forever. Martha Brockenbrough's debut novel is hilarious, heartbreaking, and hopeful, with a sense of humor that's wicked as hell, and writing that's just heavenly.

Divine Intervention Hazel Courteney, 2011-04-28 On April 7th 1998, Hazel Courteney underwent an experience that would change her life forever—she became telepathic, and began affecting electrical equipment. Most remarkable of all, however, was the realization that she could clearly hear spirits from the higher realms, and found herself receiving direct communication from Diana, Princess of Wales. By choosing Hazel, a journalist, as her medium, Diana knew her messages of love and hope to the world would

reach thousands and empower people everywhere to fulfill their true potential. In this groundbreaking book, with a new foreword by Professor Gary Schwartz, Hazel shares her experience of this and other channeled messages and reflects on Diana's legacy.

Divine Intervention Evan Fales, 2010-03-12 The central theme of this book is that it's not enough to invoke omnipotence and omniscience as answers to the questions of God's ability to create and causally affect the world (i.e., perform miracles) and human beings (i.e., to cause mystical experiences) and, conversely, God's ability to perceive, or otherwise know about the world. Rather, it is incumbent upon theists to explain just how a personal, immaterial being such as God could cause mundane events, could institute (and sometimes circumvent) laws of nature, could be causally affected by the world (as in perception), and the like. That requires examining current thinking (which is diverse) about the very nature of causation, laws of nature, and agency, all of which Fales endeavors to do in this study.

The Divine Intervention - Book 1 of The Divine Storyline A. Harper, 2021-02-03
What does an Angel do in its spare time? He moonlights among us in order to safeguard life on Earth. To live here, he must bond with a willing human. A partnership is forged to awaken a comatose patient and empower him to serve the greater good. Bonding with a Celestial Entity endows its host with a vast number of abilities. Giving birth to a larger than life hero, hidden in plain sight. This team-up can only continue as long as it is done in secret and no actions committed result in the loss of life. In this book Elder Trotter says, My primary goal is to be used by God. This book reveals her quest for justice; chapter after chapter relates how she was attacked in different areas, but she learned how to withstand the storm that came without warning; this contributes to her success as she never excepted defeat, Trotter says. Job's secret was not his struggle we all struggle. It was his endurance. This book introduces God's power and favor in every line and between every page it reveals His Glory! It confirms the promises made to Abraham that the seed shall be blessed. Elder Trotter wrote. She started writing just weeks after her brutal attack on October 20, 1991, but when she came to herself years later the land of milk and honey unfolded. She added. Writing my life story was a healing process for my deliverance.

Divine Intervention Helen Hall,Randy Hall,2010-10 When Doug and Julie Wagstaff invited Randy and Helen Hall to join them on a week-long vacation in Mazatlan, Mexico, it seemed like a welcome break during a stressful time. The two families would travel to Mexico in the Wagstaff's private plane, and Doug was an experienced pilot. Who would have guessed a dream vacation would turn into a nightmare? En route, a sudden winter storm coated the plane with ice and brought it down in the mountains of Arizona. Miraculously, all nine people on board survived, although two were seriously injured. From prmonitions before the flight, to a remote rescue in hazardous terrain, to the Lord's hand in the families' healing, this book will inspire every reader.

Divine Intervention Chinyere Almona,2019-04-30 Divine Intervention: Exploring the effect of God's interventions in everyday life explains how allowing God to intervene in your life can help to turn negative into positive. Author Chinyere Almona shares her

literary musings as she reflects on God's influence on some words prefixed with dis-, which connote a negative situation. She pondered on the question: What if 'God' were added to these words, in the form of the prefix 'His-'? For example, the word disability would become His-ability. This book invites you to reflect on the influence God can have in your life - when you allow His intervention. It is also an invitation for those who desire to experience real and lasting change in their lives and circumstances, which comes from fully engaging with God. Divine Intervention seeks to capture the essence and practical reality of God's influence. Reflecting on the transformational and reversal effect of any situation when the God-factor is introduced was both an exploratory and inspirational experience for Chinyere, and now she is sharing this experience with you. Dive in and be inspired to explore your life for situations that can be reversed by Divine Intervention. Chinyere Almona, who is also the author of Divine Orchestration, is a versatile inspirational speaker and prolific Bible teacher; her overarching purpose is to inspire people to love and live by the Word of God. She has been involved in active ministerial work for over twenty-two years. Professionally, she has over twenty-six years of work experience, providing strategic advisory support to companies and currently leads series of corporate governance interventions with institutions across sub-Saharan Africa. She is passionate about leadership and people development. In her spare time, she provides guidance and counseling for women, youths, and teenagers. She lives in Lagos, Nigeria where she serves alongside her husband, Pastor Obi Almona, at RCCG New Dawn Parish, Surulere.

Zaw Hein was an atheist who did not know anything about God. One day he started having dreams, and after some time He realized that the things he saw in his dreams were coming true in real life. As the dreams continued, God began revealing himself to Maung, speaking to him in a gentle and calm voice. As Maung contemplated what he was going through, he started looking to the Bible to learn more about God. He then realized that some things in the dreams were principles taught in the Bible. He then accepted Jesus Christ as Lord! The Holy Spirit has continued to guide Maung through his dreams. 'How God Saved Me Through Dreams' is his testimony of those dreams and the encounter that led him to the saving power of God's amazing love!
