**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Natural Reflectors** Jennifer Peavey,2021-08-23 The World Health Organization names stress as the health epidemic of the 21st Century. Slowing down not only reduces stress, but produces outcomes with a greater impact. Natural Reflectors explores the idea of instilling, within our actions, a mindset of intentional reflection taken from the power of nature's cycles. You will learn how a healthy process of managing one's life has both elements of reflection and action. Find within these pages stories such as: Bill Burnett from Stanford's Design Your Life Lab explaining how we can only make good decisions when listening to both our mind and body Stacy Levy, an environmental artist revealing the stories in nature that surround each of us, allowing us to see them, appreciate them, consider them, and maybe even learn from them Carl Honoré describing how our behavior is heavily influenced by our definition of time If you have ever thought that there must be a better way to find meaning and purpose in your everyday life, read Natural Reflectors. If you are tired of living on autopilot, or if you are seeking a greater connection with the world around you, this book offers hope.

and is presented in a bespoke slipcase. Containing many previously unpublished photographs, Disco takes the viewer on an access-all-areas tour of late-'70s New York nightlife. Who were these people of the night...? It was the Posers. The Watchers. The Posers watching other Posers watching the Watchers, watching the Dancers, watching themselves. Bernstein's eye was drawn to the characters that lived for the night, rather than the celebrities, the unknown men and women who were transformed by the nightclub haze, and this is one reason his photographs from this time feel so authentic and immersive.
