It's Okay to Be Angry Gary J. PhD Oliver, H. Norman DMin Wright, 2018-10-16 Did you know that it is okay to get angry? In fact, anger is a proper and godly response to some of the challenges we face. While the Bible admonishes believers to be longsuffering, it also shows how anger can be a vital tool in God's hands for bringing about needed change. Written specifically for women and counselors, this insightful and practical book corrects the popular notion that good Christian women should never get angry--not for any reason, not at anyone, not ever. Foreword by Lisa Bevere.

Colossians David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about. Others cant see the trees for the forestthey miss the wondrous details all around them. So why not look instead at both the forest and the trees? This commentary on Pauls letter to the Colossians guides you in doing just that. Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language, no prior academic training is needed. Technical terms have been set aside. Instead, with everyday language we will discover the big picture and revel in the fine details of this stunning letter, amazed by how God is still speaking these same words today to contemporary personal and social challenges. We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway. Instead we will be hiking our way through this letter, step by step, phrase by phrase, finding joy in Gods truth and growing in our faith. Come and join the journey.
