How to Give Clients the Skills to Stop Panic Attacks Sandra Scheinbaum,2012-05-15 How to Give Clients the Skills to Stop Panic Attacks shows how it is possible to prevent and abort a panic attack through lifestyle change and mind-body relaxation. Presenting an effective approach rooted in the philosophy of functional medicine, this book proposes using calming breathing techniques as the foundation to controlling the anxiety that causes panic. Breathing is then combined with positive imagery, rational thinking, body awareness, nutrition and yoga to provide further support for sparking the real, positive change in clients that will guide them along the road to recovery. The practical tools, step-by-step exercises and motivational scripts within this book will provide an incomparable resource for mental health professionals, psychologists, counselors, and coaches.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Earthquake Children Janet Borland,2022-03-07 Japan, as recent history has powerfully illustrated, is one of the world’s most earthquake-prone countries. Today, it is also one of the best prepared to face such seismic risk. This was not always the case. Earthquake Children is the first book to examine the origins of modern Japan’s infrastructure of resilience. Drawing from a rich collection of previously unexplored sources, Janet Borland vividly illustrates that Japan’s contemporary culture of disaster preparedness and its people’s ability to respond calmly in a time of emergency are the result of learned and practiced behaviors. She traces their roots to the 1923 Great Kantō Earthquake, which killed over 100,000 people when it struck the Tokyo region. Beyond providing new perspectives on Japan’s seismic past, the history of childhood, and everyday life in interwar Japan, Borland challenges the popular idea that Japanese people owe their resilience to some innate sense of calm under pressure. Tokyo’s traumatic experiences in 1923 convinced government officials, seismologists, teachers, physicians, and architects that Japan must better prepare for future disasters. Earthquake Children documents how children, schools, and education became the primary tools through which experts sought to build a disaster-prepared society and nation that would withstand nature’s furies.

Building Your Ideal Private Practice: A Guide for Therapists and Other Healing Professionals Lynn Grodzki,2000-04-17 Would you like to: Make more money in your private practice? Attract more ideal clients? Generate a flow of quality referrals? Revitalize your existing practice? Have increased confidence as a business owner? In this book, psychotherapist and business coach Lynn Grodzki acts as your personal business coach and shows you how to build an ideal private practice—one that is both highly profitable and personally satisfying. Today, being a talented professional is not enough to ensure the success of your private practice; you also need to be an enthusiastic, talented businessperson. Grodzki's business strategies are effective and immediately useful for a wide range of private practitioners, including social workers, psychologists, psychiatrists, massage therapists, energy healers, life coaches, and chiropractors. Whether you are just starting out as an independent practitioner or looking to revitalize an existing practice, Building Your Ideal Private Practice provides a foundation for business and personal growth that will lead you to a new level of personal and financial enrichment. Presenting innovative business concepts in a format specifically adapted for the therapeutic profession, this book guides professionals at all stages of their careers. Bringing together years of experience and the key elements from her Private Practice Success Program with an easy and accessible writing style, Grodzki's book will help you not only build a successful practice outside managed care, but also ensure that your business reflects your true values and talents.

Game Design Lewis Pulsipher,2012-08-08 Many aspiring game designers have crippling misconceptions about the process involved in creating a game from scratch, believing a “big idea” is all that is needed to get started. But game design requires action as well as thought, and proper training and practice to do so skillfully. In this indispensable guide, a published commercial game designer and longtime teacher offers practical instruction in the art of video and tabletop game design. The topics explored include the varying types of games, vital preliminaries of making a game, the nuts and bolts of devising a game, creating a prototype, testing, designing levels, technical aspects, and assessing nature of the audience. With practice challenges, a list of resources for further exploration, and a glossary of industry terms, this manual is essential for the nascent game designer and offers food for thought for even the most experienced professional.

Inside Out & Back Again Thanhha Lai,2013-03-01 Moving to America turns H&à’s life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

John Hughes FAQ Thomas A. Christie,2019-04-01 Looking for a comprehensive chronicle of the films of legendary director, screenwriter, and producer John Hughes? You’re holding it in your hands. Covering the entirety of

Hughes's career, from his earliest features through to his mainstream box-office successes, John Hughes FAQ explores the key factors that contributed to his legendary status in the world of cinema. While Hughes has become especially well known for the eight films that he directed between 1984 and 1991—including *Sixteen Candles* (1984), *The Breakfast Club* (1985), and *Ferris Bueller's Day Off* (1986)—he made a considerably greater contribution to cinema through the dozens of high-profile screenplays that he developed for production throughout the '80s and '90s. John Hughes FAQ investigates many different aspects of Hughes's prolific career in film—discussing his distinctive flair for creating entertaining and engaging characters, his enthusiasm for new technology and eventful road trips, and his insightful social commentary on class and culture. Considering the entire sweep of Hughes's work behind the camera, John Hughes FAQ focuses not only on the popular classics of his filmography but also on many of his movies that have achieved a certain cultural prominence over the passing years.

Fearless Creating Eric Maisel,1995-10-17 For writers, painters, or performers in any field, new hope for overcoming creative blocks and finishing the art of their dreams. The blank page, empty canvas, or uncarved stone will often fill artists with dread. But so may the thought of finishing, showing, or even selling their work. It is in this artistic anxiety that creative blocks begin. With an understanding that could only be gained through years of experience in counseling artists, writers, and performers, Eric Maisel, Ph.D. discusses each stage of creation-wishing, choosing, starting, working, completing, selling--and the anxieties particular to each. He then shows how these inhibiting tensions can be turned to artistic advantages, how truth and beauty arrive in the work of art precisely because, and only when, anxiety has been understood, embraced, and resolved. Fearless Creating guides the reader, whether an experienced artist or someone just starting out, past the pitfalls that appear in each stage of the process. By following Dr. Maisel's exercises related both to the world at hand and the ongoing struggles of artistic life, readers will emerge from this book with a completed work of art and a new perspective on their potential to be a fearless creator.

With Bound Hands Mary Frances Coady,2003 The true story of a renowned Jesuit priest's spiritual transformation while living in Nazi captivity.

The Smith Tapes Ezra Bookstein,2015-11-03 The 1960s were a period of radical cultural, social, and political upheaval in the United States and around the globe; yet in just three years, between 1969 and 1972, Village Voice Scenes columnist, WPLJ FM radio host, and cult figure Howard Smith got to the heart of it all by talking it out—both on and—off the record. As famous as those who passed through the airwaves, Smith encapsulated the end of an era through personal conversations and hard-hitting interviews with Mick Jagger, Frank Zappa, Andy Warhol, Buckminster Fuller, leaders of the feminist movement and the Gay Liberation Front, a NARC agent, John Lennon and Yoko Ono, and scores of other iconic and influential personalities, including musicians, artists, filmmakers, actors, writers, politicians, and social activists, from countercultural luminaries to everyday revolutionaries and everyone in between. The Smith Tapes transcribes, for the first time ever, sixty-one of those recorded sessions, from an archive of more than one hundred fifty reels unearthed after more than forty years. Edited by documentary film writer and director/producer Ezra Bookstein, this book reveals the time capsule that Smith ingeniously captured, and contains raw and unscripted talks that take you right into the midst of a transformative cultural and musical explosion.

NKJV, Thompson Chain-Reference Bible Zondervan,2023-05-23 An easy-to-learn, easy-to-use tool for in-depth Bible study Beloved and acclaimed for more than five generations, the Thompson® Chain-Reference® Bible is unparalleled in its ability to enrich personal devotions, topical study, and sermon preparation. This unique reference Bible enables you to search the breadth of Scripture's teachings on thousands of topics and allows you to follow those topics throughout the entire Bible. With over 100,000 references, covering over 8,000 topics, the chain-reference system is an ideal tool for comprehensive topical study. The Thompson Chain-Reference Bible also offers a library of additional study resources that allows readers to interpret the Bible using related scripture passages rather than consulting a commentary. The NKJV Thompson Chain-Reference Bible also features a fresh, two-color design that preserves the original look of the chain-reference system, while making each page cleaner and easier to read. Features: Complete text of the New King James Version (NKJV) Easy-to-understand chain-reference system with over 100,000 references Alphabetical and numerical indexes highlight study materials for over 8,000 topics, each with its own topic number, for exhaustive topical study An extensive study resource section includes biographical sketches, illustrated studies of the Bible, a concordance, Bible harmonies, and many other helpful study tools Fresh, two-color page design 66 book introductions 16-page full-color map section with map index Words of Jesus in red

Corporate Social Responsibility in the Construction Industry Michael Murray,Andrew Dainty,2013-01-11 The construction process, right through from planning and design to use and demolition, has a major impact on society. Traditionally, concern has been focused on its environmental impact and the quest for sustainability, but this has now extended into the wider remit of Corporate Social Responsibility (CSR). Essentially, this means that businesses must act (voluntarily) in a socially ethical manner by developing a policy that encompasses the core principles enshrined by CSR. A unique presentation on a topic of emerging importance, Corporate Social Responsibility in the Construction Industry is essential reading for all built environment undergraduate and post-graduate courses, as well as CEOs and senior managers within construction businesses who may be about to embark on developing a CSR strategy.
