**Stickman Odyssey, Book 1** Christopher Ford,2011-08-04 When Zozimos is banished by an evil witch (his stepmother!) from the kingdom of Sticatha-the kingdom he was next in line to rule-he trains at battle (if you call chasing after butterflies training), travels across stormy seas (thanks for that, Poseidon), slays golems and monsters (with a lot of help), charms beautiful women (not really), and somehow (despite his own ineptitude) survives quest after quest. By the love of Zeus, though, none of it brings him any closer to home! It does, however, make for one quirky, original, giggle-provoking graphic novel sure to appeal to any kid interested in Greek mythology, or merely looking for an entertaining read.

Doodle on a Noodle Joyce Schuster,2016-05-02 Have you ever wondered what a dog was thinking? Sure, we know how to easily read some of their body language clues such as a wagging tail or jumping for joy. They also know how to communicate through sounds and posture many of the same emotions we, as humans, experience. In this book you will meet Rooney, a real dog, who tells her story and thoughts in the form of simple rhyming sentences and pictures! Even though she is very smart, she is still a dog, after all, and simple rhymes are to be expected. This book is the first in a series which will explore the world through her eyes. You, the reader, will be in attendance from her earlist days to the moment the title of this book becomes obvious. In the books that will follow you will come along as she grows and learns even more about her world. I, as her Mum, think Rooney is very special and is the smartest, cutest, and sweetest dog that ever has lived. Of course, all loving doggie moms feel exactly the same way about their furry babies. She does have an annoying habit, though, and you will discover what that is as you continue your journey with Rooney, the Doodle on a Noodle. So put away your cares for a bit, no matter your age. Follow along and find out what this goldendoodle is thinking as she learns about her world.
