

Doodle God

Doodle King

God's Doodle Thomas Hickman,2013-10-21 You will be impotent with both laughter as you read this remarkably entertaining and informative look at the male organ down through the ages . . . undeniably funny" (Booklist). Throughout history, man has revered his penis as his "most precious ornament." From small to large, thick to thin, smooth to wrinkled, Thomas Hickman lets the history of this mystery hang out for all to see. Offering discussion of ancient literatures and mathematical quandaries of possible positions, such as Greece's "the lion on the cheese-grater," which still keeps scholars in a twist. It is a stiff subject, but we easily settle in with the likes of Bill Clinton, Michelangelo's David, and Shakespeare as they followed their heads. If you were to wrap your hands around anything less than two-inches, it should be God's Doodle, a brilliant history of the penis that hits the topic right on the head. It reaches through time and looks at how the penis trended long before one was ever posted on Twitter. "[A] well-researched, dryly witty and worthwhile read." --Salon "Tom Hickman tells the story of its ups and downs with enthusiasm and a mostly straight face." --The Economist

Doodle Through God's Creation for Kids ,2018-02-06 Help Your Child Draw Closer to God Cartoonist Jonny Hawkins invites your child to explore God's creation from Genesis to Revelation. While doodling through the Bible, your aspiring artist will discover all the wonderful things God has made and gain a greater understanding of His world. Jonny's wacky and whimsical illustrations are waiting for your child. Each spread features some simple sketches to complete and a Scripture verse you can look up and read together. By actively engaging your kid's creative side, the Bible lessons learned throughout will stick with your son or daughter like never before. Encourage your child to create a closer relationship with God and have a whole lot of laughter and smiles along the way!

Doodle Through the Bible for Kids ,2016-04-01 Inspire kids to doodle and dawdle in God's Word, and you open the door to a refreshing and clever new way for them to experience the Bible. When kids ages 8 to 12 years doodle their way through the Old and New Testaments, they will better remember God's Word, visualize spiritual truth, and put it all into practice when a life moment calls for it. With loads of humor and a big dose of fun, cartoonist Jonny Hawkins encourages kids to add their creative touches to his sketches as they explore Bible verses that speak into their lives.

Buttonless Ryan Rigney,2016-04-19 This book presents some of the most interesting iPhone and iPad games, along with stories of the people behind these games. It describes hundreds of titles, including well-known games and hidden games, and provides insight into the development of games for the iOS platform.

Gardenia Lane K.L. Smith,2019-08-27 Gardenia Lane is a fictional novel that tells of the Lister family's day-to-day life when they move back to a small military town in eastern North Carolina. It is the fourth book in a series about the Lister family. Gardenia Lane continues the story where Gemmy's Dreams ends. The Lister family must make a life in a new neighborhood among unconventional neighbors. Most of them are poor. What they lack in money they make up for with rich personalities. They do not wrap themselves in layers of pretense and deceit. The Lister girls work hard and seek lives different than the one they were born into. They develop good friendships with their neighbors. They learn that their neighbors mostly have good hearts and, like themselves, want to get through life the best way possible. The story unfolds in 1956 and follows the family's life through 1967. To make ends meet Leo has to take on a second job to supplement his wages at the local furniture mill. With two full time jobs, Leo is seldom home. Conflicts often occur when the family members are

faced with the challenges that arise when dealing with the mental illness of the oldest Lister offspring. This story is about how the Lister family interacts with each other, their friends, and the neighbors as they navigate their way through life trying to find the place where they fit best. The Lister girls have different goals and dreams for their lives than their parents have for them. Leo does not realize that he is raising strong, independent daughters that have been exposed to new age thinking for women. Dissensions are common when the daughters' principles clash with those of their parents. The fifties and sixties were turbulent times in our country. The Lister family see dreams and lives shattered. They see dreams restored and lives mended. They maintain a close relationship with God to give them strength and guidance through whatever life has in store for them. They maintain hope for peace and faith for better lives.

God and Popular Culture [2 volumes] Stephen Butler Murray,Aimée Upjohn Light,2015-08-11 This contributed two-volume work tackles a fascinating topic: how and why God plays a central role in the modern world and profoundly influences politics, art, culture, and our moral reflection—even for nonbelievers. God—in the many ways that people around the globe conceptualize Him, Her, or It—is one of the most powerful, divisive, unifying, and creative elements of human culture. The two volumes of *God and Popular Culture: A Behind-the-Scenes Look at the Entertainment Industry's Most Influential Figure* provide readers with a balanced and accessible analysis of this fascinating topic that allows anyone who appreciates any art, music, television, film, and other forms of entertainment to have a new perspective on a favorite song or movie. Written by a collective of both believers and nonbelievers, the essays enable both nonreligious individuals and those who are spiritually guided to consider how culture approaches and has appropriated God to reveal truths about humanity and society. The book discusses the intersections of God with film, television, sports, politics, commerce, and popular culture, thereby documenting how the ongoing messages and conversations about God that occur among the general population also occur within the context of the entertainment that we as members of society consume—often without our recognition of the discussion.

Broadcast Talks C. S. Lewis,2022-08-16 DigiCat Publishing presents to you this special edition of Broadcast Talks by C. S. Lewis. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

What Christians Believe C. S. Lewis,2005-02-22 The Essentials Explained Master storyteller and essayist C. S. Lewis here tackles the central questions of the Christian faith: Who was Jesus? What did he accomplish? What does it mean for me? In these classic essays, which began as talks on the BBC during World War II, Lewis creatively and simply explains the basic tenets of Christianity. Taken from the core section of *Mere Christianity*, the selection in this gift edition provides an accessible way for more people to discover these timeless truths. For those looking to remind themselves of the things they hold true, or those looking for a snapshot of Christianity, this book is a wonderful introduction to the faith.

[God Loves You](#) Doodle King,2023-05-26 About the Book GOD LOVES YOU contains short messages of God's Love for everyone. An inspirational and uplifting message directed to all who hold the desire to read it, this book is meant for anyone. All that is needed is for the reader to know they are loved. If this book positively opens the heart of even just one person, then Doodle King has accomplished what the Lord has asked him to do.

On the Run No More S. Hamilton,2020-04-24 We're each a product of our experiences, our environment, education and intellect. My "fictitious" mom was

a borderline personality who sexually abused me at a very young age. Dad was an alcoholic sex addict who was passive and indifferent. Three severe head concussions and CTE later, I was an atheist and an iconoclast living in a puritanical sectarian society that turned the other cheek when it wasn't crucifying you. While enlisted in the Navy I endured the looming threat of fictitious ass-greasings and foolishly informed them that I was a fictitious atheist. Life has been fictitious ever since.

Beyond Personality: The Christian Idea of God C. S. Lewis, 2022-08-16 DigiCat Publishing presents to you this special edition of Beyond Personality: The Christian Idea of God by C. S. Lewis. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Orchestrating the Nation Douglas W. Shadle, 2016 During the 19th century, nearly 100 symphonies were written by over 50 composers living in the United States. With few exceptions, this repertoire is virtually forgotten today. In 'Orchestrating the Nation', author Douglas W. Shadle explores the stylistic diversity of this substantial repertoire and uncovers why it failed to enter the musical mainstream.

Five-Star Apps Glenn Fleishman, 2010-11-02 It can be a concierge, camera, flashlight, game console, magazine, photo editor, panorama maker, note taker, travel planner, radio, bookstore, night-sky guide, GPS, music player, music maker, and plenty more...if only you could figure out which of the 250,000 (and counting) apps to put on your iPhone or iPad or iPod touch. Author Glenn Fleishman set out to discover how to use your device to find a movie, read a book, retrieve a distant file, make a phone call, play a strategy game—to accomplish a host of useful, and sometimes completely unuseful, tasks. Glenn sifted through and road tested thousands of apps to find the nearly 200 programs that fit his criteria for interesting, entertaining, useful—and essential—five-star apps. His clear-eyed selections will surprise and charm you and help you complete tasks, have fun, be creative, and learn something. Want to read a book or PDF or follow your Twitter, RSS, or Facebook feeds? You'll find the perfect app for the job. Ready to find the best action, word, and strategy games—so good, you may never put down your iPhone? We know the ones. Yearning for Thai food in an unfamiliar neighborhood or looking to reserve a table at a local restaurant? This book points you to the perfect apps. Need to track the delivery status of a package or turn your device into a barcode reader? Start reading and start scanning. Want to watch a movie—either from the studios or of your own creation? Glenn can direct you to the perfect app. Plus essential apps that will stream music, make you more productive, keep track of files, and much, much more.

What We Hear in Music Anne Shaw Faulkner, 1924

Cosmopolitan, 1894

Maryland School Bulletin Maryland. State Dept. of Education, 1928

The Shakespearean Archive Alan Galey, 2014-10-23 Why is Shakespeare so often associated with information technologies and with the idea of archiving itself? Alan Galey explores this question through the entwined histories of Shakespearean texts and archival technologies over the past four centuries. In chapters dealing with the archive, the book, photography, sound, information, and data, Galey analyses how Shakespeare became prototypical material for publishing experiments, and new media projects, as well as for theories of archiving and computing. Analysing examples of the Shakespearean archive from the seventeenth century to today, he takes an original approach to Shakespeare and new media that will be of interest to scholars of the digital humanities, Shakespeare studies, archives, and media history. Rejecting the idea that current forms of computing are the result of technical forces beyond the scope of humanist inquiry, this book instead offers a critical prehistory of digitisation read through the afterlives of Shakespeare's texts--
