David Fulton

Derby Downs Ronald Reed,2014-09-30 Ronald Reed was first introduced to the Soap Box Derby in 1949 when the then seven-year-old attended his first race with his uncle and father. As he excitedly watched the Akron champ win his first heat by a large margin, there was no question Reed was hooked. In this second installment of his Soap Box Derby series, Reed covers the events of 1936 and 1937 as the All-American Soap Box Derby became an American tradition and found a permanent home. Reed, who has witnessed sixty-four of the seventy-seven All-American races, begins by chronicling world events in 1936 as a formal rule book for the Soap Box Derby was introduced, tickets and programs were printed, and the Derby found its home in a new racing facility in Akron, Ohio. As Reed details the first race announced by legends Ted Husing, Graham McNamee, and Tom Manning, he expertly captures the excitement through preliminary heats and five rounds until Herbert Muench of St. Louis, Missouri, coasted to a decisive victory. Included is a follow-up history of the winners as well as a chronicling of events of 1937 as a new race began and over one hundred boys anxiously awaited their chance at fame. Derby Downs continues the fascinating story of the All-American Soap Box Derby during 1936 and 1937 as it became an American institution.

Champions, Cheaters, and Childhood Dreams Melanie Payne,2003 With some scrap lumber and a dream, young Bob Turner became the first All-American Soap Box Derby world champion in 1934. Over the next 40 years, pushed by curiosity, ingenuity, determination and sometimes an overbearing father, thousands more would follow in his footsteps to try--for at least one day--to become the most famous boy in America. Covering the glory years of the Soap Box Derby, *Champions, Cheaters, and Childhood Dreams* provides a history of the race from its beginnings on a hillside in Dayton, to the corporate-sponsored star-studded event it became in the 1950s and 1960s, and to its near-obscurity after it was rocked by withdrawal of its major corporate sponsor and a legendary cheating scandal. Through first person accounts and historical narrative, *Champions, Cheaters, and Childhood Dreams* demonstrates how the Soap Box Derby mirrored American society. The hard scrapple Depression years, the patriotism of the war years, the idealism of post-World War II America, the hope and prosperity of the 1950s and 1960s and the breakdown of institutions and values during the Vietnam-war era, are told through the stories of the people who raced in and ran the All-American Soap Box Derby.

A Look Back at the All-American Soap Box Derby 1946-1959 Ronald Reed,2018-08-07 A Look Back at the All-American Soap Box Derby 1946-1959 By: Ronald Reed It's billed as "The Greatest Amateur Racing Event in the World" and that is an accurate statement. Modern terminology has called it "The Gravity Grand Prix." Whatever name you attach to it, Derby people just call it the "All-American." It started as a city race in Dayton, Ohio, in 1933 and in two short years it became a national competition. Originator Myron Scott, through some creative promotion and the sponsorship of Chevrolet, brought it to national prominence. The first three books of this series covered the move from Dayton to Akron and the construction of Derby Downs followed by six years of prosperity and growth. World War II caused a delay, but we will see in this book it was but a bump in the road. The program resumed and in the years since there have been several hundred thousand participants who have been watched by millions. The Derby has undergone many changes over the years, but the focus has always been to make it safe, fair and fun.

Tallmadge Hill Ronald Reed,2013-03-08 In Tallmadge Hill Mr. Reed takes us through the history of the All-American Soap Box Derby. This look at founder Myron Scott's creation begins with an idea for a competition involving young boys during the depression. It begins in 1933 as a local race in Dayton Ohio with youngsters competing in racers made from scraps collected wherever possible. Gaining interest and momentum, the derby becomes a national event in 1934 with champions from 34 cities across the country competing. The story, which is illustrated with more than one hundred historical photographs, then covers the move to Akron in 1935, where 50,000 spectators witness the race held on a hill in the Akron suburb of Tallmadge. The event is chronicled in a heat by heat description of the day's race, complete with interesting facts and bios about each of the 52 champs. Which champ became a famous architect, which one a war hero, which one lost his life in World War II and which one played football for North Carolina University. They are all covered. Also told is the accident involving a famous broadcaster which changed the course of derby history. The story which is related in a manner easily understood by children and adults alike, is fascinating reading even for those who are not derby fans. After reading it you may become one.

The All-American Soap Box Derby Ronald R. Reed,2016-02-25 The All-American Soap Box Derby, the brainchild of Dayton newspaperman Myron Scott, began as a local race in that city in 1933. With some creative promotion, Scott turned it into a national competition the next year. By 1935 it had found a home in Akron. This move was solidified by the construction of Derby Downs. This unique facility, built in 1936, provided a much needed home. National sponsorship was provided by Chevrolet in cooperation with the Akron Beacon Journal and other newspapers across the nation. The All-American was flourishing due, in no small part, to the army of volunteers which enabled it to run smoothly.

Race from the Finish D. T. Dignan,2012-09-24 John Powers is passionate, insightful and protective of everyone from his disabled sister to an abandoned puppy. John is also intensely driven. Since

his first soapbox derby at age eleven, John has desired to break into the NASCAR circuit of the 1950’s. With support from Pop, his mentor and family friend, John cuts his chops on the emerging dirt tracks near his hometown of Pittsburgh and soon moves into the Midwest Association of Race Cars’ new car circuit while barely out of high school. His personal disappointments and setbacks only make him more determined in his chase for Victory Lane. The pursuit is costly. As he matures into one of the greatest racers of his time, he looks at those people who have helped him reach his dream and values them only for how they support his quest. Years later, elderly and dying in the hospital, no one comes to his side. While anticipating a visit from his estranged son, the hospital calls a code yellow: John Powers has disappeared. Where he ends up provides the chance to alter his life’s course ... if he is willing to change history.
