Sex and destiny Francisco Cândido Xavier, Waldo Vieira, André Luiz (Espírito), 2021-09-13 What effects will the sexual experiences and conduct of incarnates have on the immortal spirit in their future life, their destiny? Rich in detail, the books by Andre Luiz depict the spirit world: how spirits live, their habitats and the relations of cause and effect that influence the evolutionary trajectory both of incarnates and discarnates, delineating their future life, their destiny. In this book, readers will find the answers to their questions about human sexual relationships and their implications for the future life of the immortal spirit, enabling it to "learn by using the library of experience." Sex and destiny, love and conscience, freedom and commitment, guilt and redemption, home and reincarnation are the topics of this book born in the forge of everyday reality.
