French Foreign Legion Martin Windrow,2013-08-20 Men of action and elite soldiers with a young and dynamic spirit, the French Foreign Legion are capable of doing their duty anywhere anytime. Martin Windrow's superb text examines the history of this famous force from the end of the Second World War onward. This first class addition to the Men-at-Arms series not only contains the usual wealth of accompanying photographs and illustrations, including eight full page colour plates by Mike Chappell, but is extended by a further 16 pages, allowing the author to display the full range of his expert knowledge, including 11 pages devoted to uniforms.

Niki Nakayama: A Chef's Tale in 13 Bites Debbi Michiko Florence,Jamie Michalak,2021-09-14 Niki Nakayama: A Chef's Tale in 13 Bites is a picture book biography that tells the story of the powerhouse female Japanese-American chef and her rise to fame As a child and adult, Niki faced many naysayers in her pursuit of haute cuisine. Using the structure of a traditional kaiseki meal, the authors Debbi Michiko Florence and Jamie Michalak playfully detail Niki's hunger for success in thirteen bites – from wonton wrappers she used to make pizza as a kid to yuzu-tomatillo sauce in her own upscale Los Angeles Michelin-starred restaurant, n/naka. To anyone who tells her a woman can't be a master chef, Niki lets her food do the talking. And oh, does it talk. Niki was featured on the first season of Netflix's culinary documentary series Chef's Table. And Chrissy Teigen proclaimed that Niki's restaurant was one of her absolute favorites. She's currently a featured teacher on MasterClass. A smart, strong woman with starpower, Niki is only just getting started – like the young readers who will devour this book, featuring illustrations by Yuko Jones!

The Ultimate Friday the 13th Trivia Book Scotty McCoy,2016-02-16 1300 trivia questions, 13 chapters about Friday the 13th. In-depth trivia questions that will test your knowledge of the world's most famous horror franchise, Friday the 13th. Do you think you are a true Friday the 13th fan? Creating the Character Costume Cheralyn Lambeth,2016-11-25 Many beginning and hobbyist costumers believe that professional costume/prop builders have unlimited and specialized resources with which to ply their craft. Actually, the pros create things in much the same way that hobbyists do, working as resourcefully and creatively as possible with a limited budget. *Creating the Character Costume* dives into these methods to showcase how to achieve expert looks with limited means and lots of creativity. Part One explores tools, materials, and construction methods.

Popular Culture and the Future of Politics Ted Gournelos,2009-09-30 *Popular Culture and the Future of Politics: Cultural Studies and the Tao of South Park* argues that progressives should conceive the connections between media, policy, and culture beyond the limits of 'politics' and 'news.' With sustained analyses of groundbreaking contemporary examples of what has become known as 'convergence culture,' Ted Gournelos brings together a wide range of media without sacrificing depth. His examples, such as South Park, The Simpsons, The Onion, The Daily Show, Chappelle's Show, and The Boondocks, are chosen for their political scope and social impact and demonstrate the ways in which what we know as 'politics' is rapidly changing. The book's forays into established fields like feminist, race, and queer theory are combined with perspectives drawn from political economy and rhetoric to demonstrate the power of irony, humor, and cultural dissonance in modern approaches to dissonant cultural politics.

The 10-Second Commute Terri R. Kurtzberg,Mason Ameri,2022-10-18 Virtual work, which was steadily on the rise even before the pandemic, is explored in this timely book that describes the impact of technology on our work experiences, ranging from the individual psychological level to the broad societal implications. Widespread remote work is now possible, but it comes with its share of frustrations. Virtual work has changed our lives in ways big and small, from trying to balance our time to what we wear and where we sit and from how we communicate to where we should look during a videoconference. It's also fundamentally changed what kinds of jobs we can now do. Grounded in research and including lively personal anecdotes, *The 10-Second Commute* provides a thoughtful and comprehensive scan of the nature of virtual work. The authors, both researchers in management and technology, explore the current questions of our virtual lives, such as: Why Zoom instead of Skype? Why are emojis so useful? Why is videoconferencing so exhausting? How does diversity at work both help and hinder productivity? Virtual work is more than just work-it permeates our whole lives, and it will continue to do so as hybrid work arrangements become the new normal. Helping readers better understand the virtual work experience, this book will engage and inform

everyone who is still trying to make it work.

Division Leclerc Merlin Robinson,Thomas Seignon,2018-12-27 'General Leclerc' was the nom de guerre adopted by the Gaullist officer Philippe de Hautcloque, to protect his family in occupied France. He became France's foremost fighting commander, and his armored division (the '2e DB') its most famous formation. Starting as a small scratch force of mostly African troops organised and led by Leclerc in French Equatorial Africa, it achieved early success raiding Italian and German positions in co-operation with Britain's Long Range Desert Group. Following the Allied victory in North Africa it was expanded and reorganised as a US Army-style armoured division, with American tanks and other armoured vehicles. Shipped to the UK, in spring 1944, it was assigned to Patton's US Third Army, landing in time for the Normandy breakout and being given the honour of liberating Paris in August 1944. Combining a thorough analysis of their combat and organisation with detailed colour plates of their uniforms and equipment, this is the fascinating story of Free France's most effective fighting force.

Mack Sennett's Fun Factory Brent E. Walker,2010-01-13 This is a comprehensive career study and filmography of Mack Sennett, cofounder of Keystone Studios, home of the Keystone Kops and other vehicles that showcased his innovative slapstick comedy. The filmography covers the more than 1,000 films Sennett produced, directed, wrote or appeared in between 1908 and 1955, including casts, credits, synopses, production and release dates, locations, cross-references of remade stories and gags, footage excerpted in compilations, identification of prints existing in archives, and other information. The book, featuring 280 photographs, also contains biographies of several hundred performers and technical personnel connected with Sennett.
