Kathy Merlock Jackson,Mark I. West

**Guinness World Records 2018 Gamer's Edition** Guinness World Records,2017-09-18 From the global authority in record-breaking comes the 11th edition of the world's best-selling videogames annual. Packed with the latest records, coolest stars and the biggest games, the Guinness World Records Gamer's Edition is the go-to bible for every gaming fan. Just ask the five million readers who've made it an international sensation! Inside you'll find amazing stats, thrilling facts, inspirational tales, lightning-quick speed-runs and dazzling photos. Read about the records behind your favorite games including Mario, Overwatch, FIFA, WWE and Rocket League, plus recap on a year of crazy Pokémon GO stories. Go behind the scenes of the world's longest-running eSports organizer. Spook yourself silly with real-life videogame mysteries. Check out the fastest videogame completions. And gaze in envy at the world's largest Zelda and Tomb Raider collections! You'll also meet gaming heroes such as the world's oldest games YouTuber at 81, a man with a real-life cyborg arm that was inspired by Deus Ex, and the kingpin of eSports fighting games. But the videogame stars don't get much bigger than DanTDM, whose Minecraft channel has been watched nearly 10 billion times! So we're thrilled he's written a special intro just for the Guinness World Records Gamer's Edition. Speaking of heroes...grab your cape and turn to this year's special chapter featuring superhero games. It hard to believe it's been nearly 40 years since Superman first exploded onto our consoles! So, we're celebrating with your favorite costumed crime-battlers. From Spider-Man's web-crawling to Batman's gadgetry, they're just as powerful in pixels as they are in the movies. So, whether you want to know who scored the fastest goal in FIFA or achieved the fastest speed-run of Final Fantasy XV, or just want to see the world's biggest Game Boy, this is the book for you!

**Shapers of American Childhood** Kathy Merlock Jackson,Mark I. West,2018-09-24 The experience of growing up in the U.S. is shaped by many forces. Relationships with parents and teachers are deeply personal and definitive. Social and economic contexts are broader and harder to quantify. Key individuals in public life have also had a marked impact on American childhood. These 18 new essays examine the influence of pivotal figures in the culture of 20th and 21st century childhood and child-rearing, from Benjamin Spock and Walt Disney to Ruth Handler, Barbie's inventor, and Ernest Thompson Seton, founder of the Boy Scouts of America.

**Cruise Ship Tourism, 2nd Edition** Ross Dowling,Clare Weeden,2017-01-25 Completely updated and revised, Cruise Ship Tourism, 2nd Edition covers the economic, social and environmental impacts of cruising, combining the latest knowledge and research to provide a comprehensive account of the subject. Despite the industry growing rapidly, there is a substantial gap in the related literature, and this book addresses the key issues for researchers, students and industry professionals. A valuable 'one-stop-shop' for those interested in cruise ships and maritime tourism, this new edition from major names in the field is also an invaluable resource for anyone concerned more widely with tourism and business development.

**I Can Be a Pet Vet (Barbie)** Mary Man-Kong,2011-05-11 Barbie wants to be a pet doctor! Join her as she helps a vet take care of puppies, kittens, horses, and many other lovable pets in this original Step 1 book in the Step into Reading series. From the Trade Paperback edition.

**Swimming Upstream** Laura Choate,2015-10-01 A guide to help parents teach their daughters to resist negative cultural messages. Never before have adolescent girls faced so many confusing and contradictory expectations. From a young age, popular culture teaches girls that their worth is based on their appearance, their ability to gain attention, and an ever-increasing accrual of accomplishments. With such unattainable standards, it is no wonder that many girls experience stress, self-doubt, and even mental health problems. Girls struggle to develop an authentic sense of self, even as they attempt to meet a set of impossible cultural expectations. Many parents feel helpless against the onslaught of negative influences targeting their daughters, but in *Swimming Upstream: Parenting Girls for Resilience in a Toxic Culture*, Laura Choate offers a message of reassurance. This book provides parents with a set of straightforward tools they can use to help their daughters navigate the trials and demands of contemporary girlhood. Choate draws upon years of research and counseling literature to teach parents how to instill the power of resilience in their daughters, including developing a positive body image, maintaining healthy relationships with friends and romantic partners, and navigating high-pressure academic environments. Based on cutting-edge research, this book contains the strategies that parents need to prepare their daughters with the life skills they need to resist destructive cultural influences. Though the journey through modern girlhood may be complicated - and even treacherous - this guide offers a user-friendly way for parents to help their daughters thrive in the midst of the negative pressures of modern culture. Practical and engaging, *Swimming Upstream* is a must-read for parents of girls of all ages.

**Oxford Dictionary of Humorous Quotations** Gyles Brandreth,2013-10-17 Writer, broadcaster, and wit Gyles Brandreth has completely revised Ned Sherrin's classic collection of wisecracks, one-liners, and anecdotes. With over 1,000 new quotations from all media, it's easy to find hilarious quotes on subjects ranging from Argument to Diets, from Computers to The Weather. Add sparkle to your speeches and presentations, or just enjoy a good laugh in company with Oscar Wilde, Mark Twain, Joan Rivers, Kathy Lette, Frankie Boyle, and friends. 'Now we have the World Wide Web (the only thing I know of whose shortened form-www-takes three times longer to say than what it's short for)' Douglas Adams 'Not only is there no God, but try getting a plumber on weekends' Woody Allen 'Never go to bed mad. Stay up and fight' Phyllis Diller 'Having a baby is like getting a tattoo on your face. You really

need to be certain it's what you want before you commit' Elizabeth Gilbert 'The trouble with having an open mind, of course, is that people will insist on coming along and trying to put things in it' Terry Pratchett 'Retreat, hell! We're only attacking in another direction' American general Oliver P. Smith

*Disability and Popular Culture* Katie Ellis,2016-05-23 As a response to real or imagined subordination, popular culture reflects the everyday experience of ordinary people and has the capacity to subvert the hegemonic order. Drawing on central theoretical approaches in the field of critical disability studies, this book examines disability across a number of internationally recognised texts and objects from popular culture, including film, television, magazines and advertising campaigns, children's toys, music videos, sport and online spaces, to attend to the social and cultural construction of disability. While acknowledging that disability features in popular culture in ways that reinforce stereotypes and stigmatise, Disability and Popular Culture celebrates and complicates the increasing visibility of disability in popular culture, showing how popular culture can focus passion, create community and express defiance in the context of disability and social change. Covering a broad range of concerns that lie at the intersection of disability and cultural studies, including media representation, identity, the beauty myth, aesthetics, ableism, new media and sport, this book will appeal to scholars and students interested in the critical analysis of popular culture, across disciplines such as disability studies, sociology and cultural and media studies.
