David heads a Hospice on Isla Cresciente, a small isolated island in the Caribbean, and one of his staff is missing. After Rush Sterne arrives on Isla he finds the Hospice is totally different from what he expected. As he begins his search he meets Marielle Lebow, not a patient, also on an investigation, but separate from his. They maintain polite distance from each other but do learn that, back in the City, their Offices are only a mile apart. On returning home, their paths begin to cross again as Rush, with restrictions, resumes his Police duties and Marielle her Insurance Fraud investigations. Separately they become involved in many of the City's mini-dramas of crime, life and death that involve both strangers and family. Neither admits wanting to change their independent lives but circumstances lead to continuing cautious contact, neither sure of where all this may lead. Back in the Caribbean, David Newton tries to maintain his protective seclusion from his past until events force him to reassess his future. Rush, Marielle and David all discover that they cannot shelter themselves from the realities of Life or the inevitability of Death.

Don't Bother To Dress Up Maly Sayle,2020-08-11 Lizzie was an army child. She went on to marry an army officer and believed a life of routine and order would follow. But after 34 years of, relatively, happy married life she received the bombshell that her overweight, balding husband was leaving her for a Polish woman 20 years her junior. Within a month Lizzie was single, penniless, about to be homeless and very, very angry. It was also

becoming obvious her mother was fast heading towards full dementia. The stability and help that Lizzie had hoped to give her aging parents was heading out the window, along with her husband's clothes and possessions. After the sale of her home, Lizzie moves into the spare room of her daughter Lucy's flat. A situation somewhat complicated by Lucy, at the same time, setting up a sex party business. For the next six months Lizzie shared the room with condoms, sex toys and champagne. When life could not seem to be any stranger, Lucy then decided to sign her mother up on Times Encounters, an on-line dating service. And then the fun really began. It was time of chaos, laughter, tears and a lot of very interesting encounters.

Impacting the Seven Mountains from the Courts of Heaven Robert Henderson, 2023-02-21 Robert Henderson started to explore the question, what would the seven mountains of culture look like in a reformed state? There is much talk in the apostolic and prophetic community about reformation and transformation, but sometimes, we don't have a clear vision of what it would actually look like for these spheres of influence to be modeled, shaped, and impacted by believers who carry the Kingdom of God into their everyday places of assignment. As the bestselling teacher and leading authority on the Courts of Heaven, Robert Henderson explores each of the seven mountains of influence—religion, arts and entertainment, media, business, government, family, and education—and gives a powerful vision of what each one could look like if it were transformed and served by the Kingdom of God. However, in order to see principalities broken and ruling spiritual forces dismantled, we must do more than pray standard warfare prayers; we must enter the Courts of Heaven to contend for Kingdom influence and impact! In *Impacting the Seven Mountains from the Courts of Heaven*, you will... Receive a prophetic blueprint of each of the seven mountains in a reformed state. Enter the Courts of Heaven to pray for the sphere of influence you have been called to reach and impact. Identify the spiritual powers that are demonically influencing the different spheres of influence. Bring your case before the Courts of Heaven and watch as God brings supernatural reformation to the seven mountains!
