The Last Folk Hero Andrew Dietz, 2006 Publisher description

The Particulars of Peter Kelly Conaboy, 2020-12-08 This might be one of the month's, if not the year's, sweetest books — zaniest, too." —The Washington Post A hilarious addition to the dogoir canon." —People Perhaps the greatest love story ever told." —Refinery29 The feel-good book the world needs. —PopSugar From one of the Internet's most original voices, a hilarious journey through the odd corners of obsessive dog ownership and the author's own infatuation with her perfect dog Peter. The author met Peter in the spring of 2017. He -- calm, puppy-eyed, with the heart of a poet and the soul of, also, a poet -- came to her first as a foster. He was unable to stay with his previously assigned foster for reasons that are none of your business, but which we will tell you were related to frequent urination. The rescue needed someone free of the sort of responsibilities that would force her to regularly leave the house for either work or socializing, and a writer was the natural choice. Thus began a love story for the ages. *The Particulars of Peter* is a funny exploration of the joy found in loving a dog so much it makes you feel like you're going to combust, and the author's potentially codependent relationship with her own sweet dog, Peter. Readers will follow Peter and his owner to Woofstock, the largest outdoor festival for dogs in North America, and accompany them to lessons in Canine Freestyle, a sport where dogs perform a routine set to music, creating the illusion that they're dancing with their owners. From learning about Peter's DNA, to seeing if dogs can sense the presence of ghosts, *The Particulars of Peter* will give readers a smart, entertaining respite from the

harsh world of humans into the funny little world of dogs. Readers will accompany this lovable duo through exciting trips, lessons, quiet moments of connection, and probably a failure or two. By fusing memoir and infotainment, *The Particulars of Peter* promises to refresh the perennially popular dog lit category in a scrumptiously bighearted barnstormer of a book.

The Sense of an Ending Julian Barnes, 2011-10-05 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

A Daughter's Deadly Deception Jeremy Grimaldi, 2016-11-12 Now a Netflix Documentary What Jennifer Did • A sinister plot by a young woman left her mother dead and her father riddled with bullets. “The book is pure story: chronological, downhill, fast.” — *Globe and Mail* From the outside looking in, Jennifer Pan seemed like a model daughter living a perfect life. The ideal child, the one her immigrant parents saw, was studying to become a pharmacist at the University of Toronto. But there was a dark, deceptive side to the angelic young woman. In reality, Jennifer spent

her days in the arms of her high school sweetheart, Daniel. In an attempt to lead the life she dreamed of, she would do almost anything: lie about her whereabouts, forge school documents, and invent fake jobs and a fictitious apartment. For many years she led this double life. But when her father discovered her web of lies, his ultimatum was severe. And so, too, was her revenge: a plan that culminated in cold-blooded murder. And it almost worked, except for one bad shot. The story of Jennifer Pan is one of all-consuming love and devious betrayal that led to a cold-hearted plan hatched by a group of youths who thought they could pull off the perfect crime. 2017 Arthur Ellis Award, Best Nonfiction Book — Winner

They interviewed more than 300 people and 30 organizations in the writing of this book. The Retirement Boom includes tips, stories, exercises, and techniques to help you: Design your own “retirement” and plan for it. Use your time creatively and well. And much, much more.

Behavioral Finance: The Second Generation Meir Statman, 2019-12-02 Behavioral finance presented in this book is the second-generation of behavioral finance. The first generation, starting in the early 1980s, largely accepted standard finance's notion of people's wants as "rational" wants—restricted to the utilitarian benefits of high returns and low risk. That first generation commonly described people as "irrational"—succumbing to cognitive and emotional errors and misled on their way to their rational wants. The second generation describes people as normal. It begins by acknowledging the full range of people's normal wants and their benefits—utilitarian, expressive, and emotional—distinguishes normal wants from errors, and offers guidance on using shortcuts and avoiding errors on the way to satisfying normal wants. People's normal wants include financial security, nurturing children and families, gaining high social status, and staying true to values. People's normal wants, even more than their cognitive and emotional shortcuts and errors, underlie answers to important questions of finance, including saving and spending, portfolio construction, asset pricing, and market efficiency.

Partial Genius Mary Biddinger, 2019-08-15 Poetry. I love this book so much. A work of meticulous craft and profound originality, Mary Biddinger's newest collection of prose poems is one of the best books I've read on our historical moment and the decades that led to it. PARTIAL GENIUS reads like a dossier of the psychological landscape of late capitalist America and the end of empire. In the tradition of John Ashbery, but wholly original in her own vision and voice, Biddinger draws from a deep well of poetic intellect and wit to illuminate the existential threats and imaginative possibilities of our collective self-destruction. In 'The Subject Pool' the speaker watches a man tattoo AU COURANT around her thigh. The tattoo artist has no idea. Every poem is chock-full of revelations in every detail. Reading this book felt like sitting by the fire in some secret location with a double

agent, smoking her pipe telling tales of all that went down right in front of our faces, while we were all driven to distraction by outrage. To paraphrase Kim Gordon of Sonic Youth, She's got it all in this book.--Heather Derr-Smith 'How many days since you began your last panic...?' Mary Biddinger asks in her latest collection. Quirky, imaginative, and wry in tone, PARTIAL GENIUS is a book that thwarts expectation, turns convention on its head, surprises and delights. Within a narrative scaffolded like a twisting stairway or maze-like hall, these fascinating poems feature high school reunions, job interviews, broken dioramas, and birth control pills; they showcase apologies, parlor games, and consolation prizes, intricacies, illusions, and tricks. Comfort is found in a bar of bathroom soap. An assistant manager wonders why a blazer is named for fire. A radio is implanted in the chest as a companion to the heart. Spheres of uncertainty juxtaposed against landscapes of failure create the book's complex beauty and dangerous edge, as Biddinger claims, 'The best part of figure skating was getting cut.' PARTIAL GENIUS comes to us as both a study of despair and a gleaming beacon of hope.--Jennifer Militello

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet

Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Big Bones Laura Dockrill, 2018-03-08 The heartwarming new novel from the sparkling Laura Dockrill, introducing Bluebelle, and her moving, hilarious take on food, body image and how we look after ourselves and others. It's a food diary. I have to tell the truth. That's the point. Bluebelle, aka BB, aka Big Bones - is a sixteen-year-old girl encouraged to tackle her weight even though she's perfectly happy, thank you, and getting on with her life and in love with food. Then a tragedy in the family forces BB to find a new relationship with her body and herself. . . Tuck in for best mates, belly laughs, boys and the best Bakewell tart. ---- Love for BIG BONES 'Big Bones is the book I wish I'd had as a teenager and Bluebelle is a friend I wish I had today. Laura has written a beautiful love letter to some of the most important things in life: friends, family and food.' Lindsey Kelk 'Stuffed with lashings of laugh-out-loud loveliness (just wait until you read about Bum Tills...), relatable real-life truths and love in all its complicated, dizzying forms (food-love, friend-love, sisterly-love, boy-

love, self-love), this is, quite simply, the best YA book about self-esteem and body image I've ever read' Lovereading

Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether

subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

The Wednesday Wars Gary D. Schmidt, 2007 During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

Logical Reasoning Bradley Harris Dowden, 1993 This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.
