Hillary Miller

Drop Dead Babette Cole, 1998 'Bald and wrinkly' Grandma and Grandad recall to their grandmother their entire lives which have been more colourful and bizarre than anyone could possibly imagine. Adventurous babies, outrageous school children, disastrous and experienced teenagers who grow up to be a stunt man film star. . . But despite the hazards they have survived, they expect one day to just drop down dead like everyone else. But their story doesn't stop there, because once dead, they could be recycled as anything. . .

Drop Dead Hillary Miller, 2016-10-15 Winner, 2017 American Theater and Drama Society John W. Frick Book Award Winner, 2017 ASTR Barnard Hewitt Award for Outstanding Research in Theater History Hillary Miller's *Drop Dead: Performance in Crisis, 1970s New York* offers a fascinating and comprehensive exploration of how the city's financial crisis shaped theater and performance practices in this turbulent decade and beyond. New York City's performing arts community suffered greatly from a severe reduction in grants in the mid-1970s. A scholar and playwright, Miller skillfully synthesizes economics, urban planning, tourism, and immigration to create a map of the interconnected urban landscape and to contextualize the struggle for resources. She reviews how numerous theater professionals, including Ellen Stewart of La MaMa E.T.C. and Julie Bovasso, Vinnette Carroll, and Joseph Papp of The Public Theater, developed innovative responses to survive the crisis. Combining theater history and close readings of productions, each of Miller's chapters is a case study focusing on a company, a production, or an element of New York's theater infrastructure. Her expansive survey visits Broadway, Off-, Off-Off-, Coney Island, the Brooklyn Academy of Music, community theater, and other locations to bring into focus the large-scale changes wrought by the financial realignments of the day. Nuanced, multifaceted, and engaging, Miller's lively account of the financial crisis and resulting transformation of the performing arts community offers an essential chronicle of the decade and demonstrates its importance in understanding our present moment.

Drop Dead, Gorgeous MaryJanice Davidson, 2010-12-01 Fast. Powerful. Deadly. With bitchin' highlights. Ah, weddings--every single woman's reminder that she'll probably die alone, covered in cat hair and dressed in unflattering sweatpants. And as far as bad wedding experiences go, my friend Stacy's could take the cake. 1) I'm dateless 2) I'm a bridesmaid, and 3) Someone just attempted to whack the groom in the middle of the ceremony. Whoa. . .hang on. Anyone who tries to ruin a girlfriend's big day by bumping off her true love will have to go through me first. So now I, assistant

hairdresser Jenny Branch, am helping to hunt down a real-life bad guy, and the prime suspect is Kevin Stone, who claims to be working undercover for a group called Covert Ops Protection. Riiiiight. All of this is hard to believe--especially the way this unbelievably sexy villain/double agent/whatever Kevin is makes every (and I mean every) nerve-ending tingle the second he comes into view. . . Praise for MaryJanice Davidson Unwavering in her humor and saucy, yet realistic, with the sex.--Romantic Times

Dew Drop Dead James Howe,2012-01-24 Snooping around the mysteriously abandoned Dew Drop Inn, Sebastian Barth and his best friends, David Lepinsky and Corrie Wingate, are startled to come upon what they are certain is a dead body. Sebastian is the first to put into words what they all believe: A murder has been committed. When they return with the police, however, the body is gone! A homeless man sleeping off a drink, is the police chief's explanation. But Sebastian and his friends are not ready to believe that. They are sure the body they saw was dead, not unconscious. As the three undertake their own further investigation, more and more questions arise: Who was the man? Was he alone? And most important of all, is there a connection between the man they saw and one or more of the homeless people Corrie's father, a minister, is trying to help? The answers to the questions do not come until the three have made a number of discoveries, some of them more horrifying than they had expected. Dew Drop Dead is the fourth mystery in the Sebastian Barth series. Using rural Connecticut as a background, this tension-filled story is told with a unique blend of humor and seriousness, as it unravels a challenging puzzle and explores a difficult social problem.

Drop Dead Healthy A. J. Jacobs, 2012-04-10 From the bestselling author of *The Year of Living Biblically* and *The Know-It-All* comes the true and truly hilarious story of one person's quest to become the healthiest man in the world. Hospitalized with a freak case of tropical pneumonia, goaded by his wife telling him, "I don't want to be a widow at forty-five," and ashamed of a middle-aged body best described as "a python that swallowed a goat," A.J. Jacobs felt compelled to change his ways and get healthy. And he didn't want only to lose weight, or finish a triathlon, or lower his cholesterol. His ambitions were far greater: maximal health from head to toe. The task was epic. He consulted an army of experts— sleep consultants and sex clinicians, nutritionists and dermatologists. He subjected himself to dozens of different workouts—from Strollercize classes to Finger Fitness sessions, from bouldering with cavemen to a treadmill desk. And he took in a cartload of diets: raw foods, veganism, high protein, calorie restriction, extreme chewing, and dozens more. He bought gadgets and helmets, earphones and juicers. He poked and he pinched. He counted and he measured. The story of his transformation is not only brilliantly entertaining, but it just may be the healthiest book ever written. It will make you laugh until your sides split and endorphins flood your bloodstream. It will alter the contours of your brain, imprinting you with better habits of hygiene and diet. It will move you emotionally and get you moving physically in surprising ways. And it will give you occasion to reflect on the body's many mysteries and the ultimate pursuit of health: a well-lived life.
