Healthy Past 100 Steven M. Teagarden
DC, 2023-08-10 Healthy Past 100 was written
explicitly for those longing to be extraordinarily
healthy—even past their 100th birthday. This
breakthrough book is based on thousands of
cutting-edge science articles identifying the
causes of optimal health vs sickness and disease.
Healthy Past 100 puts a wealth of cutting-edge,
science-based healthcare information at your
fingertips, empowering you to make the healthiest
choices for you and your family. Healthy Past 100
is several books in one, and it also contains a
mouthwatering keto cookbook that's exclusively
based on the most nourishing ingredients you can
consume. This life-changing book is based on the
Short List, i.e., a distillation of the core
factors involved in being healthy past 100. The
Short List includes: The Metabolic Masterplan
Diet: the Metabolic Masterplan Diet may be the
world's most advanced ketogenic diet. Nothing
improves your health as much as following this
research-based, anti-inflammatory, gut-healing
ketogenic diet. Nutrition and Supplements:
providing your cells with all the nutrients they
require to function optimally is key to a long,
healthy life. Healthy Past 100 shows you exactly
which nutrients you need and which ones to

supplement with. Metabolism: carbohydrates and sugar damage your metabolism (the process of creating energy in your cells), causing serious health issues. Healthy Past 100 teaches you to heal and optimize your metabolism, and which tests to rely on to know—not guess—that your metabolism is as healthy as can be. Chronic Inflammation: this widespread health issue underlies all diseases, and must be healed to experience optimal health. Healthy Past 100 rids you of chronic inflammation—now and forever—paving the way to lasting health. Gut Health: most humans deal with significant gut issues. Fortunately, Healthy Past 100's innovative gut healing method leads to lifelong optimized gut health. Psychology: psychology is how you think, feel, act, behave and respond to life's circumstances. Healthy Past 100 provides the tools to heal and optimize your psychology, which is foundational to a healthy, fulfilling life. Thyroid Physiology: inefficient thyroid physiology impairs your body and mind, zaps your energy and causes many diseases. Healthy Past 100 explains how thyroid physiology works, how to heal it, and the tests determining if it's in tip-top shape. Exercise: crucial to your health and well-being, exercise must be performed regularly. Healthy Past 100 teaches you which exercises help you become healthy past 100. Detoxification: humans are routinely exposed to dangerous heavy metal toxins. Healthy Past 100 shows you how to rid these harmful metals from your body and minimize your exposure to them in the future. Oxidative Stress: oxidative stress is a primary cause of aging, sickness, disease and death. It has many causes, including carbohydrates, sugar, poor nutrition and impaired gut health. Healthy Past 100 helps you optimize oxidative stress where it matters most: within the mitochondria in your cells. Spiritual/Religious Life: extraordinary health stems from optimal

physical, psychological and spiritual well-being. It's just as important to focus on your spiritual fitness as it is to heal your physical body, and Healthy Past 100 helps you do both. This pioneering book has been written to help you experience extraordinary health past your 100th birthday. If you're ready to be healthy past 100, this is the book you've been waiting for!
