Who Owns Whom R. McGregor,2012-12-06 The thirteenth edition of McGregor's Who Owns Whom presents a summary of the annual report of every company listed on the Johannesburg stock exchange, plus those on the stock exchanges of Harare, Windhoek and Gaborone. For each company, the data presented include: ultimate controlling shareholder, shareholders above 1%, directors, addresses of registered offices, nature of business, year end, number of employees, capital structure, financial statistics and ratios, subsidiaries, associated companies and investments. Comprehensive indexes reveal the ownership of approximately 16,000 companies, the share portfolios of major S.African investors, and the cross-directorships of 4000 directors of listed companies. Detailed schedules provide additional data including newly listed companies, companies recently delisted, companies categorised by sector, companies listed by financial year end, company name changes, unit trusts, mines working results, and much more.

Philip of Spain Henry Kamen,1997-05-29 This book, published four hundred years after Philip's death, is the first full-scale biography of the king. Placing him within the social, cultural, religious and regional context of his times, it presents a startling new picture of his character and reign. Drawing on Philip's unpublished correspondence and on many other archival sources, Henry Kamen reveals much about Philip the youth, the man, the husband, the father, the frequently troubled Christian and the king. Kamen finds that Philip was a cosmopolitan prince whose extensive experience of northern Europe broadened his cultural imagination and tastes, whose staunchly conservative ideas were far from being illiberal and fanatical, whose religious attitudes led him to accept a practical coexistence with Protestants and Jews, and whose support for Las Casas and other defenders of the Indians in America helped determine government policy. Shedding completely new light on most aspects of Philip's private life and, in consequence, on his public actions, this book is the definitive portrayal of Philip II.
