Tweak It and Freak It Paul McFedries, 2009-03-27 Tweak It and Freak It A Killer Guide to Making Windows Run Your Way Hundreds of millions of people use Windows every day, and it's a safe bet that some of them would not describe themselves as happy campers. Regardless of skill level, most people have something they dislike about Windows, and they often have a whole laundry list of Windows gripes. "Why can't Windows do this rather than that?" "Why does Windows do X instead of Y?" "Wouldn't it be great if Windows could do Z?" Most people think Windows is set in stone, but it isn't! Strip off that veneer and a whole world comes into view, one that's hackable, moddable, tweakable, customizable, and personalizable. This book shows you the tools and technologies that anyone can use to hack almost every aspect of Windows, from startup to shutdown, from the interface to the Internet, from security to scripting.

- Speed up your tired PC with a fistful of easy-to-do, but oh so powerful tweaks!
- Tired of looking at the same old Windows day in and day out? So are we! That's why we show you how to give Windows a makeover!
- Want to be more productive at work or home? This book is full of productivity tweaks that not only make Windows more fun to use, but also save you tons of time.
- Create custom backup routines that safeguard your precious data.
- Tighten the security of your PC and your network to stop would-be thieves in their tracks.
- Dual-boot Windows XP and Vista on the same machine, or dare we say it, run MacOS on your PC! We won't tell.

Tweak Nic Sheff, 2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control. But control was something I'd lost a long time ago.' Nic Sheff was drunk for the first time at age 11. In the years that followed, he would regularly smoke pot, do cocaine and ecstasy, and develop addictions to crystal meth and heroin. Even so, he felt like he would always be able to quit and put his life together whenever he needed to. It took a violent relapse one summer to convince him otherwise. In a voice that is raw and honest, Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery. He paints an extraordinary picture for us of a person at odds with his past, with his family, with his substances, and with himself. *Tweak* is a raw, harrowing, and ultimately hopeful tale of the road from relapse to recovery and complements his father's parallel memoir, *Beautiful Boy*. Praise for Nic Sheff:- 'Difficult to read and impossible to put down.' Chicago Tribune 'Nic Sheff's wrenching tale is told with electrifying honesty

and insight.' Armistead Maupin

Tweak to Transform Mike Hughes, 2002-06-01 Improving teaching is the key to genuine and sustainable school improvement. Improvement involves persuading teachers to change and develop their practice but, as anyone who has ever tried will testify, this is far from easy. The focus of Tweak to Transform is what head teachers and school leaders can do to manage the change process and improve the quality of teaching in a school.

Essentially, *Tweak to Transform* is a practical handbook that seeks to address three questions: - What do we know about change? - What do we know about learning? - What do we know about leading and managing the improvement process? While there is no single successful recipe for improving teaching in a school, this book attempts to establish some key principles. The result is a collection of thoughts, activities strategies and models that have been developed and successfully implemented in a wide range of schools.

Summary of Nic Sheff's Tweak Everest Media, 2022-03-25T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I had heard

rumors about what happened to Lauren. I never even knew her that well, but we had sort of hung out a few times in high school. She had moved to San Francisco when I was a senior and we met somehow. I was sleeping with her for about two weeks. #2 I had been sober for exactly eighteen months when I met with my sponsor, Lauren Sheff, who I had known from rehab. I was surprised by my own actions. I had stopped going to meetings, and my mind would talk to me about how much better I was than everyone else. #3 I was with Zelda, a woman I thought I was madly in love with, until she got pregnant with her boyfriend's child. I was crushed. I couldn't handle it. I relapsed and drove up the 5, drinking from a bottle of Jäger. #4 I spent the last four years chasing that first high. I wanted desperately to feel that wholeness again. I was like, This time, it will be different. But I couldn't just stop. I was being held captive by an insatiable monster that wouldn't let me stop.

Chelsea Manning Cathleen Small, 2018-07-15 Certain figures in history have proved to be particularly polarizing: are they a hero or are they a villain? The answer is rarely one

or the other; most are complex individuals that can fit either profile depending on the situation. In the recent past, Chelsea Manning has been such a figure. After leaking thousands of classified and sensitive military and diplomatic documents, she was sentenced to thirty-five years in prison, but her sentence was commuted by President Obama shortly before he left office. Careful examination of Manning's actions and the culture and events surrounding them will provide readers with a nuanced view of this public figure.
