**Van Halen Rising** Greg Renoff, 2015-10-01 A vivid and energetic history of Van Halen's legendary early years After years of playing gigs everywhere from suburban backyards to dive bars, Van Halen — led by frontman extraordinaire David Lee Roth and guitar virtuoso Edward Van Halen — had the songs, the swagger, and the talent to turn the rock world on its ear. The quartet's classic 1978 debut, Van Halen, sold more than a million copies within months of release and rocketed the band to the stratosphere of rock success. On tour, Van Halen's high-energy show wowed audiences and prompted headlining acts like Black Sabbath to concede that they'd been blown off the stage. By the year's end, Van Halen had established themselves as superstars and reinvigorated heavy metal in the process. Based on more than 230 original interviews — including with former Van Halen bassist Michael

Anthony and power players like Pete Angelus, Marshall Berle, Donn Landee, Ted Templeman, and Neil Zlozower — Van Halen Rising reveals the untold story of how these rock legends made the unlikely journey from Pasadena, California, to the worldwide stage.

Transfluence Walt Rakowich, 2020-09-29 Walt Rakowich brings a real-world perspective to leadership that's based on experience, not just theory. Walt was CEO of Prologis, the world's largest owner of industrial warehouses and a critical partner to companies

distributing products throughout the global supply chain. The company was near bankruptcy when Walt took over at the height of the Great Recession. While leading Prologis back to prominence, and in the years since, Walt realized leaders today must lean into timeless values and principles, but with a fresh perspective on the new realities of our leadership climates. The modern leadership environment exists at the convergence of three distinct and dynamic climates: the climates of access, diversity, and acceleration. On their own or in the aggregate, these climates produce significant opportunities and tensions that will challenge leaders for generations. With a fundamental understanding of these climates, leaders develop a selfless approach that withstands the toughest storms. Transfluence shows leaders how they can have transformative influence by overcoming their fears and pride, building transparency into their leadership, developing a strong core of authentic values, and passionately pursuing a meaningful purpose. When leaders do this, they seize opportunities, embrace challenges, and make their organizations and communities greater than ever.

**The Apollo Murders** Chris Hadfield, 2021-10-12 From New York Times bestselling author and astronaut Chris Hadfield comes this exceptional thriller and exciting journey into the dark heart of the Cold War and the space race (Andy Weir, author of *The Martian* and *Project Hail Mary*). 1973: a final, top-secret mission to the Moon. Three astronauts in a tiny spaceship, a quarter million miles from home. A quarter million miles from help. NASA is about to launch Apollo 18. While the mission has been billed as a scientific one, flight controller Kazimieras Kaz Zemeckis knows there is a darker objective. Intelligence has discovered a secret Soviet space station spying on America, and Apollo 18 may be the only

chance to stop it. But even as Kaz races to keep the NASA crew one step ahead of their Russian rivals, a deadly accident reveals that not everyone involved is quite who they were thought to be. With political stakes stretched to the breaking point, the White House and the Kremlin can only watch as their astronauts collide on the lunar surface, far beyond the reach of law or rescue. Full of the fascinating technical detail that fans of *The Martian* loved, and reminiscent of the thrilling claustrophobia, twists, and tension of *The Hunt for Red October*, *The Apollo Murders* is a high-stakes thriller unlike any other. Chris Hadfield captures the fierce G-forces of launch, the frozen loneliness of space, and the fear of holding on to the outside of a spacecraft orbiting the Earth at 17,000 miles per hour as only someone who has experienced all of these things in real life can. Strap in and count down for the ride of a lifetime. Packed with cosmic action... Featuring undercover spies, scheming Russians and psychopathic murderers, sometimes all at once, it teems with authoritative details. —The New York Times “Nail-biting . . . I couldn’t put it down.” —James Cameron, writer and director of *Avatar* and *Titanic* “Not to be missed.” —Frederick Forsyth, author of *The Day of the Jackal* “An explosive thriller by a writer who has actually been to space . . . Strap in for the ride!” —Gregg Hurwitz, author of *Orphan X*

*Faces of Evil* Colin McComb, 1997-09

Discerning Grace (The White Sails Series Book 1) Emma Lombard,2021-02-22 Slow-burn

historical women's fiction with a splash of romance—think: the love child of books like *Bridgerton* mixed with *Pirates of the Caribbean*. As the first full-length novel in The White Sails Series, *DISCERNING GRACE* captures the spirit of an independent woman whose feminine lens blows the ordered patriarchal decks of a 19th century tall ship to smithereens. Wilful Grace Baxter, will not marry old Lord Silverton with his salivary incontinence and dead-mouse stink. Discovering she is a pawn in an arrangement between slobbery Silverton and her calculating father, Grace is devastated when Silverton reveals his true callous nature. Refusing this fate, Grace resolves to stow away. Heading to the docks, disguised as a lad to ease her escape, she encounters smooth-talking naval recruiter, Gilly, who lures her aboard HMS *Discerning* with promises of freedom and exploration in South America. When Grace's big mouth lands her bare-bottomed over a cannon for insubordination, her identity is exposed. The captain wants her back in London but his orders, to chart the icy archipelago of Tierra del Fuego, forbid it. Lieutenant Seamus Fitzwilliam gallantly offers to take Grace off the fretting captain's hands by placing her under his protection. Grace must now win over the crew she betrayed with her secret, while managing her feelings towards her taciturn protector, whose obstinate chivalry stifles her new-found independence. But when Grace disregards Lieutenant Fitzwilliam's warnings about the dangers of the unexplored archipelago, it costs a friend his life and she realises she is not as free as she believes. *DISCERNING GRACE* is historical women's fiction that will appeal to fans of Claire Fraser from *Outlander* and Demelza Poldark from *Poldark*—in other words, fans of feisty historical female leads.
