Just Pursuit Laura Coates, 2023-01-17 This instant New York Times bestseller offers “a firsthand, eye-opening story of a prosecutor that exposes the devastating criminal punishment system” (Ibram X. Kendi, National Book Award-winning author of *How to Be an Antiracist*) in this “compelling collection of engaging, well-written, keenly observed vignettes from [Laura Coates’s] years as a lawyer with the US Department of Justice” (The New York Times Book Review). When Laura Coates joined the Department of Justice as a prosecutor, she wanted to advocate for the most vulnerable among us. But she quickly realized that even with the best intentions, “the pursuit of justice creates injustice.” Coates’s experiences show that no matter how fair you try to fight, being Black, a woman, and a mother are identities often at odds in

the justice system. She and her colleagues face seemingly impossible situations as they teeter between what is right and what is just. On the front lines of our legal system, Coates saw how Black communities are policed differently; Black cases are prosecuted differently; Black defendants are judged differently. How the court system seems to be the one place where minorities are overrepresented, an unrelenting parade of Black and Brown defendants in numbers that belie their percentage in the population and overfill American prisons. She also witnessed how others in the system either abused power or were abused by it—for example, when an undocumented witness was arrested by ICE, when a white colleague taught Coates how to unfairly interrogate a young Black defendant, or when a judge victim-blamed a young sexual assault survivor based on her courtroom attire. Through these “searing, eye-opening” (People) scenes from the courtroom, Laura Coates explores the tension between the idealism of the law and the reality of working within the parameters of our flawed legal system, exposing the chasm between what is right and what is lawful.

God@Work Rich Marshall, 2011-07-28 ...He has made us kings and priests... (Revelations 1:6 NKJV) God is showing up in places we have never imagined. We thought He was just for Sunday church or mid-week study. But God is showing up in small businesses and on construction sites, in schools and in politics. He is in factories and at check-out counters, at nurses' stations and the stock exchange. God is showing up everywhere outside of where we expect Him to be. So what does it mean? We serve a God who is not acting like we thought He should act. This book is an awesome tool of discovery to learn not only what God wants, but how we can cooperate with His plan for the nations, not just the Church. Discover how He want you to step into a realm of ministry and fulfillment you have never dreamed possible. Learn how your work is the

powerful dynamic of God's purposes for your life. This book is the beginning of new possibilities for those who are willing to see that God is bigger than they thought He was.

Catfishing on CatNet Naomi Kritzer, 2019-11-19 LODESTAR AWARD WINNER FOR BEST YOUNG ADULT BOOK From Hugo and Locus Award-winning author Naomi Kritzer, *Catfishing on CatNet* is a thought-provoking near future YA thriller that could not be more timely as it explores issues of online privacy, artificial intelligence, and the power and perils of social networks. A New York Times Book Review Editors' Choice/Staff Pick A Kirkus Reviews Best Book A Junior Library Guild Selection An Edgar Award Winner for Best Young Adult Novel A Minnesota Book Award Winner for Best Young Adult Novel An Andre Norton Nebula Award Finalist An ITW Thriller Award for Best YA Novel Nominee A Lodestar Award Winner for Best Young Adult Book "A pure delight...that's as tender and funny as it is gripping and fast-paced. This book is perfect. From the believable teenage voices to the shockingly effective thriller plot, it swings effortlessly from charming humor to visceral terror, grounding it all in beautiful friendships, budding romance, and radical acceptance." –The New York Times Because her mom is always on the move, Steph hasn't lived anywhere longer than six months. Her only constant is an online community called CatNet—a social media site where users upload cat pictures—a place she knows she is welcome. What Steph doesn't know is that the admin of the site,

CheshireCat, is a sentient A.I. When a threat from Steph's past catches up to her and CheshireCat's existence is discovered by outsiders, it's up to Steph and her friends, both online and IRL, to save her. "Alongside the uplifting message about inclusivity, diversity, and found family—characters of various ethnicities identify as gay, bisexual, nonbinary, asexual, and still exploring—Kritzer's take on a benevolent AI is both whimsical and poignant. An entertaining, heart-filled exploration of today's online existence and privacy concerns." —Publishers Weekly, starred review At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
