It's planned to improve them and increase their number. You can find more dictionaries in this store.

A Frequency Dictionary of Dutch Carole Tiberius, Tanneke Schoonheim, 2013-12-17 A Frequency Dictionary of Dutch is a valuable tool for all learners of Dutch, providing a list of the 5,000 most frequently used words in the language. Based on a 290 million word corpus which includes both written and spoken material from a wide range of sources, this dictionary presents Dutch core vocabulary in a detailed and clearly arranged manner: each of the 5,000 entries includes English equivalents and a sample sentence showing language in use. Users can access the top 5,000 words either through the main frequency listings or an alphabetical index. Throughout the frequency listings there are thematically organized lists featuring the top words from a variety of key topics such as animals, food and other areas of daily and cultural life. Words specific to Dutch in Belgium (Belgian Dutch) are also included. An engaging and efficient resource, A Frequency Dictionary of Dutch will enable students of all levels to get the most out of their study. This book was prepared in association with the Instituut voor Nederlandse Lexicologie (INL, Institute of Dutch Lexicology). A CD version is available to purchase separately. Designed for use by corpus and computational linguists, it provides the full text in a format that researchers can process and turn into suitable lists for their own research purposes.

Dutch Frequency Dictionary for Learners MostUsedWords, E. Kool, 2017-10-07 All Dutch Vocabulary You'll Need, In One Book. With this book, you can learn Dutch fast and efficiently: This book contains practical vocabulary for both spoken and written Dutch. Why Study By Frequency?: In any given language, you only use about 1000 different words a day in day-to-day spoken language. These high frequency words account for about 95% of all spoken language. When it comes to reading; the 2.000 most used words account for about 85% of all that is written. The most used 10.000 words account for 99% of all spoken and 98% of all written Dutch text. How Much Vocabulary Do You Need To Know? While it's important to note it's impossible to pin down these numbers and statistics with 100% accuracy, these are a global average of multiple sources.

According to scientific research, this is the amount of vocabulary needed for varying levels of fluency: 1. 250 words: the essential core of a language. Without these words, you cannot construct sentences. 2. 750 words: those that are used every single day by every person who speaks the language. 3. 2500 words: those that should enable you to express everything you could possibly want to say, although some creativity might be required. 4. 5000 words: the active vocabulary of native speakers without higher education. You will understand 95% of all written texts. 5. 10,000 words: the active vocabulary of native speakers with higher education. 6. 20,000 words: the amount you need to recognize passively in order to read, understand, and enjoy a work of literature such as a novel by a notable author. Keeping above facts in mind, the value of a frequency dictionary is immense. At least, that is if you want to become fluent in a language fast. Study the most frequent words, build your vocabulary and progress naturally. Sounds logical, right? What is Inside This Book? A frequency list of the most frequently used Dutch words, based on analysis of 10 gigabytes of Dutch subtitles, the equivalent of 40.000 books of 200 pages each; a good-sized library. A large base text collection is absolutely vital to establishing a good general frequency list. Subtitles have the advantage of corresponding both to written and spoken language, so you get the best of both worlds. The Dutch to English Frequency Dictionary for Learners can roughly be divided in three parts. * 10.000 Dutch words in ranked by general frequency * Frequency ranking by part of speech (E.G, The most used adjectives, nouns, verbs, etc) * 10.000 Words in Alphabetical order Summary The Dutch Frequency Dictionary for Learners gives you a practical word list to learn Dutch vocabulary. Study the most used words to rapidly gain a base vocabulary in Dutch. These high frequency words are a great tool for beginners, intermediate and advance students of Dutch. The frequency dictionary can be used as a stand-alone tool, or in combination with any other language learning program, app or book. This book roughly covers CEFR vocabulary ratings from A1 (absolute beginner) to C2+ (mastery). Invest this book, and invest in yourself. You will amaze yourself, and your friends and family by how fast you're progressing in your journey of speaking Dutch.

Dutch Vocabulary Book Pinhok Languages, 2022-04-30 Dutch vocabulary book + Dutch dictionary This Dutch vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Dutch-English as well as English-Dutch dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Dutch learning resource is a combination of Dutch vocabulary book and a two-way basic Dutch dictionary: Part 1 - Topic based Dutch vocabulary book: This is the main part of the book and represents a list of chapters each containing Dutch vocabularies for a certain topic. The Dutch vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Dutch dictionary: The index in the second half of the book can be used as a basic Dutch dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Dutch-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Dutch words and directly find the English translation How to use this Dutch vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Dutch dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Dutch translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Dutch dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Dutch and comes in particularly handy at times when there is no internet to look up words and phrases.
