Rewarding Provider Performance Institute of Medicine,Board on Health Care Services,Committee on Redesigning Health Insurance Performance Measures, Payment, and Performance Improvement Programs,2007-02-17 The third installment in the Pathways to Quality Health Care series, Rewarding Provider Performance: Aligning Incentives in Medicare, continues to address the timely topic of the quality of health care in America. Each volume in the series effectively evaluates specific policy approaches within the context of improving the current operational framework of the health care system. The theme of this particular book is the staged introduction of pay for performance into Medicare. This book features conclusions and recommendations that will be useful to all stakeholders concerned with improving the quality and performance of the nation's health care system in both the public and private sectors.

Upside Down Eduardo Galeano,2014-05-13 From the winner of the first Lannan Prize for Cultural Freedom, a biting funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable Memory of Fire Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in Upside Down, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a program of study about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in The Impunity of Power to a seminar on The Sacred Car--with tips along the way on How to Resist Useless Vices and a declaration of The Right to Rave--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, Upside Down makes us see the world anew and even glimpse how it might be set right. Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope. -Los Angeles Times, front page

It is the twenty-first century and a crew of pirates is terrorizing the San Francisco Bay. Phil is a husband, a father, a struggling radio producer and the owner of a large condo with a view of the water. But he'd like to be a rebel and a fortune hunter. Gwen is his daughter. She's fourteen. She's a student, a swimmer and a best friend. But she'd like to be an adventurer and an outlaw. Phil teams up with his young, attractive assistant. They head for the open road, attending a conference to seal a deal. Gwen teams up with a new, fierce friend and some restless souls. They head for the open sea, stealing a boat to hunt for treasure. We Are Pirates! is a novel about our desperate searches for happiness and freedom, about our wild journeys beyond the boundaries of our ordinary lives. Also, it's about a teenage girl who pulls together a ragtag crew to commit mayhem in the San Francisco Bay, while her hapless father tries to get her home.
