Mapping between X.400 (1988)/ISO 10021 and RFC 822

Steve Hardcastle-Kille, 1992 Describes a set of mappings which will enable interworking between systems operating the CCITT X.400 (1988) Recommendations on Message Handling Systems / ISO IEC 10021 Message Oriented Text Interchange Systems (MOTIS) [CCITT/ISO88a], and systems using the RFC 822 mail protocol [Crocker82a] or protocols derived from RFC 822. Not Without Hope Nick Schuyler, Jere Longman, 2010-12-28 On February 28, 2009, Nick Schuyler went on a deep-sea fishing trip with three friends: NFL players Marquis Cooper and Corey Smith, and Will Bleakley, former University of South Florida football player and Nick's best friend. What was supposed to be a day of fun and relaxation aboard Cooper's twenty-one-foot vessel turned nightmarish in the Gulf of Mexico, seventy miles west of Tampa, Florida, when a tragic mistake caused their boat to capsize. With no food or water, no emergency beacon to alert authorities, the four athletes clung to the overturned hull through the night—battling hypothermia, hallucinations, hunger, dehydration, and huge pounding waves, as they prayed, spoke of their loved ones, and shared what they would have done differently with their lives. In the end, only one would reach dry land alive. Much more than a riveting true account of survival, *Not Without Hope* is Nick Schuyler's inspiring story of courage, resolve, and friendship.

Mark West & Molly Rose Jeff Barnett-Winsby,2010 Artist Jeff Barnett-Winsby's attraction to persons exiled to the fringes of society led him to photograph in Lansing Prison, in Lansing, Kansas. A year into his project, he found out that in February 2006, a convicted killer named John Maynard had escaped from the prison, concealed inside a dog crate, with the help of a volunteer who worked at the facility named Toby Young. Maynard and Young, operating under the aliases Mark West and Molly Rose, were captured two weeks later, after a high-speed chase, in Tennessee. Illustrated in color and black and white, this book is a collection of Barnett-Winsby's photographs of and correspondence with the two lovers, both before and after the escape, and a unique record of an extraordinary tale of escape. I have always been fascinated with loneliness and the outsider in society, Barnett-Winsby writes, of his attraction to West and Rose's extraordinary story. Growing up, I felt pretty out of it (who doesn't?) and was always in trouble for something. His reconstructed narrative of their tale constitutes a highly original portrait.

An Egyptian Book of the Dead Paul F. O'Rourke,2016-12-20

The first-ever translation of the ancient Egyptian Book of the Dead of Sobekmose—fully illustrated and explained by a leading Egyptologist, offering fascinating insights into one of the greatest civilizations of the ancient world The Book of the Dead of Sobekmose, in the collection of the Brooklyn Museum, is one of the most important surviving examples of ancient Egyptian Books of the Dead. Such “books”—actually papyrus scrolls—were composed of traditional funerary texts, including magic spells, which were thought to assist the deceased on their journeys into the afterlife. The ancient Egyptians believed in an underworld fraught with dangers that needed to be carefully navigated, from the familiar, such as snakes and scorpions, to the extraordinary: lakes of fire to cross, animal-headed demons to pass, and the ritual Weighing of the Heart, whose outcome determined whether or not the deceased would be born again into the afterlife for eternity. Virtually all of the existing published translations of material from the Book of the Dead corpus are compilations of various texts drawn from a number of sources, and many translations are available only in excerpt form. This publication is the first to offer a continuous English translation of a single, extensive, major text from beginning to end in the order in which it was composed. This new translation not only represents a great step forward in the study of these texts but also grants modern readers a direct encounter with what can seem a remote and alien, though no less fascinating, civilization.
