Moon-face and Other Stories Jack London,1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

The Veiled Web Catherine Asaro,2022-09-27 “A near-future layering of East and West, of religion and technology . . . and of love and its loss—all woven into an intriguing tapestry.” —Diana Gabaldon, bestselling author of the Outlander series Winner of the Homer Award for Best Science Fiction Novel A renowned prima ballerina, Lucia del Mar is far more comfortable expressing herself through dance than with words. Shy and introverted, she spends most of her spare time on her laptop. Still, Lucia's job forces her out of her comfort zone, which is how she winds up at a White House reception where she meets Rashid al-Jazari, the wealthy CEO of a multinational corporation. Although attracted to him, Lucia can't help but feel awkward and shrugs off their encounter as a one-time event. Not realizing he feels a similar attraction, she never imagines Rashid will seek out her performances; he is the last person she expects to see when her dance company travels to Italy. Their reunion takes an even more unexpected turn when they're both drugged and kidnapped. Although they overcome their abductors, it leaves them stranded in North Africa. For her own safety, Lucia agrees to marry Rashid, at least for the time being. As she recovers at his family compound in Morocco, reeling from their brush with danger, she struggles to fit into a culture she knows nothing about—and to deal with her growing feelings for Rashid. At the same time, at his secret office there, Rashid is developing a dramatic leap forward in artificial intelligence combined with virtual reality. He finds himself plunged into a fight for control of his work against powerful international forces, and caught in the middle, Lucia is swept into that battle . . . “A terrific novel, ripping a path from today's headlines to tomorrow's realities.” —Robert J. Sawyer, Nebula Award-winning author

A Woman Like Me Bettye LaVette,David Ritz,2012-09-27 Acclaimed R&B singer Bettye LaVette celebrates her storied career in show business with her stunning memoir, A Woman Like Me, and her new album, Thankful N' Thoughtful. As a teenager in Detroit, Bettye LaVette had a hit single with “My Man—He's a Lovin' Man.” By the time she was twenty, she had faded back into obscurity and was barely surviving in New York City. For the next forty years, despite being associated with legends such as Aretha Franklin, Otis Redding, Marvin Gaye, and James Brown, she remained relatively unknown outside a circle of devoted fans. Every time it seemed that her dream of stepping into the spotlight was finally coming true, bad luck smashed her hopes, again and again. Then, after a lifetime of singing in clubs and lounges, her unforgettable televised performances at the 2008 Kennedy Center Honors and at President Obama's pre-Inaugural Concert at the Lincoln Memorial in 2009 won her the recognition she had sought for her entire life. Bettye LaVette's career has been a one-of-a-kind roller-coaster ride through the world of music; it has taken her from the peaks to the pits and back. In this unflinchingly honest memoir, she boldly recounts her freewheeling childhood—her parents ran an illegal liquor business out of their living room, which was frequented by some of the top acts of the forties and fifties—her short-lived conquest of the R&B world in the 1960s, her decline into poverty and despair, and her recent comeback and career revival, with two Grammy-nominated CDs and numerous appearances on major television talk shows. Poignant, brazen, and fearless, A Woman Like Me is a tour de force from one of the most outspoken female performers singing today—and she's a force to be reckoned with.
