Focus On: 100 Most Popular Television Series by 20th Century Fox Television Wikipedia contributors,

Thelma & Louise Live! Bernie Cook,2010-01-01 When they floored their Thunderbird off a cliff rather than surrender to the law, Thelma and Louise became icons of female rebellion, provoking strong reactions from viewers who felt either empowered or outraged by the duo's transgressions of women's traditional roles. The 1991 film quickly became—and continues to be—a potent cultural reference point, even inspiring a bumper sticker that declares, Thelma & Louise Live! In this insightful study of Thelma & Louise, six noted film scholars investigate the initial reception and ongoing impact of this landmark film. The writers consider Thelma & Louise from a variety of perspectives, turning attention to the film's promotion and audience response over time; to theories of comedy and the role of laughter in the film; to the film's soundtrack and score; to the performances of stars Susan Sarandon and Geena Davis; to the emergence of Brad Pitt as a star and male sex object; and to the film's place in the history of road and crime film genres. Complementing the scholarly analysis is an in-depth interview of screenwriter Callie Khouri by editor Bernie Cook, as well as reviews of Thelma & Louise that appeared in U.S. News & World Report and Time. Offering myriad new ways of understanding the complex interrelations of gender, identity, and violence, Thelma & Louise Live! attests to the ongoing life and still-evolving meanings of this now-classic film.

The Girl's Guide to Mermaids Sheri Johnson,2011-07 Describes the mystery, cool characteristics, and allure of mermaids, including historical and contemporary examples--

HWM ,2007-07 Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews.

A Knight's Tale - A Teaching Unit for the 11th to 13th Grade Tobias Nahrwold,2008-03 Lesson Plan from the year 2004 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1,0, Bielefeld University, course: Literature and Media, 5 entries in the bibliography, language: English, abstract: In this teaching unit for the 'Gymnasiale Oberstufe' the Brian Helgeland movie 'A Knight's Tale' is examined. The 13 lessons consist of a preparatory phase, then of watching the movie, and finally of a postprocessing phase including a short comparison to the Canterbury Tales. Most of the activities are based on the book 'Literature in the English Classroom' by Collie & Slater.

Justice, Memory and Redress in Romania Lavinia Stan,Lucian Turcescu,2017-01-06 Are there any lessons Romania can teach transitional justice scholars and practitioners? This book argues that important insights emerge when analyzing a country with a moderate record of coming to terms with its communist past. Taking a broad definition of transitional justice as their starting point, contributors provide fresh assessments of the history commission, court trials, public identifications of former communist perpetrators, commemorations, and unofficial artistic projects that seek to address and redress the legacies of communist human rights violations. Theoretical and practical questions regarding the continuity of state agencies, the sequencing of initiatives, their advantages and limitations, the reasons why some reckoning programs are enacted and others are not, and these measures' efficacy in promoting truth and justice are answered throughout the volume. Contributors include seasoned scholars from Romania, Canada, the United States, and the United Kingdom, and current and former leaders of key Romanian transitional justice institutions.

Belle and Sebastian Paul Whitelaw,2014-01-07 In the years since their first release, Belle and Sebastian have grown from a secretive cult concern into one of the most beloved and revered pop'n'roll bands in the world. Intelligent and sensitive, witty and original, beautiful and bold, their music inspires the kind of devotion not seen since The Smiths. Their continuing desire to push the boundaries of their vision has resulted in some of the most essential and idiosyncratic records of recent times. In this, the first biography of Belle and Sebastian, Paul Whitelaw traces their unpredictable personal and creative curve. With all original interviews and personal photos from the band Belle and Sebastian: Just A Modern Rock Story is the definitive account of the clandestine world and continuing rise of the unique and fascinating musical phenomenon that is Belle and Sebastian.

Face2face Elementary Teacher's Book with DVD Chris Redston,Gillie Cunningham,Jeremy Day,2012-03-20 Face2face is the flexible, easy-to-teach General English course that helps adults and young adults to speak and listen with confidence.The course improves students' listening skills. The DVD-ROM in the Student's Book includes consolidation activities and electronic portfolio for learners to track their progress.

Netflix Recommends Mattias Frey,2021-10-05 Algorithmic recommender systems, deployed by media companies to suggest content based on users' viewing histories, have inspired hopes for personalized, curated media but also dire warnings of filter bubbles and media homogeneity. Curiously, both proponents and detractors assume that recommender systems for choosing films and series are novel, effective, and widely used. Scrutinizing the world's most subscribed streaming service, Netflix, this book challenges that consensus. Investigating real-life users, marketing rhetoric, technical processes, business models, and historical antecedents, Mattias Frey demonstrates that these choice aids are neither as revolutionary nor as alarming as their celebrants and critics maintain—and neither as trusted nor as widely used. Netflix Recommends brings to light the constellations of sources that real viewers use to choose films and series in the digital age and argues that although some lament AI's hostile takeover of humanistic cultures, the thirst for filters, curators, and critics is stronger than ever.

Screen Digest ,2006

Atlas of Graphic Designers Elena Stanic,Lipavsky Corina,2009-06-01 This comprehensive collection illustrates the world of graphic design country by country, featuring the best graphic designers from all over the world. An amazing reference, this book provides insight into how designers from varied backgrounds approach their work, how different cultures associate communication and creativity in different ways, and how we see this reality used, pushed to its limits, and even completely transformed by design. No matter where you are from, this book will leave you with a broadened awareness of your own visual taste and an in-depth, contextual understanding of graphic design worldwide.

Seasons of "Veronica Mars" ,

Ultimate DVD. ,2007

Blood Circuits Jonathan Risner,2018-08-01 Examines how recent Argentine horror films engage with the legacies of dictatorship and neoliberalism. Argentina is a dominant player in Latin American film, known for its documentaries, detective films, melodramas, and auteur cinema. In the past twenty years, however, the country has also emerged as a notable producer of horror films. Blood Circuits focuses on contemporary Argentine horror cinema and the various ☐ cinematic pleasures☐ it offers national and transnational audiences. Jonathan Risner begins with an overview of horror film culture in Argentina and beyond. He then examines select films grouped according to various criteria: neoliberalism and urban, rural, and suburban spaces; English-language horror films; gore and affect in punk/horror films; and the legacies of the last dictatorship (1976☐ 1983). While keenly aware of global horror trends, Risner argues that these films provide unprecedented ways of engaging with the consequences of authoritarianism and neoliberalism in Argentina. ☐ Blood Circuits is an important and much-needed contribution to the fields of Latin American cinema and popular culture, and genre film studies with a focus on horror cinema. It offers original and innovative directions that will pave the way for new studies in different areas of film studies: the

internationalization of horror that unfolds a problematic relationship between the United States and the Global South, the use of punk horror as a form of affect, and the development of new kinds of pleasures and displeasures in the spectator.❏ ❏ Victoria Ruétalo, coeditor of Latsploitation, Exploitation Cinemas, and Latin America
