*The New Treasury of Scripture Knowledge* Thomas Nelson, 2024-03-26 An exhaustive cross-referencing tool for interpreting Scripture with Scripture. The Bible is its own best commentary. To truly understand what the Bible teaches about a subject, we must consult all of what the Bible itself says about it. The New Treasury of Scripture Knowledge allows you to do just that, providing a selection of other verses which shed light upon, clarify, or explain the verse you are consulting. Unlike a concordance, which is an alphabetical index to the words of the Bible, the cross-references given in the New Treasury are not merely to the same word, but to the same or a related thought, theme, doctrine, subject, concept, or literary motif, even when expressed in entirely different words. Special Features: Indicates degree of clarity, significance, or relationship between references Can be used with any translation or edition of the Bible Is arranged like the Bible (divided into the same books, chapters, and verses) for ease of use Provides a far more complete selection of cross-references than can be found in any other source Contains dozens of special study aids to help you develop powerful lessons or sermons--straight from the Bible itself Contains multiple indexes (subjects, figures of speech, etc.) Uses Strong's numbering system Uses a new font that makes it easier to read than previous versions No combination of other Bible study tools quite duplicates the carefully-research and indexed content in *The New Treasury of Scripture Knowledge*. When used effectively, this invaluable

resource will change your life.

Philip Skippon and the British Civil Wars Ismini Pells,2020-03-06 Philip Skippon was the third-most senior general in parliament's New Model Army during the British Civil Wars. A veteran of

European Protestant armies during the period of the Thirty Years' War and long-serving commander of the London Trained Bands, no other high-ranking parliamentarian enjoyed such a long military career as Skippon. He was an author of religious books, an MP and a senior political figure in the republican and Cromwellian regimes. This is the first book to examine Skippon's career, which is used to shed new light on historical debates surrounding the Civil Wars and understand how military events of this period impacted upon broader political, social and cultural themes.

La salvación como solidaridad Jesús Varga Andrés, 2022-12-15 Salvación, redención, rescate, perdón, expiación, nueva alianza, o restauración son algunas de las muchas palabras que se emplean en el Nuevo Testamento para definir la obra que Dios realiza con los hombres por medio de su Hijo Jesús. En este amplio panorama, el evangelio de Lucas ofrece una perspectiva singular al dar a conocer la imagen solidaria de Dios con los hombres, decisiva a la hora de salvar. Así es como lo puede comprobar el lector al recorrer el camino del evangelio que propone este estudio centrándose en los relatos salvíficos más significativos. Definir la salvación en el tercer evangelio, comprender cómo se realiza o concretar sus destinatarios, son algunos de los retos a los que responde esta disertación realizada en la Pontificia Universidad Gregoriana bajo el acompañamiento del profesor Massimo Grilli.
