An Act Appropriating Funds for the Operation of the Government of the Republic of the Philippines Philippines,1960

Announcer Christie Marlowe,2014-09-02 For many high school graduates, college is a way to get ahead, but going to college is not the only way for young adults to succeed. Many people choose to enter the workforce after high school to start earning money and gaining experience right away. These motivated young workers can have rewarding jobs without ever having to earn a 4-year college degree. If you're interested in radio or television and don't know that you want to—or can—go to college, a career as an announcer might be right for you. Young people need only a high school diploma or equivalent to start working as an announcer—and they can eventually earn more than \$50,000 a year. In Announcers, you'll learn how to start a career in this field and what you need to succeed. Find out about the prospects for announcers in the future, how much announcers can make each year, and whether your path to success includes a career as an announcer.

Oral Forms of Nigerian Autobiography and Life Stories Adetayo Alabi,2021-08-19 Oral Forms of Nigerian Autobiography and Life Stories discusses the oral life stories and poems that Africans, particularly the Yoruba people, have told about the self and community over hundreds of years. Disproving the Eurocentric argument that Africans didn't produce stories about themselves, the author showcases a vibrant literary tradition of oral autobiographies in Africa and the diaspora. The oral auto/biographies studied in this book show that stories and poems about individuals and their communities have always existed in various African societies and they were used to record, teach, and document history, culture, tradition, identity, and resistance. Genres covered in the book include the panegyric, witches' and wizards' narratives, the epithalamium tradition, the hunter's chant, and Udje of the Urhobo. Providing an important showcase for oral narrative traditions this book will be of interest to students, scholars, and researchers in African and Africana studies, literature and auto/biographical studies.

Karloff and the East Scott Allen Nollen,Yuyun Yuningsih Nollen,2021-01-04 Among Golden Age Hollywood film stars of European heritage known for playing characters from the East--Chinese, Southeast Asians, Indians and Middle Easterners--Anglo-Indian actor Boris Karloff had deep roots there. Based on extensive new research, this biography and career study of Karloff's eastern films provides a critical examination of 41 features, including many overlooked early roles, and offers fresh perspective on a cinematic luminary so often labeled a horror icon. Films include The Lightning Raider (1919), 14 silent films from the 1920s, The Unholy Night (1929), The Mask of Fu Manchu (1932), The Mummy (1932), John Ford's The Lost Patrol (1934), the Mr. Wong series (1938-1940), Targets (1968), and Isle of the Snake People (1971), one of six titles released posthumously.

Under the Black Hat Jim Ross,Paul O'Brien,2021-03-02 From legendary wrestling announcer Jim Ross, this candid, colorful memoir about the inner workings of the WWE and the personal crises he weathered at the height of his career is “a must-read for wrestling fans” (Charleston Post Courier). If you’ve caught a televised wrestling match anytime in the past thirty years, you’ve probably heard Jim Ross’s throaty Oklahoma twang. The beloved longtime announcer of the WWE “has been a driving force behind a generation of wrestling fans” (Mark Cuban), and he’s not slowing down, having signed on as the announcer of the starry new wrestling venture All Elite Wrestling. In this follow-up to his bestselling memoir Slobberknocker, he dishes out about not only his long career, which includes nurturing global stars like Stone Cold Steve Austin, The Rock, and John Cena, but also about his challenges of aging and disability, his split from collaborator Vince McMahon, and the sudden death of his beloved wife, Jan. The result is a gruff, endearing, and remarkably human-scale portrait, set against the larger than life backdrop of professional wrestling. Ross’s ascent in WWE mirrors the rise of professional wrestling itself from a DIY sideshow to a billion-dollar business. Under the Black Hat traces all the highs and lows of that wild ride, in which Jim served not only as on-air commentator, but talent manager, payroll master, and even occasional in-ring foil to threats like Paul “Triple H” Levesque and Undertaker. While his role brought him riches and exposure he had never dreamed of, he chafed against the strictures of a fickle corporate culture and what he saw as a narrow vision of what makes great wrestlers—and great story lines. When suddenly stricken with Bell’s palsy, a form of facial paralysis that makes it impossible to smile, he started down his greatest fear—being cast out of the announcing booth for good. Picking up where Slobberknocker left off and ending on the cusp of a new career in a reimagined industry, Under the Black Hat is the triumphant tale of a country boy who made it to the top, took a few knocks, and stuck around—just where his fans like him. Not only being one of the greatest wrestlers of the WWE, Ross is also “a master storyteller, and this book is the perfect forum for his forty years’ worth of tales” (Chris Jericho, former WWE champion).

Yale Needs Women Anne Gardiner Perkins,2019-09-10 WINNER OF THE 2020 CONNECTICUT BOOK AWARD FOR NONFICTION AND NAMED ONE OF THE BEST BOOKS FOR BOOK CLUBS IN 2021 BY BOOKBROWSE Perkins makes the story of these early and unwitting feminist pioneers come alive against the backdrop of the contemporaneous civil rights and anti-war movements of the 1970s, and offers observations that remain eerily relevant on U.S. campuses today.—Edward B. Fiske, bestselling author of Fiske Guide to Colleges If Yale was going to keep its standing as one of the top two or three colleges in the nation, the availability of women was an amenity it could no longer do without. In the winter of 1969, from big cities to small towns, young women across the country sent in applications to Yale University for the first time. The Ivy League institution dedicated to graduating one thousand male leaders each year had finally decided to open its doors to the nation's top female students. The landmark decision was a huge step forward for women's equality in education. Or was it? The experience the first undergraduate women found when they stepped onto Yale's imposing campus was not the same one their male peers enjoyed. Isolated from one another, singled out as oddities and sexual objects, and barred from many of the privileges an elite education was supposed to offer, many of the first girls found themselves immersed in an overwhelmingly male culture they were unprepared to face. Yale Needs Women is the story of how these young women fought against the backward-leaning traditions of a centuries-old institution and created the opportunities that would carry them into the future. Anne Gardiner Perkins's unflinching account of a group of young women striving for change is an inspiring story of strength, resilience, and courage that continues to resonate today.

A Dynamic Reading of the Holy Spirit in Revelation Hee Youl Lee,2014-04-07 A Dynamic Reading of the Holy Spirit in Revelation attempts to read the book of Revelation in a new way as a narrative, embracing literary elements such as plot, point of view, narrative voice, character, and story structure to help readers discover its meanings by tracing the story anew. Lee's unique narrative perspective offers readers a bird's-eye view to experience four levels of the story: heaven, earth, abyss, and the lake of fire. Lee develops a theological account of John's pneumatology and surely extends Christian pneumatology, a doctrine inseparable from the life of the church. Readers will come away with a greater understanding of the role of the Holy Spirit, which will enable them to enjoy a deeper fellowship with the Holy Spirit more intimately than ever before. Lee portrays the book of Revelation as a mission-oriented book that tells how the kingdom of God will be built in this world through spiritual warfare, rather than as a book of eschatology. Lee's book will serve as a spiritual wake-up call to the modern church and the people of God in its accurate portrayal of the Holy Spirit and vivid description of spiritual warfare.

Television Histories Gary R. Edgerton,Peter C. Rollins,2014-10-17 From Ken Burns's documentaries to historical dramas such as Roots, from A&E's Biography series to CNN, television has become the primary source for historical information for tens of millions of Americans today. Why has television become such a respected authority? What falsehoods enter our collective memory as truths? How is one to know what is real and what is imagined -- or ignored -- by producers, directors, or writers? Gary Edgerton and Peter Rollins have collected a group of essays that answer these and many other questions. The contributors examine the full spectrum of historical genres, but also institutions such as the History Channel and production histories of such series as The Jack Benny Show, which ran for fifteen years. The authors explore the tensions between popular history and professional history, and the tendency of some academics to declare the past off limits to nonscholars. Several of them point to the tendency for television histories to embed current concerns and priorities within the past, as in such popular shows as Quantum Leap and Dr. Quinn, Medicine Woman. The result is an insightful portrayal of the power television possesses to influence our culture.

The Enigmatic Realm of **Eannouncer 19**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Eannouncer 19** a literary masterpiece penned with a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book is core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.
