One Magical Sunday Phil Mickelson, Donald T. Phillips, 2005-03-01 The triumphant story of beloved golfer Phil Mickelson and the years of grit and tireless work that lead to his success, packed with personal insights and never-before-seen photos. Every year, he came so close only to fall short. Every year, the dream grew larger, only to fade away. Yet every year, his gallery of fans grew in support of his quest. Then, on April 11, 2004, for the most beloved golfer of the decade, everything changed. It is a moment ingrained in the hearts and minds of millions, a moment of epic triumph and destiny fulfilled that will be remembered for the ages. But for Phil Mickelson, winning the 2004 Masters was merely another step in an odyssey that began many years ago. Born into a sporting family, with a putter drawn on his birth announcement, Phil knew early on that golf would always be his passion. His parents embraced and nurtured that dream, but they taught him that winning isn't everything. In One Magical Sunday, Phil Mickelson takes us on a magical journey inside a life few have seen up close, but a life whose lessons can be cherished forever. As we travel hole-by-hole through that triumphant Sunday at the Masters, Phil looks back at the influences that made him the man he is today: his mom and dad, who mentored him on the balance between family and golf; his wife, Amy, who has given him so much happiness and fulfillment; and their three children, who remain their top priority. With personal insights from Phil's family and never-before-seen photos of his most treasured moments, One Magical Sunday is a book not only for Phil's millions of fans, but for everyone who finds inspiration in reading about a champion on and off the course.

The Diary of a 10 to 14 Handicapper Philip Moses,2014-05-02 There is a saying that makes the claim that the only way to become an expert at something is to have first made every mistake possible. If that were true, then I should be the best golfer in the world. I've seen good golfers, and I've seen great golfers. I grew up during a time when golf wasn't even on the map. We played team sports for the most part like baseball, basketball, football, and hockey. At the age of eighteen, I realized that these activities were going to come to a screeching halt soon and needed to find something else. So I took up golf. There was a problem back then for the athletes in my era. We were ingrained with a "baseball" swing, and that just doesn't cut it for golf. The weight stayed on the right side, and the swing was from the outside in. Hitting fat shots and big, roundhouse slices were the norm. What could I do?
