Schooling Muslims in Natal Goolam H. Vahed, Thembisa Waetjen, 2015 Traces the labors and fortunes of a set of progressive idealists who, mobilizing merchant capital, transoceanic networks and informal political influence, established the Orient Islamic Educational Institute in 1943 to found schools and promote a secular curriculum that could be integrated with Islamic teaching. Through the story of their Durban flagship project - the Orient Islamic School - the book provides a fascinating account of the changing politics of religious identity, education and citizenship in South Africa.

Together and Apart in Brzezany Shimon Redlich, 2002-05-03 ... by reconstructing the history/experience of Brzezany in Jewish, Ukrainian, and Polish memories [Redlich] has produced a beautiful parallel narrative of a world that was lost three times over.... a truly wonderful achievement. —Jan T. Gross, author of *Neighbors* Shimon Redlich draws on the historical record, his own childhood memories, and interviews with Poles, Jews, and Ukrainians who lived in the small eastern Polish town of Brzezany to construct this account of the changing relationships among the town's three ethnic groups before, during, and after World War II. He details the history of Brzezany from the prewar decades (when it was part of independent Poland and members of the three communities remember living relatively amicably together and apart), through the tensions of Soviet rule, the trauma of the Nazi occupation, and the recapture of the town by the Red Army in 1945. Historical and contemporary photographs of Brzezany and its inhabitants add immediacy to this fascinating excursion into history brought to life, from differing perspectives, by those who lived through it.

The Library of Lost and Found Phaedra Patrick, 2019-03-26 From the author of *Rise and Shine* Benedict Stone, now an original movie on Hallmark. "Sweet and

resonant.” –People, “Best New Books” Pick A librarian’s discovery of a mysterious book sparks the journey of a lifetime. Librarian Martha Storm has always found it easier to connect with books than people—though not for lack of trying. She keeps careful lists of how to help others in her superhero-themed notebook. And yet, sometimes it feels like she’s invisible. All of that changes when a book of fairy tales arrives on her doorstep. Inside, Martha finds a dedication written to her by her best friend—her grandmother Zelda—who died under mysterious circumstances years earlier. When Martha discovers a clue within the book that her grandmother may still be alive, she becomes determined to discover the truth. As she delves deeper into Zelda’s past, she unwittingly reveals a family secret that will change her life forever. Filled with Phaedra Patrick’s signature charm and vivid characters, The Library of Lost and Found is a heartwarming and poignant tale of how one woman must take control of her destiny to write her own happy ending. Don’t miss Phaedra Patrick’s uplifting new novel, The Little Italian Hotel! Second Sight , 2014 The human eye is only capable of detecting a miniscule percentage of the electromagnetic spectrum; we call this visible light. It is this limited perception that has defined our very reality as a species. Second Sight is the story of a brilliant young scientist who develops the nano-technology to cure blindness. He could never have prepared for the betrayal and intrigue that befell him, nor could he have foreseen the hidden

agendas that lay waiting in the shadows. Michael Rose's synchronistic journey into the realms of possibility would not only leave him questioning his own sanity, but the very nature of existence itself. Neither he nor his nefarious benefactors stopped to ask: if this nano-technology could enhance the function of the human eye, what else would it see?

Trick 'r Treat John Griffin,Michael Dougherty,2008-09-02 Trick 'r Treatdelves into the four stories that make up the feature film,Trick 'r Treatreleasing in October 2007. It reflects Dougherty's personal take on the filmmaking process, details how the ideas and art came together, and presents it with exclusive special features in a unique format. The genre encompasses drama, horror, thriller...mixed with a good dose of twisted humor. Set in a

small suburban town, Trick 'r Treat explores Halloween traditions while following a group of people trying to survive the most terrifying night of the year. From a serial killer who specializes in poisoning candy; to a group of mischievous kids who unearth their town's dark secret; to a young woman hunted by masked stalker at the local festival; to a cantankerous old hermit confronted by a demonic trick-or-treater, the film is filled with horrifying surprises, nervous laughs and strange creatures of every variety--human or otherwise. The atmosphere Dougherty creates on film mirrors the flavor of his art--whimsical, yet eerie. It seems welcoming from a distance, but the closer you look, the more you see the twisted, dark side of Dougherty's mind. Dougherty's third-grade teacher once remarked on a report card that his behavior exhibited early evidence of what may be an extraordinary morbid ingenuity. Years later, his drawings and doodles of the youthful, eerily pumpkin-headed character, Sam--a kind of ghost of Halloweens past--along with a number of other creepy, unforgettable characters, have made it to the big screen. There, Dougherty's art and storytelling promise to take a fresh twist. At the launch of his career he's already got a loyal following eagerly awaiting his next spooky project.
