The Antichrist A.W. Pink, 2023-12-24 Antichrist is an in-depth study of the biblical texts on Antichrist, which aims to answer the question: Who or what is the Antichrist? To answer this question, Pink traces the references to Antichrist, including the Book of Psalms, the Gospels, the Epistles, and Revelation, and constructs the profile of Antichrist from the scriptures. He doesn't approach Antichrist only as a person but also as an ideology that leads to a certain chain of deeds and events. Yet, in the first chapters of the book, he rejects the idea that the Roman papacy is the embodiment of Antichrist, despite their persecution of Christians in the Middle Ages. In Chapters Three to Seven, he gives details on the possible Antichrist identity as he sees it, based on the scripture. Chapter Eight through Seventeen demonstrate how the theme of Antichrist is displayed through the Bible. Arthur Walkington Pink (1886–1952) is one of the most influential evangelical authors in the second half of the twentieth century. He was an English Bible teacher who sparked a renewed interest in the exposition of Calvinism or Reformed Theology.

**Running the Books** Avi Steinberg, 2011-10-04 Avi Steinberg is stumped. After defecting from yeshiva to attend Harvard, he has nothing but a senior thesis on Bugs Bunny to show for himself. While his friends and classmates advance in the world, Steinberg remains stuck at a crossroads, his “romantic” existence as a freelance obituary writer no longer cutting it. Seeking direction (and dental insurance) Steinberg takes a job running the library counter at a Boston prison. He is quickly drawn into the community of outcasts that forms among his bookshelves—an assortment of quirky regulars, including con men, pimps, minor prophets, even ghosts—all searching for the perfect book and a connection to the outside world. Steinberg recounts their daily dramas with heartbreak and humor in this one-of-a-kind memoir—a piercing exploration of prison culture and an entertaining tale of one young man’s earnest attempt to find his place in the world.

**A Scandal in Bohemia** Gideon Haigh, 2018-03-28 As enigmatic in life as in death, Mollie Dean was a woman determined to transcend. Creatively ambitious and sexually precocious, at twenty-five she was a poet, aspiring novelist and muse on the peripheries of Melbourne's bohemian salons - until one night in 1930 she was brutally slain by an unknown killer in a laneway while walking home. Her family was implicated. Those in her circle, including her acclaimed artist lover Colin Colahan, were shamed. Her memory was anxiously suppressed. Yet the mystery of her death rendered more mysterious her life and Mollie's story lingered, incorporated into memoir, literature, television, theatre and song, most notably in George Johnston's classic *My Brother Jack*. In *A Scandal in Bohemia*, Gideon Haigh explodes the true crime genre with a murder story about life as well as death. Armed with only a single photograph and echoes of Mollie's voice, he has reassembled the precarious life of a talented woman without a room of her own - a true outsider, excluded by the very world that celebrated her in its art. In this

work of restorative justice, Mollie Dean emerges as a tenacious, charismatic, independent woman for whom society had no place, and whom everybody tried to forget - but nobody could. 'Haigh's narrative takes shape through powerful layers of association ... as much a portrait of Mollie's life and death as it is a portrayal of the city and the society in which she lived.' Australian Book Review 'In this latest addition to his true crime oeuvre, Melbourne journalist and polymath Gideon Haigh attempts to uncover Dean's life as well as her death... the book is a fascinating exploration.' The Saturday Paper

**Seven Dirty Words** James Sullivan,2010-06-08 In *Seven Dirty Words*, journalist and cultural critic James Sullivan tells the story of Alternative America from the 1950s to the present, from the singular vantage point of George Carlin, the Catholic boy for whom nothing was sacred. A critical biography, *Seven Dirty Words* is an insightful (and, of course, hilarious) examination of Carlin's body of work as it pertained to its cultural times and the man who created it, from his early days as amore-or-less conventional comedian to his stunning transformation into the subversive comedic voice of the emerging counterculture. Sullivan also chronicles Carlin's struggles with censorship and drugs, as well as the full-blown renaissance he experienced in the 1990s, both personally and professionally, when he became an elder statesman to a younger generation of comics who revered him. *Seven Dirty Words* is nothing less than the definitive biography of an American master who changed the world, and also a work of cultural commentary which frames George Carlin's extraordinary legacy.

Murder in Mississippi John Safran,2014-05-22 In 2009 John Safran, a controversial Australian journalist, spent

an uneasy few days interviewing one of Mississippi's most notorious white supremacists. A year later, he hears that the man has been murdered by a young black man. But this is far from a straightforward race killing. Safran flies back to Mississippi in a bid to discover what really happened, immersing himself in a world of clashing white separatists, black lawyers, police investigators, oddball neighbours and the killer himself. In the end, he discovers just how profoundly complex the truth about someone's life - and death - can be. A brilliantly innovative true-crime story. Safran paints an engrossing and revealing portrait of race, money, sex and power in the modern American South. 'John Safran's captivating inquiry into a murder in darkest Mississippi is by turns informative, frightening and hilarious' - John Berendt, author of *Midnight in the Garden of Good and Evil*

**Managers and Management in Vietnam** Vincent Edwards, Anh Phan, 2013 This book presents a comprehensive overview of managers and management in Vietnam, based on extensive original research, including interviews with a large number of managers in Vietnam. It shows how management in Vietnam is best understood from the perspective of Vietnamese managers themselves, rather than in terms of Western or Asian models of management. It discusses the range of enterprises in the Vietnamese economy, which, until 1986, was dominated by large state-owned enterprises and Soviet-style central economic planning, and where there is now a much greater variety, with a mix of privatised state-owned enterprises, foreign-owned companies, joint ventures and a very large number of relatively small private companies, all operating in a social market economy where Party ideology emphasises a balance between economic growth and workers' rights. The book demonstrates how the tensions arising from this economic landscape are reflected in the views and actions of managers as they balance economic and social goals in their work, and how their activities are constrained further by the enduring influence of local culture which is not always amenable to imported ideas and methods. As many managers have worked in different kinds of companies, the book also reveals a great deal about management in different contexts and also about how companies have changed as the reform process has evolved.

*Tamam Shud* Kerry Greenwood, 2013-01-01 In 1948 a man was found dead on an Adelaide beach. Well-dressed and unmarked, he had a half-smoked cigarette by his side, but no identity documents. Six decades on we don't know who he was, how he got there or how he died. Somerton Man remains one of Australia's most mysterious cold cases. Yet it is the bizarre details of this case that make it the stuff of a spy novel. The missing labels from all his clothing. The tiny piece of paper with the words 'Tamam Shud' found sewn into the lining of the dead man's coat. A mysterious code found etched inside the very book of Persian poetry from which this note was torn. Brimming with facts that are stranger than fiction, the case has intrigued novelist Kerry Greenwood for almost her whole life.

She goes on a journey into her own past to try to solve this crime, uncovering a new way of writing about true crime – and herself – as she goes.

**The Night that Changed Everything** Anne McAllister, 2011-11-01 Nicholas Savas is tall, dark and too gorgeous for anyone's good. To shield her wild-child sister from Nick's intoxicating gaze, sensible Edie steps into his eyeline instead! Nick's fascinated by the defiant, beautiful Edie—she's a challenge, and he'll thoroughly enjoy sweeping her down-to-earth feet out of the ballroom and into his bed! **Why Four Gospels?** A. W. Pink, 2017-11-14 Why does the New Testament contain four Gospels—four different accounts of the same Man? And don't the Gospels contradict one another? Masterful Bible teacher Arthur Pink explains how the four Gospels do not contradict but rather collaborate in order to provide us with a deeper, multifaceted description of the person of Jesus Christ. In Matthew, we see Jesus as Messiah and King of the Jews. In Mark, we are introduced to the Servant of Jehovah. In Luke, we see the human Jesus as the Son of Man, Adam's descendant. Finally, in John, we thrill to the supernatural Jesus who is undoubtedly the Son of God. No believer can truly know Jesus without having an understanding of the four distinct roles He fulfilled in His time on earth. Pink's in-depth look at the four Gospels will boost your faith and bring you ever closer to a Savior who is fully human, fully divine, and above everything, Lord of all.

**The Seven Sayings of the Saviour on the Cross** Arthur W. Pink, 2005-11-01 The words Christ spoke from the cross can inform Christians of the purpose, the meaning, the sufferings, and the sufficiency of his death. After an introduction that discusses the nature of Christ's death as natural, unnatural, preternatural, and supernatural, Dr. Arthur W. Pink clearly illustrates the lessons that can be drawn from Christ's words—lessons on forgiveness, salvation, affection, anguish, suffering, victory, and contentment. This comprehensive and accessible volume is useful for both sermon preparation and personal study.

**America's National Game** Albert Goodwill Spalding, 1911 This book is Albert Spalding's work of historic facts concerning the beginning, evolution, development and popularity of base ball, with personal reminiscences of its vicissitudes, its victories and its votaries. It is one of the defining books in the early formative years of modern baseball.

**Satan and His Gospel** Arthur Pink, 2020-07-15 Is the Devil a living reality, or is he nothing more than a figment of the imagination? Is the word Satan merely a synonym for wickedness, or does it stand for a concrete entity? In cultured circles it has become the custom to return a negative answer to these questions, and to flatly deny the existence of the Tempter. Among such people it is regarded as a mark of intellectual superiority to repudiate the personality of the Devil. By many, Satan is now looked upon as a product of priestcraft, a relic of superstition, the myth of a bygone age. With others, Satan is simply an abstraction, a mere negation, the opposite of good. All the Devil there is, is the devil within you, is the last word of modern thought. The words which Goethe puts into

the mouth of Mephistopholes I am the Spirit of Negation is accepted as a good workable definition of the Devil. He is regarded as a mere abstract principle of evil. As someone has quaintly put it, They spell Devil without a 'd', as they spell God with two 'o's'. Good and evil is their scheme. Totally based on the scriptures. This book presents biblical answers to that subject.

**Gleanings in Genesis** Arthur W. Pink, 1922

**Galactic Pot-healer** Philip K. Dick, 1994 What could an omnipresent and seemingly omnipotent entity want with a humble pot-healer? Or with the dozens of other odd creatures it has lured to Plowman's Planet? And if the Glimmung is a god, are its ends positive or malign? Combining quixotic adventure, spine-chilling horror, and deliriously paranoid theology, Galactic Pot-Healer is a uniquely Dickian voyage to alternate worlds of the imagination.
