▣ **Easy Web Page Creation** Mary Millhollon,Jeff Castrina,2001 Easy Web Page Creation is the ideal Web-creation guide for people who want to build their own home pages but don't know where to start. The book proves that, armed with key facts about Web page mechanics and design concepts, people with average computer skills can skillfully build a professional-looking Web page with the resources they already have on hand, such as Microsoft RM Office 2000. It shows readers with basic computer skills but no prior publishing or design experience how to create a variety of Web pages -- from simple online community pages on MSN RM to full-blown multimedia sites using Microsoft FrontPage RM. It also demonstrates how to plan, upload, and maintain a Web site, and it presents a wealth of tips and advice about good Web design practices. With Easy Web Page Creation, Web site success is within easy reach of anyone -- from grandparents to Generation X-ers -- and any organization -- from hobby groups to government offices, and small businesses to established enterprises.

▣ **Anime Clubs for Public Libraries** Chantale Pard,2020-09-30 Anime (or "Japanese Animation") has seen a continuing rise in popularity over the past decade of North American pop culture. Droves of die-hard, dedicated fans can be found all over comic shops, conventions, and social media at large, discussing or debating the merits of their favorite Anime fandoms. Public libraries have been quick to catch on, and have long been an excellent gathering place for this community of passionate consumers – be it for movie screenings or anime and manga collection offerings. With the recent widespread adoption of English dubbed content and the explosion of Anime merchandise sales outside of Japan, Anime and Manga are more accessible to North Americans than ever before. In addition to providing a long list of programming examples and ideas, this practical guide will teach librarians how to capture the interest of this fandom community, why the library is the perfect place

to do so, and how to expand this thematic programming into further learning and socialization opportunities. Special Features include: Real examples of current and successful Anime Club programs created by librarians. Anime: It's Not Just "Cartoons"! Discovering opportunities for youth engagement, STEM learning, and vital youth socialization within Japanese Animation. Clear, concise instructions for incorporating one off or series Anime events for all budget ranges and age groups. How to avoid cultural appropriation by engaging your community to make the most out of possible partnerships and resources. Anime Club party plans for a wide range of different holidays. How to obtain public performance rights for anime screenings, Where to find inclusive anime representations of diverse communities
