Conversational French Dialogues Touri Language Learning,2019-02-04 When face-to-face with a real French speaker, do you freeze? Do you know how to ask for directions in French or communicate if there's an emergency? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's anything more challenging than learning the grammar rules of a new language, it's knowing what to say and having the courage to speak with confidence. We know how you feel - You always try to avoid making embarrassing mistakes or not getting your message through correctly, but it will happen anyway. 'How do I get out of this situation?', You may ask yourself, but have yet to find a straight-forward answer. Until now. We have compiled 50 French Stories along with their translations, providing new French speakers with the necessary tools to begin effectively studying how to set a meeting, how to check into a hotel and even what to say during an emergency! Our French dialogues get straight to the point saving you precious time. There's no benefit learning words and phrases you will never actually use! If you want to learn French quickly and have a ton of fun along the way, obviously, this book is for you! How Conversational French Dialogues works: • Each new chapter will have a fresh, new story between two or more people who wish to solve a common, day-to-day problem that you will most likely experience in real life. • A French version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! • Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. • That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational French book once you have started reading and studying this one! Focus on getting from zero to conversationally fluent, so you can: -Travel or live in France or any French speaking country without relying on Google Translate -Join French conversations with your French speaking coworkers, friends, or family members -Date French-speakers without embarrassing yourself -Stop getting passed over for jobs or promotions for less-qualified people who are bilingual We want you to feel confident while learning French; after all, there should never be a language barrier stopping you from traveling around the world and expanding your social circles! So look no further! Grab your copy of Conversational French Dialogues and start learning French right now!

Conversational French Dialogues For Beginners And Intermediate Students Academy Der Sprachclub, 2019-09-22 Would you like to learn typical expressions and language spoken in France? Most language learners realize quickly the importance of finding ways to communicate with other people in their native tongue. It can be very frustrating when you cannot communicate with French people and trivial things can be a cause of major annoyance, especially when you cannot explain yourself using French. However, learning French without a proper French language learning workbook is no easy task. Probably the best way to learn French is to immerse yourself in it by reading French textbooks for adults. Have you tried reading French fiction for beginners? Reading French stories for beginners can be very entertaining and rewarding, and culturally relevant and humorous stories that are written for language learners are one of the best French language learning tools you can get! The best way to improve your French is reading a book from which you can learn realistic French conversations. This book is designed to learn French conversations, it contains: 100 French short stories for beginners and intermediate students and allows new French speakers to hone their reading skills and learn typical expressions used in daily life. This book is focused on realistic dialogue and is an excellent source to study the language, expand your vocabulary and have fun while learning French! Each story comes with an introduction in French. The French conversation is followed by an English line to line translation, a key-vocabulary section, and short learning questions. The book is divided in three parts. The first 50 short stories are most suitable for beginners, each story is followed by simple learning questions. The next 30 short stories are for intermediate students and those who are interested in reading good short stories with entertaining content. The last 20 short stories tend to be longer and are not necessarily for learners who want to learn conversations, but for those who appreciate humorous stories in French and students who need to focus on grammar and the structure of the language. In that sense the book offers the best of both worlds, combining a conversational French learning book and an entertaining French short story book for intermediate learners. Furthermore, this French conversation set book provides essential words and expressions which will enable you to get along in a French-speaking environment. So look no further! Pick up your copy of *Conversational French Dialogues* and start learning French right now!

101 conversations in simple french Olly Richards, 2020

101 Conversations in Simple French Olly Richards, 2020-11-12 Improve your spoken French from home with 101 real-world conversations in simple, everyday French. Real French people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to speak French in the REAL world, with 101 authentic conversations in simple, spoken French, so you can become confident in the words, phrases and expressions you need to communicate like a local. You'll be transported into a real-world story that unfolds between six French characters, told by the people themselves in 101 authentic conversations. Over 15,000 words of real French, you'll immerse yourself in a gripping French drama and get an education in natural French in the process. Here's what you'll get: 101 conversations in simple French, so you can learn the real French spoken in the street, understand spoken French with ease, and have French roll off your tongue more fluently Over 15,000 words of dialogue - an unparalleled resource that will immerse you in French, at a level you can understand, so you can learn real spoken French without getting lost or overwhelmed Real, daily spoken French throughout - it's as if we held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in

textbooks). You'll sound more authentic when you speak and make French-speaking friends more easily. Situational dialogues from typical daily circumstances, so you'll prepare yourself to survive realistic French encounters, in shops and cafés, and make meeting people and making arrangements second nature. Conversations that are carefully written to be accessible for beginners (A2-B1 on the CEFR), so you can start to learn from real, spoken conversations, even as a beginner, without having to go through the rollercoaster of difficult conversations with strangers. Each conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say I actually understood all of that! Word lists with English definitions in every chapter, so you can get instant translations of any difficult words and focus on reading and enjoying the stories rather than wasting time in a dictionary. Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost. The story is set in France and includes expressions that are typical in standard French. However, since the conversations use mostly neutral French, you'll find them useful whether you're learning the French of Canada, North Africa or any other French-speaking community. Created by Olly Richards, internationally-renowned language teacher and author, *101 Conversations in Real Spoken French* gives you an education in real French that you won't find anywhere else. You'll be better prepared for using French in the real world, speak with more confidence, and take a giant leap towards fluency in French! **SCROLL UP AND GRAB YOUR COPY NOW**

Conversational French Quick and Easy - PART II Yatir Nitzany, 2020-02-19 Have you always wanted to learn how to speak French but simply didn't have the time? If so, then, look no further. You can hold in your hands one of the most advanced and revolutionary methods ever designed for quickly becoming conversational in a language. If your heart has been set on learning

French, then the Conversational French Quick and Easy series is the ideal way to learn quickly and comprehensively. The aim is to get you talking to those around you as quickly as possible. The three books in the series work together. In Part 1, you learn the core set of words, three hundred and fifty of them, and then in Part 2, you learn the sentences that you need to supplement the core words. In Part 3, your set of sentences is expanded to increase the topics you can talk about. This set of language tools is all you need to master the language to even greater proficiency and quicker than with other courses. If your previous attempts at learning French have failed, then this series will restore your sense of hope and success. The trick is in identifying which topics are useful and gathering just the right sentences and words. The author draws on his own experiences in learning other languages, which brought him to discover this unique method. In Part 2, you are presented with a wide range of topics for learning conversational languages, and this helps you get involved with greater possibilities for engaging in conversation. This method helps students learn faster and easier. It is a flawless method that has proven itself time and time again. If you decide to travel to France then this book will help you speak the French language. This method has worked for the author and surpasses any other conversational language-learning method system currently on the market today. By including social issues such as travel, common themes such as food, daily activities like eating, and essential practices like shopping, it will help you to engage with more people who speak the language you are learning. Don't wait to travel. Learn French using this new method, and set yourself free to explore the world.
