Companion to the History of the Book Simon Eliot,Jonathan Rose,2019-08-08 The celebrated text on the history of the book, completely revised, updated and expanded The revised and updated edition of *The Companion to the History of the Book* offers a global survey of the book's history, through print and electronic text. Already well established as a standard survey of the historiography of the book, this new, expanded edition draws on a decade of advanced scholarship to present current research on paper, printing, binding, scientific publishing, the history of maps, music and print, the profession of authorship and lexicography. The text explores the many approaches to the book from the early clay tablets of Sumer, Assyria and Babylonia to today's burgeoning electronic devices. The expert contributions delve into such fascinating topics as archives and paperwork, and present new chapters on Arabic script, the Slavic, Canadian, African and Australasian book, new textual technologies, and much more. Containing a wealth of illustrative examples and case studies to dramatize the exciting history of the book, the text is designed for academics, students and anyone interested in the subject.

Turner's Later Papers Peter Bower,Tate Gallery,1999 Whether for a speedy pencil sketch or a highly finished watercolour, the paper Turner used is always an integral part of the work. His intimate understanding of the interplay of surface and the marks made upon it is a crucial part of the visual effect. This book charts the constantly developing relationship between Turner's often very imaginative and innovative techniques and the grounds he worked on. It documents his complex responses to the rapid changes and increasing sophistication of the design and production of papers for artists.

The Copyright Zone Edward C. Greenberg,Jack Reznicki,2015-02-11 If you license or publish images, this guide is as indispensable as your camera. It provides specific information on the legal rights of photographers, illustrators, artists, covering intellectual property, copyright, and business concerns in an easy-to-read, accessible manner. *The Copyright Zone, Second Edition* covers: what is and isn't copyrightable, copyright

registration, fair use, model releases, contracts and invoices, pricing and negotiation, and much more. Presented in a fun and easy to digest style, Jack Reznicki and Ed Greenberg, LLC help explain the need-to-know facts of the confusing world of legal jargon and technicalities through real world case studies, personal asides, and the clear writing style that has made their blog Thecopyrightzone.com and monthly column by the same name in Photoshop User magazine two industry favorites. The second edition of this well-reviewed text has almost doubled in size to ensure that every legal issue you need to know about as a photographer or artist is covered and enjoyable to learn!
