A Beginner's Guide to Losing Your Mind Emily Reynolds,2017-05-02 Your twenties can be isolating, infuriating and painful but how do you stay healthy and realistic when you're also dealing with depression, mania, or anxiety? Emily Reynolds's A Beginner's Guide to Losing Your Mind explores the unique challenges, including: • How to deal with pressure at school and college • Tips for dating when you are mentally ill (and what to expect when you're on the other side) • Handling self-harm and suicidal thoughts • Advice for your family and friends • Learning how to navigate the internet and the online community • Advice on diagnosis, treatment, and maintaining your mental health A blackly funny, deeply compassionate, and extremely practical book, A Beginner's Guide to Losing Your Mind is all at once the author's personal account of what it's like to live with mental illness, a guide to dealing with and understanding it, and a companion to make the journey feel a little less lonely.

When You're Not F*cking Fine Emily Reynolds,2020-01-31 A mental health guide to stand by you when everything is NOT okay How do you stay healthy and realistic when you're also dealing with depression, mania, or anxiety? What do you do when, actually, you don't feel f*cking fine? In this blackly funny, deeply compassionate, and extremely practical book, Emily Reynolds gives personal account of what it's like to live with mental illness and the lessons that can help you start your own mental health journey. When You're Not F*cking Fine is a guide for people who know that self-care looks a lot different when you have to fight through your mental illness the whole way. This guide tackles the unique challenges of living with mental illness, anxiety, and depression, including how to: Get the help you need: find a diagnosis and the right treatment plan Deal with pressure: manage stress even when you're already at your breaking point Make time for self-care: kindness for when opening a window or taking out the trash feels impossible Get on with your life: navigate the world of education, relationships, and expectations without sacrificing your progress When You're Not F*cking Fine will help you understand mental illness, deal with it, and make the journey feel a little less lonely. (Previously published as The Beginner's Guide to Losing Your Mind)

Mastering Bitcoin Andreas M. Antonopoulos,David A. Harding,2023-11-03 Join the technological revolution that's taking the financial world by storm. Mastering Bitcoin is your guide through the seemingly complex world of Bitcoin, providing the knowledge you need to participate in the internet of money. Whether you're building the next killer app, investing in a startup, or simply curious about the technology, this revised and expanded third edition provides essential detail to get you started. Bitcoin, the first successful decentralized digital currency, has already spawned a multibillion-dollar global economy open to anyone with the knowledge and passion to participate. Mastering Bitcoin provides the knowledge. You supply the passion. The third edition includes: A broad introduction to Bitcoin and its underlying blockchain—ideal for nontechnical users, investors, and business executives An explanation of Bitcoin's technical foundation and cryptographic currency for developers, engineers, and software and systems architects Details of the Bitcoin decentralized network, peer-to-peer architecture, transaction lifecycle, and security principles New developments such as Taproot, Tapscript, Schnorr signatures, and the Lightning Network A deep dive into Bitcoin applications, including how to combine the building blocks

offered by this platform into powerful new tools User stories, analogies, examples, and code snippets illustrating key technical concepts

Aphasia and Its Therapy Anna Basso,2003-01-09 This is the first single-authored book to attempt to bridge the gap between aphasia research and the rehabilitation of patients with this language disorder. Studies of the deficits underlying aphasia and the practice of aphasia rehabilitation have often diverged, and the relationship between theory and practice in aphasiology is loose. The goal of this book is to help close this gap by making explicit the relationship between what is to be rehabilitated and how to rehabilitate it.Early chapters cover the history of aphasia and its therapy from Broca's discoveries to the 1970s, and provide a description of the classic aphasia syndromes. The middle section describes the contribution of cognitive neuropsychology and the treatment models it has inspired. It includes discussion of the relationship between the treatment approach and the functional model upon which it is based. The final chapters deal with aphasia therapy. After providing a sketch of a working theory of aphasia, Basso describes intervention procedures for disorders resulting from damage at the lexical and sentence levels as well as a more general conversation-based intervention for severe aphasics.Anna Basso has run an aphasia rehabilitation unit for more than thirty years. In this book she draws on her considerable experience to provide researchers, clinicians, and their students and trainees in speech-language pathology and therapy, aphasiology, and neuropsychology with comprehensive coverage of the evolution and state of the art of aphasia research and therapy.

Wandering Stars Tommy Orange,2024-02-27 A TIME MOST ANTICIPATED BOOK • The Pulitzer Prize-finalist and author of the breakout bestseller There There (Pure soaring beauty.The New York Times Book Review) delivers a masterful follow-up to his already classic first novel. Extending his constellation of narratives into the past and future, Tommy Orange traces the legacies of the Sand Creek Massacre of 1864 and the Carlisle Indian Industrial School through three generations of a family in a story that is by turns shattering and wondrous. For the sake of knowing, of understanding, Wandering Stars blew my heart into a thousand pieces and put it all back together again. This is a masterwork that will not be forgotten, a masterwork that will forever be part of you.” —Morgan Talty, bestselling author of Night of the Living Rez Colorado, 1864. Star, a young survivor of the Sand Creek Massacre, is brought to the Fort Marion prison castle,where he is forced to learn English and practice Christianity by Richard Henry Pratt, an evangelical prison guard who will go on to found the Carlisle Indian Industrial School, an institution dedicated to the eradication of Native history, culture, and identity. A generation later, Star’s son, Charles, is sent to the school, where he is brutalized by the man who was once his father’s jailer. Under Pratt’s harsh treatment, Charles clings to moments he shares with a young fellow student, Opal Viola, as the two envision a future away from the institutional violence that follows their bloodlines. In a novel that is by turns shattering and wondrous, Tommy Orange has conjured the ancestors of the family readers first fell in love with in There There—warriors, drunks, outlaws, addicts—asking what it means to bethe children and grandchildren of massacre. Wandering Stars is a novel about epigenetic and generational trauma that has the force and vision of a modern epic, an exceptionally powerful new book from one of the most exciting writers at work today and soaring confirmation of Tommy Orange’s monumental gifts.

Footsteps of Recovery Rev Tony D. Warren Ph. D.,Rev. Tony D. Warren,2012-11 Inspired by Dr. Warren's miraculous recovery, Footsteps of Recovery will encourage the severely sick with physical, emotional, and spiritual needs during difficult times.--Back cover

The Heart Attack Recovery Plan David Symes,2011-11-30 The after-effects of a heart attack are wide ranging - and some of them unexpected. Physical health can never be taken for granted again. A balanced diet becomes a must. But the psychological effects, too, should not to be overlooked. Previously active and self-confident people can find the fear of a repeat attack will prevent them from enjoying sport or active hobbies. Partners may find that they are worried about having sex. Obsessive concern about the condition may dominate conversation. Coming to terms with such a dramatic experience will go through a number of common phases. This practical, accessible and authoritative guide explains not only what causes a heart attack, but also how to come to terms with recovery. It explains how to get the best from your GP, how to live safely - but fully. Complete with general nutritional guidelines this realistic guide is invaluable reading to all those living through a heart attack in the family. It will help you to keep your risk to a minimum and get your health back in good shape.

Addiction Private Practice Michael O'Brien,2020-01-01 Learn the secrets to success from one of the most successful independent addiction counselors. Addiction Private Practice is a comprehensive business plan for addiction counselors and therapists who want to effectively and safely help clients with substance abuse problems in a private office setting. Michael O'Brien will help you to break free of the shackles of addiction treatment programs, earn the income you deserve, achieve your true potential, and help more people with substance use disorders than you ever imagined possible. Already in Private Practice? Michael O'Brien's informed strategies, processes, and best practices will help you take your practice to the next level or refocus your existing practice to serve those with substance abuse disorders. In this definitive guide, you will learn: - The fundamental components of a successful, ethical, and safe addiction practice. - Everything you need to know to get started with very minimal start-up capital. - The best practices of a successful addiction practice. - How to effectively and ethically market your services. Michael O'Brien has negotiated discounts and free access to tools and services that will save you thousands of dollars when launching your practice and allow you to get started with very little capital. Turn self-doubt into confidence and join the revolution that is occurring in the addiction treatment industry! What other counselors are saying about Addiction Private Practice: "Michael O'Brien has not only literally written the book on achieving success in addiction private practice, but he is also living proof that it is possible. His bulletproof addiction practice model is easy to understand and execute, even for those who are not technologically savvy. Any competent counselor can use this book to achieve their desired success. He is selflessly handing his proven strategies to his future competition and propelling the profession forward! This is a huge leap forward for all addiction professionals. Sherrie Rager, Ph.D., CADC II, M-RAS, CCDS "Addiction counselors have been waiting for this ground-breaking work! Clear, concise, and expert guidance in launching a private practice. Michael takes the guesswork out of building, marketing, and managing a successful addiction practice. There are many books on starting a private practice, but none are dedicated to the specific needs of addiction counselors. Even if you are already in private practice, this book is worth reading. The processes, marketing wisdom, and business model will boost your existing practice." Christopher Wellington, LAADC "If you intend to start a private practice, you must read this book. You'll discover many insights that will benefit your business and your clients. Michael's model sets a new standard for best practices in addiction private practice. His step-by-step instructions are easy to implement and understand. Don't start a practice without it!" Nelu Zia, LAADC, SAP "Addiction Private Practice has been monumental in helping me start my practice. This book lays out step-by-step how to get started, maintain, and continue to thrive in private practice. By following Michael's strategies, I was able to obtain eight clients in a matter of weeks! His knowledge and strategies work. As a substance abuse counselor, without this information and guidance, I may never have gone into private practice. Bryan Vasquez, CAT-C III
